1ST SESSION

H. J. RES.

To provide for the resolution of the outstanding issues in the current railway labor-management dispute.

IN THE HOUSE OF REPRESENTATIVES

Mr. MICA introduced the following joint resolution; which was referred to the Committee on _____

JOINT RESOLUTION

To provide for the resolution of the outstanding issues in the current railway labor-management dispute.

Whereas the labor dispute between the carriers represented by the National Carriers' Conference Committee of the National Railway Labor Conference and certain of their employees represented by certain labor organizations threatens essential transportation services of the United States;

Whereas it is essential to the national interest, including the national health and defense, that essential transportation services be maintained;

Whereas the President, pursuant to the provisions of section 10 of the Railway Labor Act (45 U.S.C. 160), by Execu-

tive Order No. 13586 of October 6, 2011, created Presidential Emergency Board No. 243 to investigate the dispute and report findings;

Whereas the recommendations of Presidential Emergency Board No. 243 issued on November 5, 2011, have formed the basis for tentative agreements between some, but not all, of the parties to the disputes;

Whereas the recommendations of Presidential Emergency Board No. 243 issued on November 5, 2011, have not resulted in a settlement of all the disputes;

Whereas all of the procedures for resolving such dispute provided for in the Railway Labor Act will be exhausted as of 12:01 ante meridiem of December 6, 2011, at which time essential transportation services will be subject to interruption;

Whereas it is desirable to resolve such disputes in a manner which encourages solutions reached through collective bargaining;

Whereas Congress, under the Commerce Clause of the Constitution, has the authority and responsibility to ensure the uninterrupted operation of essential transportation services;

Whereas Congress finds that emergency measures are essential to the security and continuity of transportation services by such carriers; and

Whereas Congress has in the past enacted legislation for such purposes: Now, therefore, be it

- 1 *Resolved by the Senate and House of Representatives*
- 2 *of the United States of America in Congress assembled,*
- 3 That consistent with the purposes of the Railway Labor
