The Rules Committee Print of H.R. 3312 contains the text of H.R. 3312 as reported by the Committee on Financial Services and adds a new section (Sec 5) to address cost estimates from the Congressional Budget Office.

Section 5 of the Rules Committee Print would require bank holding companies that have been de-designated to temporarily continue to pay the SIFI assessment until $58 million is paid into the Treasury general fund. This payment will cover the perceived risk posed to the Deposit Insurance Fund.
