shall be treated as approved for such purpose for
each of the subsequent 4 years.

(4) REVOCATION OF APPROVAL.—The ap-

proval of an application of a State, with respect to
a purpose described in section 1352, may be revoked
if the State fails to use funds provided to the State
under this section for such purpose or otherwise fails
to comply with the requirements of this section.

(b) DEFAULT FEDERAL SAFEGUARD.—

(1) 2022.—For 2022, in the case of a State
that does not submit an application under subsection
(a) by the 90-day submission date applicable to such

State that does submit such an application by such
date that is not approved, the Administrator, in con-

shall, from the amount calculated under paragraph
(4) for such year, carry out the purpose described in
paragraph (3) in such State for such year.
“(2) 2023 and subsequent years.—For 2023 or a subsequent year, in the case of a State that does not have in effect an approved application under this section for such year, the Administrator, in consultation with the State insurance commissioner, shall, from the amount calculated under paragraph (4) for such year, carry out the purpose described in paragraph (3) in such State for such year.

“(4) Amount described.—The amount described in this paragraph, with respect to 2022 or a subsequent year, is the amount equal to the total
sum of amounts that the Secretary would otherwise

(2) for such year, as applicable, if each such State
were not so described for such year.

“(5) ADJUSTMENT.—For purposes of this sub-
section, the Secretary may apply a percentage under
paragraph (3) with respect to a year that is less
than the percentage otherwise specified in section
1354(b)(2)(B) for such year, if the cost of paying
the total eligible attachment range claims for States
described in this subsection for such year at such
percentage otherwise specified would exceed the
amount calculated under paragraph (4) for such
year.

“SEC. 1354. ALLOCATIONS.

“(a) APPROPRIATION.—For the purpose of providing
allocations for States under subsection (b) and payments
under section 1353(b) there is appropriated, out of any

“(b) ALLOCATIONS.—

“(1) PAYMENT.—

“(A) IN GENERAL.—From amounts appro-
priated under subsection (a) for a year, the
Secretary shall, with respect to a State not described in section 1353(b) for such year and not later than the date specified under subparagraph (B) for such year, allocate for such State the amount determined for such State and year under paragraph (2).

“(B) SPECIFIED DATE.—For purposes of subparagraph (A), the date specified in this subparagraph is—

“(i) for 2022, the date that is 45 days after the date of the enactment of this part; and

“(ii) for 2023 or a subsequent year, January 1 of the respective year.

“(C) NOTIFICATIONS OF ALLOCATION AMOUNTS.—For 2023 and each subsequent year, the Secretary shall notify each State of the amount determined for such State under paragraph (2) for such year by not later than January 1 of the previous year.

“(2) ALLOCATION AMOUNT DETERMINATIONS.—

“(A) IN GENERAL.—For purposes of paragraph (1), the amount determined under this paragraph for a year for a State described in
paragraph (1)(A) for such year is the amount
equal to—

“(i) the amount that the Secretary es-

imates would be expended under this part
for such year on attachment range claims
of individuals residing in such State if such
State used such funds only for the purpose
described in paragraph (1) of section
1352(a) at the dollar amounts and per-
centage specified under subparagraph (B)
for such year; minus

“(ii) the amount, if any, by which the
Secretary determines—

“(I) the estimated amount of
premium tax credits under section
36B of the Internal Revenue Code of
1986 that would be attributable to in-
dividuals residing in such State for
such year without application of this
part; exceeds

“(II) the estimated amount of
premium tax credits under section
36B of the Internal Revenue Code of
1986 that would be attributable to in-

For purposes of the previous sentence and section 1353(b)(3), the term ‘attachment range claims’ means, with respect to an individual, the claims for such individual that exceed a dollar amount specified by the Secretary for a year, but do not exceed a ceiling dollar amount specified by the Secretary for such year, under subparagraph (B).

“(B) SPECIFICATIONS.—For purposes of subparagraph (A) and section 1353(b)(3), the Secretary shall determine the dollar amounts and the percentage to be specified under this subparagraph for a year in a manner to ensure that the total amount of expenditures under this part for such year is estimated to equal the total amount appropriated for such year under subsection (a) if such expenditures were used solely for the purpose described in paragraph (1) of section 1352(a) for attachment range claims at the dollar amounts and percentage so specified for such year.
“(3) AVAILABILITY.—Funds allocated to a
State under this subsection for a year shall remain
available through the end of the subsequent year.”.

SEC. 107. RESCINDING THE SHORT-TERM LIMITED DURA-
TION INSURANCE REGULATION.

(a) FINDINGS.—Congress finds the following:

(1) On August 3, 2018, the Administration
issued a final rule entitled “Short-Term, Limited-

(2) The final rule dramatically expands the sale
and marketing of insurance that—

(A) may discriminate against individuals
living with preexisting health conditions, includ-
ing children with complex medical needs and
disabilities and their families;

(B) lacks important financial protections
provided by the Patient Protection and Afford-
able Care Act (Public Law 111–148), including
the prohibition of annual and lifetime coverage
limits and annual out-of-pocket limits, that may
increase the cost of treatment and cause finan-
cial hardship to those requiring medical care,
including children with complex medical needs
and disabilities and their families; and
(C) excludes coverage of essential health benefits including hospitalization, prescription drugs, and other lifesaving care.

(3) The implementation and enforcement of the final rule weakens critical protections for up to 130 million Americans living with preexisting health conditions and may place a large financial burden on those who enroll in short-term limited-duration insurance, which jeopardizes Americans’ access to quality, affordable health insurance.

(b) PROHIBITION.—The Secretary of Health and Human Services, the Secretary of the Treasury, and the Secretary of Labor—

(1) may not take any action to implement, enforce, or otherwise give effect to the rule entitled “Short-Term, Limited Duration Insurance” (83 Fed. Reg. 38212 (August 3, 2018));

(2) shall apply any regulation revised by such rule as if such rule had not been issued; and

(3) may not promulgate any substantially similar rule.

SEC. 108. REVOKING SECTION 1332 GUIDANCE.

(a) FINDINGS.—Congress finds the following:

(1) On October 24, 2018, the administration published new guidance to carry out section 1332 of
the Patient Protection and Affordable Care Act (42
U.S.C. 18052) entitled “State Relief and Empower-
ment Waivers” (83 Fed. Reg. 53575).

(2) The new guidance encourages States to pro-
vide health insurance coverage through insurance
plans that may discriminate against individuals with
preexisting health conditions, including the one in
four Americans living with a disability.

(3) The implementation and enforcement of the
new guidance weakens protections for the millions of
Americans living with preexisting health conditions
and jeopardizes Americans’ access to quality, afford-
able health insurance coverage.

(b) PROVIDING THAT CERTAIN GUIDANCE RELATED
TO WAIVERS FOR STATE INNOVATION UNDER THE PA-
TIENT PROTECTION AND AFFORDABLE CARE ACT SHALL
HAVE NO FORCE OR EFFECT.—Beginning July 1, 2020,
the Secretary of Health and Human Services and the Sec-
retary of the Treasury may not take any action to imple-
ment, enforce, or otherwise give effect to the guidance en-
titled “State Relief and Empowerment Waivers” (83 Fed.
Reg. 53575 (October 24, 2018)), including any such ac-
tion that would result in individuals losing health insur-
ance coverage that includes the essential health benefits
package (as defined in subsection (a) of section 1302 of
the Patient Protection and Affordable Care Act (42
U.S.C. 18022(a)) without regard to any waiver of any pro-
vision of such package under a waiver under such section
1332), including the maternity and newborn care essential
health benefit described in subsection (b)(1)(D) of such
section, including any such action that would result in a
decrease in the number of such individuals enrolled in cov-
erage that is at least as comprehensive as the coverage
defined in section 1302(a) of the Patient Protection and
Affordable Care Act (42 U.S.C. 18022(a)) compared to
the number of such individuals who would have been so
enrolled in such coverage had such action not been taken,
including any such action that would, with respect to indi-
viduals with substance use disorders, including opioid use
disorders, reduce the availability or affordability of cov-
erage that is at least as comprehensive as the coverage
defined in section 1302(a) of the Patient Protection and
Affordable Care Act (42 U.S.C. 18022(a)) compared to
the availability or affordability, respectively, of such cov-
erage had such action not been taken, including any such
action that would result, with respect to vulnerable popu-
lations (including low-income individuals, elderly individ-
uals, and individuals with serious health issues or who
have a greater risk of developing serious health issues),
in a decrease in the availability of coverage that is at least
as comprehensive as the coverage defined in section 1302(a) of the Patient Protection and Affordable Care Act (42 U.S.C. 18022(a)) with coverage and cost sharing protections required under section 1332(b)(1)(B) of such Act (42 U.S.C. 18052(b)(1)(B)), including any such action that would, with respect to individuals with preexisting conditions, reduce the affordability of coverage that is at least as comprehensive as the coverage defined in section 1302(a) of the Patient Protection and Affordable Care Act (42 U.S.C. 18022(a)) compared to the affordability of such coverage had such action not been taken, including any such action that would result in higher health insurance premiums for individuals enrolled in health insurance coverage that is at least as comprehensive as the coverage defined in section 1302(b) of such Act (42 U.S.C. 18022(b)), and the Secretaries may not promulgate any substantially similar guidance or rule. Nothing in the previous sentence shall be construed to affect the approval of waivers under section 1332 of the Patient Protection and Affordable Care Act (42 U.S.C. 18052) that establish reinsurance programs that are consistent with the requirements under subsection (b)(1) of such section (42 U.S.C. 18052(b)(1)), lower health insurance premiums, and protect health insurance coverage for people with preexisting conditions.
(c) GAO Report on Affect of State Innovation

Waivers on Coverage of Individuals and on Mental Health Health Care Treatment.—Not later than 1 year after the date of the enactment of this Act, the Comptroller General of the United States shall submit to Congress a report on the number of individuals expected to lose access to health insurance coverage (as defined in section 2791 of the Public Health Service Act (42 U.S.C. 300gg–91)) if subsection (b) were not enacted and waivers under section 1332 of the Patient Protection and Affordable Care Act (42 U.S.C. 18052) were approved under the guidance described in such subsection (b). Such report shall include an analysis of the expected effect such waivers approved under such guidance would have on mental health care treatment.

SEC. 109. REQUIRING MARKETPLACE OUTREACH, EDUCATIONAL ACTIVITIES, AND ANNUAL ENROLLMENT TARGETS.

(a) In General.—Section 1321(c) of the Patient Protection and Affordable Care Act (42 U.S.C. 18041(c)), as amended by section 105(b), is further amended by adding at the end the following new paragraphs:

“(4) Outreach and educational activities.—
“(A) IN GENERAL.—In the case of an Exchange established or operated by the Secretary within a State pursuant to this subsection, the Secretary shall carry out outreach and educational activities for purposes of informing individuals about qualified health plans offered through the Exchange, including by informing such individuals of the availability of coverage under such plans and financial assistance for coverage under such plans. Such outreach and educational activities shall be provided in a manner that is culturally and linguistically appropriate to the needs of the populations being served by the Exchange (including hard-to-reach populations, such as racial and sexual minorities, limited English proficient populations, individuals in rural areas, veterans, and young adults) and shall be provided to populations residing in high health disparity areas (as defined in subparagraph (E)) served by the Exchange, in addition to other populations served by the Exchange.

“(B) LIMITATION ON USE OF FUNDS.—No funds appropriated under this paragraph shall
be used for expenditures for promoting non-

“(i) The term ‘non-ACA compliant

“(ii) Such term includes the following:

“(I) An association health plan.

“(II) Short-term limited duration

each subsequent fiscal year, $100,000,000 to
carry out this paragraph. Funds appropriated
under this subparagraph shall remain available
until expended.

“(E) HIGH HEALTH DISPARITY AREA DE-
FINED.—For purposes of subparagraph (A), the

“(iii) has a low-income population, as demonstrated by—

“(I) average income below 138 percent of the Federal poverty line; or

“(II) a rate of participation in the special supplemental nutrition program under section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786) that is higher than the national average rate of participation in such program;

“(iv) has poor health outcomes, as demonstrated by—

“(I) lower life expectancy than the national average; or

“(II) a higher percentage of instances of low birth weight than the national average; and
“(v) is part of a Metropolitan Statistical Area identified by the Office of Management and Budget.

“(5) ANNUAL ENROLLMENT TARGETS.—For plan year 2021 and each subsequent plan year, in the case of an Exchange established or operated by the Secretary within a State pursuant to this subsection, the Secretary shall establish annual enrollment targets for such Exchange for such year.”.

(b) STUDY AND REPORT.—Not later than 30 days after the date of the enactment of this Act, the Secretary of Health and Human Services shall release to Congress all aggregated documents relating to studies and data sets that were created on or after January 1, 2014, and related to marketing and outreach with respect to qualified health plans offered through Exchanges under title I of the Patient Protection and Affordable Care Act (42 U.S.C. 18001 et seq.).

SEC. 110. REPORT ON EFFECTS OF WEBSITE MAINTENANCE DURING OPEN ENROLLMENT.

Not later than 1 year after the date of the enactment of this Act, the Comptroller General of the United States shall submit to Congress a report examining whether the Department of Health and Human Services has been conducting maintenance on the website commonly referred to
as "Healthcare.gov" during annual open enrollment periods (as described in section 1311(e)(6)(B) of the Patient Protection and Affordable Care Act (42 U.S.C. 18031(c)(6)(B)) in such a manner so as to minimize any disruption to the use of such website resulting from such maintenance.

cability year.

“(c) Other definitions.—For purposes of this
part:

“(3) Average international market price defined.—

“(A) In general.—The terms ‘average international market price’ and ‘AIM price’ mean, with respect to a drug, the average price (which shall be the net average price, if practicable, and volume-weighted, if practicable) for a unit (as defined in paragraph (4)) of the drug for sales of such drug (calculated across different dosage forms and strengths of the drug and not based on the specific formulation or package size or package type), as computed (as of the date of publication of such drug as a selected drug under section 1192(a)) in all countries described in clause (ii) of subparagraph (B) that are applicable countries (as described in clause (i) of such subparagraph) with respect to such drug.

“(B) Applicable countries.—

“(i) In general.—For purposes of subparagraph (A), a country described in clause (ii) is an applicable country described in this clause with respect to a drug if there is available an average price

“SEC. 1192. SELECTION OF NEGOTIATION-ELIGIBLE DRUGS
AS SELECTED DRUGS.

“(a) IN GENERAL.—Not later than the selected drug
publication date with respect to an initial price applica-
bility year, subject to subsection (h), the Secretary shall
select and publish in the Federal Register a list of—

“(1)(A) with respect to an initial price applica-
bility year during 2023, at least 25 negotiation-eligi-
bile drugs described in subparagraphs (A) and (B),
but not subparagraph (C), of subsection (d)(1) (or,
with respect to an initial price applicability year during such period beginning after 2023, the maximum number (if such number is less than 25) of such negotiation-eligible drugs for the year) with respect to such year; and

```
“(B) with respect to an initial price applicability year during 2024 or a subsequent year, at least 50 negotiation-eligible drugs described in subparagraphs (A) and (B), but not subparagraph (C), of subsection (d)(1) (or, with respect to an initial price applicability year during such period, the maximum number (if such number is less than 50) of such negotiation-eligible drugs for the year) with respect to such year;
```

```
“(2) all negotiation-eligible drugs described in subparagraph (C) of such subsection with respect to such year; and
```

```
“(3) all new-entrant negotiation-eligible drugs (as defined in subsection (g)(1)) with respect to such year.
```

Each drug published on the list pursuant to the previous sentence shall be subject to the negotiation process under section 1194 for the voluntary negotiation period with respect to such initial price applicability year (and the renegotiation process under such section as applicable for
any subsequent year during the applicable price applicability period). In applying this subsection, any negotiation-eligible drug that is selected under this subsection for an initial price applicability year shall not count toward the required minimum amount of drugs to be selected under paragraph (1) for any subsequent year, including such a drug so selected that is subject to renegotiation under section 1194.

“(b) SELECTION OF DRUGS.—In carrying out subsection (a)(1) the Secretary shall select for inclusion on the published list described in subsection (a) with respect to a price applicability period, the negotiation-eligible drugs that the Secretary projects will result in the greatest savings to the Federal Government or fair price eligible individuals during the price applicability period. In making this projection of savings for drugs for which there is an AIM price for a price applicability period, the savings shall be projected across different dosage forms and strengths of the drugs and not based on the specific formulation or package size or package type of the drugs, taking into consideration both the volume of drugs for which payment is made, to the extent such data is available, and the amount by which the net price for the drugs exceeds the AIM price for the drugs.
“(c) SELECTED DRUG.—For purposes of this part, each drug included on the list published under subsection (a) with respect to an initial price applicability year shall be referred to as a ‘selected drug’ with respect to such year and each subsequent plan year beginning before the first plan year beginning after the date on which the Secretary determines two or more drug products—

“(1) are approved or licensed (as applicable)—

“(A) under section 505(j) of the Federal Food, Drug, and Cosmetic Act using such drug as the listed drug; or

“(B) under section 351(k) of the Public Health Service Act using such drug as the reference product; and

“(2) continue to be marketed.

“(d) NEGOTIATION-ELIGIBLE DRUG.—

“(1) IN GENERAL.—For purposes of this part, the term ‘negotiation-eligible drug’ means, with respect to the selected drug publication date with respect to an initial price applicability year, a qualifying single source drug, as defined in subsection (e), that meets any of the following criteria:

“(A) COVERED PART D DRUGS.—The drug is among the 125 covered part D drugs (as defined in section 1860D–2(e)) for which there
was an estimated greatest net spending under
parts C and D of title XVIII, as determined by
the Secretary, during the most recent plan year
prior to such drug publication date for which
data are available.

“(B) OTHER DRUGS.—The drug is among
the 125 drugs for which there was an estimated
greatest net spending in the United States (in-
cluding the 50 States, the District of Columbia,
and the territories of the United States), as de-
determined by the Secretary, during the most re-
cent plan year prior to such drug publication
date for which data are available.

“(C) INSULIN.—The drug is a qualifying
single source drug described in subsection
(e)(3).

“(2) CLARIFICATION.—In determining whether
a qualifying single source drug satisfies any of the
criteria described in paragraph (1), the Secretary
shall, to the extent practicable, use data that is ag-
gregated across dosage forms and strengths of the
drug and not based on the specific formulation or
package size or package type of the drug.

“(3) PUBLICATION.—Not later than the se-
lected drug publication date with respect to an ini-
tial price applicability year, the Secretary shall publish in the Federal Register a list of negotiation-eligible drugs with respect to such selected drug publication date.

“(e) QUALIFYING SINGLE SOURCE DRUG.—For purposes of this part, the term ‘qualifying single source drug’ means any of the following:

“(1) DRUG PRODUCTS.—A drug that—

“(A) is approved under section 505(c) of the Federal Food, Drug, and Cosmetic Act and continues to be marketed pursuant to such approval; and

“(B) is not the listed drug for any drug that is approved and continues to be marketed under section 505(j) of such Act.

“(2) BIOLOGICAL PRODUCTS.—A biological product that—

“(A) is licensed under section 351(a) of the Public Health Service Act, including any product that has been deemed to be licensed under section 351 of such Act pursuant to section 7002(e)(4) of the Biologics Price Competition and Innovation Act of 2009, and continues to be marketed under section 351 of such Act; and
“(B) is not the reference product for any biological product that is licensed and continues to be marketed under section 351(k) of such Act.

“(3) Insulin Product.—Notwithstanding paragraphs (1) and (2), any insulin product that is approved under subsection (e) or (j) of section 505 of the Federal Food, Drug, and Cosmetic Act or licensed under subsection (a) or (k) of section 351 of the Public Health Service Act and continues to be marketed under such section 505 or 351, including any insulin product that has been deemed to be licensed under section 351(a) of the Public Health Service Act pursuant to section 7002(e)(4) of the Biologics Price Competition and Innovation Act of 2009 and continues to be marketed pursuant to such licensure.

For purposes of applying paragraphs (1) and (2), a drug or biological product that is marketed by the same sponsor or manufacturer (or an affiliate thereof or a cross-licensed producer or distributor) as the listed drug or reference product described in such respective paragraph shall not be taken into consideration.

“(f) Information on International Drug Prices.—For purposes of determining which negotiation-
eligible drugs to select under subsection (a) and, in the
case of such drugs that are selected drugs, to determine
the maximum fair price for such a drug and whether such
maximum fair price should be renegotiated under section
1194, the Secretary shall use data relating to the AIM
price with respect to such drug as available or provided
to the Secretary and shall on an ongoing basis request
from manufacturers of selected drugs information on the
AIM price of such a drug.

“(g) NEW-ENTRANT NEGOTIATION-ELIGIBLE
DRUGS.—

“(1) IN GENERAL.—For purposes of this part,
the term ‘new-entrant negotiation-eligible drug’
means, with respect to the selected drug publication
date with respect to an initial price applicability
year, a qualifying single source drug—

“(A) that is first approved or licensed, as
described in paragraph (1), (2), or (3) of sub-
section (e), as applicable, during the year pre-
ceding such selected drug publication date; and

“(B) that the Secretary determines under
paragraph (2) is likely to be included as a negoti-
ation-eligible drug with respect to the subse-
quent selected drug publication date.
“(2) Determination.—In the case of a qualifying single source drug that meets the criteria described in subparagraph (A) of paragraph (1), with respect to an initial price applicability year, if the wholesale acquisition cost at which such drug is first marketed in the United States is equal to or greater than the median household income (as determined according to the most recent data collected by the United States Census Bureau), the Secretary shall determine before the selected drug publication date with respect to the initial price applicability year, if the drug is likely to be included as a negotiation-eligible drug with respect to the subsequent selected drug publication date, based on the projected spending under title XVIII or in the United States on such drug. For purposes of this paragraph the term ‘United States’ includes the 50 States, the District of Columbia, and the territories of the United States.

“(h) Conflict of Interest.—

“(1) In general.—In the case the Inspector General of the Department of Health and Human Services determines the Secretary has a conflict, with respect to a matter described in paragraph (2), the individual described in paragraph (3) shall carry
out the duties of the Secretary under this part, with respect to a negotiation-eligible drug, that would otherwise be such a conflict.

“(2) MATTER DESCRIBED.—A matter described in this paragraph is—

“(A) a financial interest (as described in section 2635.402 of title 5, Code of Federal Regulations (except for an interest described in subsection (b)(2)(iv) of such section)) on the date of the selected drug publication date, with respect the price applicability year (as applicable);

“(B) a personal or business relationship (as described in section 2635.502 of such title) on the date of the selected drug publication date, with respect the price applicability year;

“(C) employment by a manufacturer of a negotiation-eligible drug during the preceding 10-year period beginning on the date of the selected drug publication date, with respect to each price applicability year; and

“(D) any other matter the General Counsel determines appropriate.

“(3) INDIVIDUAL DESCRIBED.—An individual described in this paragraph is—
“(A) the highest-ranking officer or employee of the Department of Health and Human Services (as determined by the organizational chart of the Department) that does not have a conflict under this subsection; and

“(B) is nominated by the President and confirmed by the Senate with respect to the position.

“SEC. 1193. MANUFACTURER AGREEMENTS.

“(a) IN GENERAL.—For purposes of section 1191(a)(2), the Secretary shall enter into agreements with manufacturers of selected drugs with respect to a price applicability period, by not later than June 15 following the selected drug publication date with respect to such selected drug, under which—

“(1) during the voluntary negotiation period for the initial price applicability year for the selected drug, the Secretary and manufacturer, in accordance with section 1194, negotiate to determine (and, by not later than the last date of such period and in accordance with subsection (c), agree to) a maximum fair price for such selected drug of the manufacturer in order to provide access to such price—

“(A) to fair price eligible individuals who with respect to such drug are described in sub-
paragraph (A) of section 1191(c)(1) and are furnished or dispensed such drug during, subject to subparagraph (2), the price applicability period; and

“(B) to hospitals, physicians, and other providers of services and suppliers with respect to fair price eligible individuals who with respect to such drug are described in subparagraph (B) of such section and are furnished or administered such drug during, subject to subparagraph (2), the price applicability period;

“(2) the Secretary and the manufacturer shall, in accordance with a process and during a period specified by the Secretary pursuant to rulemaking, renegotiate (and, by not later than the last date of such period and in accordance with subsection (c), agree to) the maximum fair price for such drug if the Secretary determines that there is a material change in any of the factors described in section 1194(d) relating to the drug, including changes in the AIM price for such drug, in order to provide access to such maximum fair price (as so renegotiated)—

“(A) to fair price eligible individuals who with respect to such drug are described in sub-
paragraph (A) of section 1191(c)(1) and are furnished or dispensed such drug during any
day during the price applicability period (beginning after such renegotiation) with respect
to such selected drug; and

“(B) to hospitals, physicians, and other providers of services and suppliers with respect
to fair price eligible individuals who with respect to such drug are described in subpara-
graph (B) of such section and are furnished or administered such drug during any year de-
scribed in subparagraph (A);

“(3) the maximum fair price (including as re-
egotiated pursuant to paragraph (2)), with respect
to such a selected drug, shall be provided to fair price eligible individuals, who with respect to such
drug are described in subparagraph (A) of section 1191(c)(1), at the pharmacy or by a mail order serv-
ice at the point-of-sale of such drug;

“(4) the manufacturer, subject to subsection
d, submits to the Secretary, in a form and manner
specified by the Secretary—

for the price applicability period (and, if appli-
cable, before any period of renegotiation speci-
fied pursuant to paragraph (2)) with respect to such drug all information that the Secretary requires to carry out the negotiation (or renegotiation process) under this part, including information described in section 1192(f) and section 1194(d)(1); and

“(B) on an ongoing basis, information on changes in prices for such drug that would affect the AIM price for such drug or otherwise provide a basis for renegotiation of the maximum fair price for such drug pursuant to paragraph (2);

“(5) the manufacturer agrees that in the case the selected drug of a manufacturer is a drug described in subsection (c), the manufacturer will, in accordance with such subsection, make any payment required under such subsection with respect to such drug; and

“(6) the manufacturer complies with requirements imposed by the Secretary for purposes of administering the program, including with respect to the duties described in section 1196.

“(b) AGREEMENT IN EFFECT UNTIL DRUG IS NO LONGER A SELECTED DRUG.—An agreement entered into under this section shall be effective, with respect to a drug,
until such drug is no longer considered a selected drug under section 1192(c).

“(c) SPECIAL RULE FOR CERTAIN SELECTED DRUGS WITHOUT AIM PRICE.—

“(1) IN GENERAL.—In the case of a selected drug for which there is no AIM price available with respect to the initial price applicability year for such drug and for which an AIM price becomes available beginning with respect to a subsequent plan year during the price applicability period for such drug, if the Secretary determines that the amount described in paragraph (2)(A) for a unit of such drug is greater than the amount described in paragraph (2)(B) for a unit of such drug, then by not later than one year after the date of such determination, the manufacturer of such selected drug shall pay to the Treasury an amount equal to the product of—

“(A) the difference between such amount described in paragraph (2)(A) for a unit of such drug and such amount described in paragraph (2)(B) for a unit of such drug; and

the United States, during the period described in paragraph (2)(B).

“(2) AMOUNTS DESCRIBED.—

“(A) WEIGHTED AVERAGE PRICE BEFORE AIM PRICE AVAILABLE.—For purposes of paragraph (1), the amount described in this subparagraph for a selected drug described in such paragraph, is the amount equal to the weighted average manufacturer price (as defined in section 1927(k)(1)) for such dosage strength and form for the drug during the period beginning with the first plan year for which the drug is included on the list of negotiation-eligible drugs published under section 1192(d) and ending with the last plan year during the price applicability period for such drug with respect to which there is no AIM price available for such drug.

“(B) AMOUNT MULTIPLIER AFTER AIM PRICE AVAILABLE.—For purposes of paragraph (1), the amount described in this subparagraph for a selected drug described in such paragraph, is the amount equal to 200 percent of the AIM price for such drug with respect to the first plan year during the price applicability period
for such drug with respect to which there is an AIM price available for such drug.

“(d) CONFIDENTIALITY OF INFORMATION.—Information submitted to the Secretary under this part by a manufacturer of a selected drug that is proprietary information of such manufacturer (as determined by the Secretary) may be used only by the Secretary or disclosed to and used by the Comptroller General of the United States or the Medicare Payment Advisory Commission for purposes of carrying out this part.

“(e) REGULATIONS.—

“(1) IN GENERAL.—The Secretary shall, pursuant to rulemaking, specify, in accordance with paragraph (2), the information that must be submitted under subsection (a)(4).

“(2) INFORMATION SPECIFIED.—Information described in paragraph (1), with respect to a selected drug, shall include information on sales of the drug (by the manufacturer of the drug or by another entity under license or other agreement with the manufacturer, with respect to the sales of such drug, regardless of the name under which the drug is sold) in any foreign country that is part of the AIM price. The Secretary shall verify, to the extent practicable,
such sales from appropriate officials of the government of the foreign country involved.

“(f) Compliance With Requirements for Administration of Program.—Each manufacturer with an agreement in effect under this section shall comply with requirements imposed by the Secretary or a third party with a contract under section 1196(c)(1), as applicable, for purposes of administering the program.

“(a) In General.—For purposes of this part, under an agreement under section 1193 between the Secretary and a manufacturer of a selected drug, with respect to the period for which such agreement is in effect and in accordance with subsections (b) and (e), the Secretary and the manufacturer—

“(1) shall during the voluntary negotiation period with respect to the initial price applicability year for such drug, in accordance with this section, negotiate a maximum fair price for such drug for the purpose described in section 1193(a)(1); and

“(2) as applicable pursuant to section 1193(a)(2) and in accordance with the process specified pursuant to such section, renegotiate such maximum fair price for such drug for the purpose described in such section.
(b) NEGOTIATING METHODOLOGY AND OBJECTIVE.—

(1) IN GENERAL.—The Secretary shall develop and use a consistent methodology for negotiations under subsection (a) that, in accordance with paragraph (2) and subject to paragraph (3), achieves the lowest maximum fair price for each selected drug while appropriately rewarding innovation.

(2) PRIORITIZING FACTORS.—In considering the factors described in subsection (d) in negotiating (and, as applicable, renegotiating) the maximum fair price for a selected drug, the Secretary shall, to the extent practicable, consider all of the available factors listed but shall prioritize the following factors:

(A) RESEARCH AND DEVELOPMENT COSTS.—The factor described in paragraph (1)(A) of subsection (d).

(B) MARKET DATA.—The factor described in paragraph (1)(B) of such subsection.

(C) UNIT COSTS OF PRODUCTION AND DISTRIBUTION.—The factor described in paragraph (1)(C) of such subsection.

(D) COMPARISON TO EXISTING THERAPEUTIC ALTERNATIVES.—The factor described in paragraph (2)(A) of such subsection.
“(3) Requirement.—

“(A) In general.—In negotiating the maximum fair price of a selected drug, with respect to an initial price applicability year for the selected drug, and, as applicable, in renegotiating the maximum fair price for such drug, with respect to a subsequent year during the price applicability period for such drug, in the case that the manufacturer of the selected drug offers under the negotiation or renegotiation, as applicable, a price for such drug that is not more than the target price described in subparagraph (B) for such drug for the respective year, the Secretary shall agree under such negotiation or renegotiation, respectively, to such offered price as the maximum fair price.

“(B) Target price.—

“(i) In general.—Subject to clause (ii), the target price described in this subparagraph for a selected drug with respect to a year, is the average price (which shall be the net average price, if practicable, and volume-weighted, if practicable) for a unit of such drug for sales of such drug, as computed (across different dosage forms
and strengths of the drug and not based on the specific formulation or package size or package type of the drug) in the applicable country described in section 1191(e)(3)(B) with respect to such drug that, with respect to such year, has the lowest average price for such drug as compared to the average prices (as so computed) of such drug with respect to such year in the other applicable countries described in such section with respect to such drug.

“(ii) SELECTED DRUGS WITHOUT AIM PRICE.—In applying this paragraph in the case of negotiating the maximum fair price of a selected drug for which there is no AIM price available with respect to the initial price applicability year for such drug, or, as applicable, renegotiating the maximum fair price for such drug with respect to a subsequent year during the price applicability period for such drug before the first plan year for which there is an AIM price available for such drug, the target price described in this subparagraph for
such drug and respective year is the
amount that is 80 percent of the average
manufacturer price (as defined in section
1927(k)(1)) for such drug and year.

“(4) ANNUAL REPORT.—After the completion
of each voluntary negotiation period, the Secretary
shall submit to Congress a report on the maximum
fair prices negotiated (or, as applicable, renegoti-
ated) for such period. Such report shall include in-
formation on how such prices so negotiated (or re-
negotiated) meet the requirements of this part, in-
cluding the requirements of this subsection.

“(c) LIMITATION.—

“(1) IN GENERAL.—Subject to paragraph (2),
the maximum fair price negotiated (including as re-
negotiated) under this section for a selected drug,
with respect to each plan year during a price appli-
cability period for such drug, shall not exceed 120
percent of the AIM price applicable to such drug
with respect to such year.

“(2) SELECTED DRUGS WITHOUT AIM PRICE.—
In the case of a selected drug for which there is no
AIM price available with respect to the initial price
applicability year for such drug, for each plan year
during the price applicability period before the first
plan year for which there is an AIM price available for such drug, the maximum fair price negotiated (including as renegotiated) under this section for the selected drug shall not exceed the amount equal to 85 percent of the average manufacturer price for the drug with respect to such year.

“(d) CONSIDERATIONS.—For purposes of negotiating and, as applicable, renegotiating (including for purposes of determining whether to renegotiate) the maximum fair price of a selected drug under this part with the manufacturer of the drug, the Secretary, consistent with subsection (b)(2), shall take into consideration the factors described in paragraphs (1), (2), (3), and (5), and may take into consideration the factor described in paragraph (4):

“(A) The extent to which the drug represents a therapeutic advance as compared to existing therapeutic alternatives and, to the extent such information is available, the costs of such existing therapeutic alternatives.

“(B) Information on approval by the Food and Drug Administration of alternative drug products.

“(C) Information on comparative effectiveness analysis for such products, taking into consideration the effects of such products on specific populations, such as individuals with
disabilities, the elderly, terminally ill, children,
and other patient populations.

In considering information described in subpara-
graph (C), the Secretary shall not use evidence or
findings from comparative clinical effectiveness re-
search in a manner that treats extending the life of
an elderly, disabled, or terminally ill individual as of
lower value than extending the life of an individual
who is younger, nondisabled, or not terminally ill.

Nothing in the previous sentence shall affect the ap-
lication or consideration of an AIM price for a se-
lected drug.

“(3) FOREIGN SALES INFORMATION.—To the
extent available on a timely basis, including as pro-
vided by a manufacturer of the selected drug or oth-
erwise, information on sales of the selected drug in
each of the countries described in section
1191(e)(3)(B).

disclosed to the Secretary pursuant to sub-
section (f).

“(5) ADDITIONAL INFORMATION.—Information
submitted to the Secretary, in accordance with a
process specified by the Secretary, by other parties
that are affected by the establishment of a maximum fair price for the selected drug.

“(e) REQUEST FOR INFORMATION.—For purposes of negotiating and, as applicable, renegotiating (including for purposes of determining whether to renegotiate) the maximum fair price of a selected drug under this part with the manufacturer of the drug, with respect to a price applicability period, and other relevant data for purposes of this section—

“(1) the Secretary shall, not later than the selected drug publication date with respect to the initial price applicability year of such period, request drug pricing information from the manufacturer of such selected drug, including information described in subsection (d)(1); and

“(2) by not later than October 1 following the selected drug publication date, the manufacturer of such selected drug shall submit to the Secretary such requested information in such form and manner as the Secretary may require.

The Secretary shall request, from the manufacturer or others, such additional information as may be needed to carry out the negotiation and renegotiation process under this section.
“(f) DISCLOSURE OF INFORMATION.—For purposes of this part, the Secretary of Veterans Affairs may disclose to the Secretary of Health and Human Services the price of any negotiation-eligible drug that is purchased pursuant to section 8126 of title 38, United States Code.

“SEC. 1195. PUBLICATION OF MAXIMUM FAIR PRICES.

“(a) IN GENERAL.—With respect to an initial price applicability year and selected drug with respect to such year, not later than April 1 of the plan year prior to such initial price applicability year, the Secretary shall publish in the Federal Register the maximum fair price for such drug negotiated under this part with the manufacturer of such drug.

“(b) UPDATES.—

“(1) SUBSEQUENT YEAR MAXIMUM FAIR PRICES.—For a selected drug, for each plan year subsequent to the initial price applicability year for such drug with respect to which an agreement for such drug is in effect under section 1193, the Secretary shall publish in the Federal Register—

“(A) subject to subparagraph (B), the amount equal to the maximum fair price published for such drug for the previous year, increased by the annual percentage increase in the consumer price index for all urban con-
120
sumers (all items; U.S. city average) as of Sep-
tember of such previous year; or

date such maximum price is so determined.

1191, the administrative duties described in this sec-
tion are the following:

cluding through agreements with manufacturers
under this part, contracts with prescription
drug plans under part D of title XVIII and
MA–PD plans under part C of such title, and
agreements under section 1197 with group
health plans and health insurance issuers of
health insurance coverage offered in the indi-

to fair price eligible individuals, who with re-
spect to such drug are described in subpara-
graph (A) of section 1191(c)(1), at pharmacies
or by mail order service at the point-of-sale of
the drug for the applicable price period for such
drug and providing that such maximum fair

such plans or coverage for the selected drug.

“(B) The establishment of procedures (in-

under this part and contracts with hospitals,
physicians, and other providers of services and
suppliers and agreements under section 1197
