5 “SEC. 1191. ESTABLISHMENT OF PROGRAM.

6 “(a) In General.—The Secretary shall establish a Fair Price Negotiation Program (in this part referred to
as the ‘program’). Under the program, with respect to each price applicability period, the Secretary shall—

“(b) DEFINITIONS RELATING TO TIMING.—For purposes of this part:

“(1) INITIAL PRICE APPLICABILITY YEAR.—The term ‘initial price applicability year’ means a plan year (beginning with plan year 2023) or, if agreed to in an agreement under section 1193 by the Secretary and manufacturer involved, a period of more than one plan year (beginning on or after January 1, 2023).

“(2) PRICE APPLICABILITY PERIOD.—The term ‘price applicability period’ means, with respect to a drug, the period beginning with the initial price applicability year with respect to which such drug is a
selected drug and ending with the last plan year
during which the drug is a selected drug.

“(3) Selected drug publication date.—

The term ‘selected drug publication date’ means,
with respect to each initial price applicability year,
April 15 of the plan year that begins 2 years prior
to such year.

“(4) Voluntary negotiation period.—The
term ‘voluntary negotiation period’ means, with re-
spect to an initial price applicability year with re-
spect to a selected drug, the period—

“(i) the date on which the manufac-
turer of the drug and the Secretary enter
into an agreement under section 1193 with
respect to such drug; or

“(ii) June 15 following the selected
drug publication date with respect to such
selected drug; and

“(B) ending on March 31 of the year that

cability year.

“(e) Other Definitions.—For purposes of this

“(3) AVERAGE INTERNATIONAL MARKET PRICE

DEFINED.—

“(A) IN GENERAL.—The terms ‘average international market price’ and ‘AIM price’ mean, with respect to a drug, the average price (which shall be the net average price, if practicable, and volume-weighted, if practicable) for a unit (as defined in paragraph (4)) of the drug for sales of such drug (calculated across different dosage forms and strengths of the drug and not based on the specific formulation or package size or package type), as computed (as of the date of publication of such drug as a selected drug under section 1192(a)) in all countries described in clause (ii) of subparagraph (B) that are applicable countries (as described in clause (i) of such subparagraph) with respect to such drug.

“(B) APPLICABLE COUNTRIES.—

“(i) IN GENERAL.—For purposes of subparagraph (A), a country described in clause (ii) is an applicable country described in this clause with respect to a drug if there is available an average price
for any unit for the drug for sales of such drug in such country.

“(ii) COUNTRIES DESCRIBED.—For purposes of this paragraph, the following are countries described in this clause:

“(I) Australia.
“(II) Canada.
“(III) France.
“(IV) Germany.
“(V) Japan.

“SEC. 1192. SELECTION OF NEGOTIATION-ELIGIBLE DRUGS AS SELECTED DRUGS.

“(a) IN GENERAL.—Not later than the selected drug publication date with respect to an initial price applicability year, the Secretary shall select and publish in the Federal Register a list of—

“(1)(A) with respect to an initial price applicability year during the period beginning with 2023 and ending with 2027, at least 25 negotiation-eligible drugs described in subparagraphs (A) and (B),
but not subparagraph (C), of subsection (d)(1) (or, with respect to an initial price applicability year during such period beginning after 2023, the maximum number (if such number is less than 25) of such negotiation-eligible drugs for the year) with respect to such year;

“(B) with respect to an initial price applicability year during the period beginning with 2028 and ending with 2032, at least 30 negotiation-eligible drugs described in subparagraphs (A) and (B), but not subparagraph (C), of subsection (d)(1) (or, with respect to an initial price applicability year during such period, the maximum number (if such number is less than 30) of such negotiation-eligible drugs for the year) with respect to such year; and

“(C) with respect to an initial price applicability year beginning after 2032, at least 35 negotiation-eligible drugs described in subparagraphs (A) and (B), but not subparagraph (C), of subsection (d)(1) (or, with respect to an initial price applicability year during such period, the maximum number (if such number is less than 35) of such negotiation-eligible drugs for the year) with respect to such year;
“(2) all negotiation-eligible drugs described in subparagraph (C) of such subsection with respect to such year; and

“(3) all new-entrant negotiation-eligible drugs (as defined in subsection (g)(1)) with respect to such year.

Each drug published on the list pursuant to the previous sentence shall be subject to the negotiation process under section 1194 for the voluntary negotiation period with respect to such initial price applicability year (and the renegotiation process under such section as applicable for any subsequent year during the applicable price applicability period). In applying this subsection, any negotiation-eligible drug that is selected under this subsection for an initial price applicability year shall not count toward the required minimum amount of drugs to be selected under paragraph (1) for any subsequent year, including such a drug so selected that is subject to renegotiation under section 1194.

“(b) SELECTION OF DRUGS.—In carrying out subsection (a)(1) the Secretary shall select for inclusion on the published list described in subsection (a) with respect to a price applicability period, the negotiation-eligible drugs that the Secretary projects will result in the greatest savings to the Federal Government or fair price eligible
individuals during the price applicability period. In making this projection of savings for drugs for which there is an AIM price for a price applicability period, the savings shall be projected across different dosage forms and strengths of the drugs and not based on the specific formulation or package size or package type of the drugs, taking into consideration both the volume of drugs for which payment is made, to the extent such data is available, and the amount by which the net price for the drugs exceeds the AIM price for the drugs.

“(c) SELECTED DRUG.—For purposes of this part, each drug included on the list published under subsection (a) with respect to an initial price applicability year shall be referred to as a ‘selected drug’ with respect to such year and each subsequent plan year beginning before the first plan year beginning after the date on which the Secretary determines two or more drug products—

“(1) are approved or licensed (as applicable)—

“(A) under section 505(j) of the Federal Food, Drug, and Cosmetic Act using such drug as the listed drug; or

“(B) under section 351(k) of the Public Health Service Act using such drug as the reference product; and

“(2) continue to be marketed.
“(d) NEGOTIATION-ELIGIBLE DRUG.—

“(1) IN GENERAL.—For purposes of this part, the term ‘negotiation-eligible drug’ means, with respect to the selected drug publication date with respect to an initial price applicability year, a qualifying single source drug, as defined in subsection (e), that meets any of the following criteria:

“(A) COVERED PART D DRUGS.—The drug is among the 125 covered part D drugs (as defined in section 1860D–2(e)) for which there was an estimated greatest net spending under parts C and D of title XVIII, as determined by the Secretary, during the most recent plan year prior to such drug publication date for which data are available.

“(B) OTHER DRUGS.—The drug is among the 125 drugs for which there was an estimated greatest net spending in the United States (including the 50 States, the District of Columbia, and the territories of the United States), as determined by the Secretary, during the most recent plan year prior to such drug publication date for which data are available.
“(C) INSULIN.—The drug is a qualifying single source drug described in subsection (e)(3).

“(2) CLARIFICATION.—In determining whether a qualifying single source drug satisfies any of the criteria described in paragraph (1), the Secretary shall, to the extent practicable, use data that is aggregated across dosage forms and strengths of the drug and not based on the specific formulation or package size or package type of the drug.

“(3) PUBLICATION.—Not later than the selected drug publication date with respect to an initial price applicability year, the Secretary shall publish in the Federal Register a list of negotiation-eligible drugs with respect to such selected drug publication date.

“(e) QUALIFYING SINGLE SOURCE DRUG.—For purposes of this part, the term ‘qualifying single source drug’ means any of the following:

“(1) DRUG PRODUCTS.—A drug that—

“(A) is approved under section 505(c) of the Federal Food, Drug, and Cosmetic Act and continues to be marketed pursuant to such approval; and
“(B) is not the listed drug for any drug
that is approved and continues to be marketed
under section 505(j) of such Act.
“(2) BIOLOGICAL PRODUCTS.—A biological
product that—
“(A) is licensed under section 351(a) of
the Public Health Service Act, including any
product that has been deemed to be licensed
under section 351 of such Act pursuant to sec-
tion 7002(e)(4) of the Biologies Price Competi-
tion and Innovation Act of 2009, and continues
to be marketed under section 351 of such Act;
and
“(B) is not the reference product for any
biological product that is licensed and continues
to be marketed under section 351(k) of such
Act.
“(3) INSULIN PRODUCT.—Notwithstanding
paragraphs (1) and (2), any insulin product that is
approved under subsection (c) or (j) of section 505
of the Federal Food, Drug, and Cosmetic Act or li-
censed under subsection (a) or (k) of section 351 of
the Public Health Service Act and continues to be
marketed under such section 505 or 351, including
any insulin product that has been deemed to be li-
16

1 censed under section 351(a) of the Public Health
2 Service Act pursuant to section 7002(e)(4) of the
3 Biologics Price Competition and Innovation Act of
4 2009 and continues to be marketed pursuant to such
5 licensure.
6 For purposes of applying paragraphs (1) and (2), a drug
7 or biological product that is marketed by the same sponsor
8 or manufacturer (or an affiliate thereof or a cross-licensed
9 producer or distributor) as the listed drug or reference
10 product described in such respective paragraph shall not
11 be taken into consideration.
12
13 “(f) INFORMATION ON INTERNATIONAL DRUG
14 PRICES.—For purposes of determining which negotiation-
15 eligible drugs to select under subsection (a) and, in the
16 case of such drugs that are selected drugs, to determine
17 the maximum fair price for such a drug and whether such
18 maximum fair price should be renegotiated under section
19 1194, the Secretary shall use data relating to the AIM
20 price with respect to such drug as available or provided
21 to the Secretary and shall on an ongoing basis request
22 from manufacturers of selected drugs information on the
23 AIM price of such a drug.
24 “(g) NEW-ENTRANT NEGOTIATION-ELIGIBLE
25 DRUGS.—
“(1) IN GENERAL.—For purposes of this part, the term ‘new-entrant negotiation-eligible drug’ means, with respect to the selected drug publication date with respect to an initial price applicability year, a qualifying single source drug—

“(A) that is first approved or licensed, as described in paragraph (1), (2), or (3) of subsection (e), as applicable, during the year preceding such selected drug publication date; and

“(B) that the Secretary determines under paragraph (2) is likely to be included as a negotiation-eligible drug with respect to the subsequent selected drug publication date.

“(2) DETERMINATION.—In the case of a qualifying single source drug that meets the criteria described in subparagraph (A) of paragraph (1), with respect to an initial price applicability year, if the wholesale acquisition cost at which such drug is first marketed in the United States is equal to or greater than the median household income (as determined according to the most recent data collected by the United States Census Bureau), the Secretary shall determine before the selected drug publication date with respect to the initial price applicability year, if the drug is likely to be included as a negotiation-eli-
gible drug with respect to the subsequent selected drug publication date, based on the projected spending under title XVIII or in the United States on such drug. For purposes of this paragraph the term ‘United States’ includes the 50 States, the District of Columbia, and the territories of the United States.

“SEC. 1193. MANUFACTURER AGREEMENTS.

“(a) In general.—For purposes of section 1191(a)(2), the Secretary shall enter into agreements with manufacturers of selected drugs with respect to a price applicability period, by not later than June 15 following the selected drug publication date with respect to such selected drug, under which—

“(1) during the voluntary negotiation period for the initial price applicability year for the selected drug, the Secretary and manufacturer, in accordance with section 1194, negotiate to determine (and, by not later than the last date of such period and in accordance with subsection (e), agree to) a maximum fair price for such selected drug of the manufacturer in order to provide access to such price—

“(A) to fair price eligible individuals who with respect to such drug are described in subparagraph (A) of section 1191(c)(1) and are
furnished or dispensed such drug during, subject to subparagraph (2), the price applicability period; and

“(B) to hospitals, physicians, and other providers of services and suppliers with respect to fair price eligible individuals who with respect to such drug are described in subparagraph (B) of such section and are furnished or administered such drug during, subject to subparagraph (2), the price applicability period;

“(2) the Secretary and the manufacturer shall, in accordance with a process and during a period specified by the Secretary pursuant to rulemaking, renegotiate (and, by not later than the last date of such period and in accordance with subsection (c), agree to) the maximum fair price for such drug if the Secretary determines that there is a material change in any of the factors described in section 1194(d) relating to the drug, including changes in the AIM price for such drug, in order to provide access to such maximum fair price (as so renegotiated)—

“(A) to fair price eligible individuals who with respect to such drug are described in subparagraph (A) of section 1191(c)(1) and are
furnished or dispensed such drug during any year during the price applicability period (beginning after such renegotiation) with respect to such selected drug; and

such drug all information that the Secretary requires to carry out the negotiation (or renegotiation process) under this part, including information described in section 1192(f) and section 1194(d)(1); and

“(B) on an ongoing basis, information on changes in prices for such drug that would affect the AIM price for such drug or otherwise provide a basis for renegotiation of the maximum fair price for such drug pursuant to paragraph (2);

“(5) the manufacturer agrees that in the case the selected drug of a manufacturer is a drug described in subsection (c), the manufacturer will, in accordance with such subsection, make any payment required under such subsection with respect to such drug; and

“(6) the manufacturer complies with requirements imposed by the Secretary for purposes of administering the program, including with respect to the duties described in section 1196.

“(b) AGREEMENT IN EFFECT UNTIL DRUG IS NO LONGER A SELECTED DRUG.—An agreement entered into under this section shall be effective, with respect to a drug,
until such drug is no longer considered a selected drug under section 1192(e).

“(c) SPECIAL RULE FOR CERTAIN SELECTED DRUGS WITHOUT AIM PRICE.—

“(1) IN GENERAL.—In the case of a selected drug for which there is no AIM price available with respect to the initial price applicability year for such drug and for which an AIM price becomes available beginning with respect to a subsequent plan year during the price applicability period for such drug, if the Secretary determines that the amount described in paragraph (2)(A) for a unit of such drug is greater than the amount described in paragraph (2)(B) for a unit of such drug, then by not later than one year after the date of such determination, the manufacturer of such selected drug shall pay to the Treasury an amount equal to the product of—

“(A) the difference between such amount described in paragraph (2)(A) for a unit of such drug and such amount described in paragraph (2)(B) for a unit of such drug; and

the United States, during the period described in paragraph (2)(B).

“(2) AMOUNTS DESCRIBED.—

“(A) WEIGHTED AVERAGE PRICE BEFORE AIM PRICE AVAILABLE.—For purposes of paragraph (1), the amount described in this subparagraph for a selected drug described in such paragraph, is the amount equal to the weighted average manufacturer price (as defined in section 1927(k)(1)) for such dosage strength and form for the drug during the period beginning with the first plan year for which the drug is included on the list of negotiation-eligible drugs published under section 1192(d) and ending with the last plan year during the price applicability period for such drug with respect to which there is no AIM price available for such drug.

“(B) AMOUNT MULTIPLIER AFTER AIM PRICE AVAILABLE.—For purposes of paragraph (1), the amount described in this subparagraph for a selected drug described in such paragraph, is the amount equal to 200 percent of the AIM price for such drug with respect to the first plan year during the price applicability period
for such drug with respect to which there is an AIM price available for such drug.

“(d) CONFIDENTIALITY OF INFORMATION.—Information submitted to the Secretary under this part by a manufacturer of a selected drug that is proprietary information of such manufacturer (as determined by the Secretary) may be used only by the Secretary or disclosed to and used by the Comptroller General of the United States or the Medicare Payment Advisory Commission for purposes of carrying out this part.

The Secretary shall verify, to the extent practicable,
such sales from appropriate officials of the government of the foreign country involved.

“(f) COMPLIANCE WITH REQUIREMENTS FOR ADMINISTRATION OF PROGRAM.—Each manufacturer with an agreement in effect under this section shall comply with requirements imposed by the Secretary or a third party with a contract under section 1196(c)(1), as applicable, for purposes of administering the program.

“SEC. 1194. NEOTIATION AND RENEGOTIATION PROCESS.

“(a) IN GENERAL.—For purposes of this part, under an agreement under section 1193 between the Secretary and a manufacturer of a selected drug, with respect to the period for which such agreement is in effect and in accordance with subsections (b) and (c), the Secretary and the manufacturer—

“(1) shall during the voluntary negotiation period with respect to the initial price applicability year for such drug, in accordance with this section, negotiate a maximum fair price for such drug for the purpose described in section 1193(a)(1); and

“(2) as applicable pursuant to section 1193(a)(2) and in accordance with the process specified pursuant to such section, renegotiate such maximum fair price for such drug for the purpose described in such section.
“(b) NEGOTIATING METHODOLOGY AND OBJECTIVE.—

“(1) IN GENERAL.—The Secretary shall develop and use a consistent methodology for negotiations under subsection (a) that, in accordance with paragraph (2) and subject to paragraph (3), achieves the lowest maximum fair price for each selected drug while appropriately rewarding innovation.

“(2) PRIORITIZING FACTORS.—In considering the factors described in subsection (d) in negotiating (and, as applicable, renegotiating) the maximum fair price for a selected drug, the Secretary shall, to the extent practicable, consider all of the available factors listed but shall prioritize the following factors:

“(A) RESEARCH AND DEVELOPMENT COSTS.—The factor described in paragraph (1)(A) of subsection (d).

“(B) MARKET DATA.—The factor described in paragraph (1)(B) of such subsection.

“(C) UNIT COSTS OF PRODUCTION AND DISTRIBUTION.—The factor described in paragraph (1)(C) of such subsection.

“(D) COMPARISON TO EXISTING THERAPEUTIC ALTERNATIVES.—The factor described in paragraph (2)(A) of such subsection.
“(3) REQUIREMENT.—

“(A) IN GENERAL.—In negotiating the maximum fair price of a selected drug, with respect to an initial price applicability year for the selected drug, and, as applicable, in renegotiating the maximum fair price for such drug, with respect to a subsequent year during the price applicability period for such drug, in the case that the manufacturer of the selected drug offers under the negotiation or renegotiation, as applicable, a price for such drug that is not more than the target price described in subparagraph (B) for such drug for the respective year, the Secretary shall agree under such negotiation or renegotiation, respectively, to such offered price as the maximum fair price.

“(B) TARGET PRICE.—

“(i) IN GENERAL.—Subject to clause (ii), the target price described in this subparagraph for a selected drug with respect to a year, is the average price (which shall be the net average price, if practicable, and volume-weighted, if practicable) for a unit of such drug for sales of such drug, as computed (across different dosage forms
and strengths of the drug and not based
on the specific formulation or package size
or package type of the drug) in the applic-
cable country described in section
1191(e)(3)(B) with respect to such drug
that, with respect to such year, has the
lowest average price for such drug as com-
pared to the average prices (as so com-
puted) of such drug with respect to such
year in the other applicable countries de-
scribed in such section with respect to such
drug.

“(ii) Selected drugs without AIM
price.—In applying this paragraph in the
case of negotiating the maximum fair price
of a selected drug for which there is no
AIM price available with respect to the ini-
tial price applicability year for such drug,
or, as applicable, renegotiating the max-
imum fair price for such drug with respect
to a subsequent year during the price ap-
plicability period for such drug before the
first plan year for which there is an AIM
price available for such drug, the target
price described in this subparagraph for
such drug and respective year is the amount that is 80 percent of the average manufacturer price (as defined in section 1927(k)(1)) for such drug and year.

“(4) A NNUAL REPORT.—After the completion of each voluntary negotiation period, the Secretary shall submit to Congress a report on the maximum fair prices negotiated (or, as applicable, renegotiated) for such period. Such report shall include information on how such prices so negotiated (or renegotiated) meet the requirements of this part, including the requirements of this subsection.

“(c) LIMITATION.—

“(1) I N GENERAL.—Subject to paragraph (2), the maximum fair price negotiated (including as renegotiated) under this section for a selected drug, with respect to each plan year during a price applicability period for such drug, shall not exceed 120 percent of the AIM price applicable to such drug with respect to such year.

“(2) S ELECTED DRUGS WITHOUT AIM PRICE.— In the case of a selected drug for which there is no AIM price available with respect to the initial price applicability year for such drug, for each plan year during the price applicability period before the first
plan year for which there is an AIM price available for such drug, the maximum fair price negotiated (including as renegotiated) under this section for the selected drug shall not exceed the amount equal to 85 percent of the average manufacturer price for the drug with respect to such year.

“(d) CONSIDERATIONS.—For purposes of negotiating and, as applicable, renegotiating (including for purposes of determining whether to renegotiate) the maximum fair price of a selected drug under this part with the manufacturer of the drug, the Secretary, consistent with subsection (b)(2), shall take into consideration the factors described in paragraphs (1), (2), (3), and (5), and may take into consideration the factor described in paragraph (4):

“(1) MANUFACTURER-SPECIFIC INFORMATION.—The following information, including as submitted by the manufacturer:

“(A) The extent to which the drug represents a therapeutic advance as compared to existing therapeutic alternatives and, to the extent such information is available, the costs of such existing therapeutic alternatives.

“(B) Information on approval by the Food and Drug Administration of alternative drug products.

“(C) Information on comparative effectiveness analysis for such products, taking into consideration the effects of such products on specific populations, such as individuals with
disabilities, the elderly, terminally ill, children, and other patient populations.
