H. RES.

Establishing the Select Committee to Investigate the January 6th Attack on the United States Capitol.

RESOLUTION

Establishing the Select Committee to Investigate the January 6th Attack on the United States Capitol.

Whereas January 6, 2021, was one of the darkest days of our democracy, during which insurrectionists attempted to impede Congress’s Constitutional mandate to validate the presidential election and launched an assault on the United States Capitol Complex that resulted in multiple deaths, physical harm to over 140 members of law enforcement, and terror and trauma among staff, institutional employees, press, and Members;

Whereas on January 27, 2021, the Department of Homeland Security issued a National Terrorism Advisory System Bulletin that due to the “heightened threat environment
across the United States,” in which “[S]ome ideologically-motivated violent extremists with objections to the exercise of governmental authority and the presidential transition, as well as other perceived grievances fueled by false narratives, could continue to mobilize to incite or commit violence.” The Bulletin also stated that—

(1) “DHS is concerned these same drivers to violence will remain through early 2021 and some DVEs [domestic violent extremists] may be emboldened by the January 6, 2021 breach of the U.S. Capitol Building in Washington, D.C. to target elected officials and government facilities.”; and

(2) “Threats of violence against critical infrastructure, including the electric, telecommunications and healthcare sectors, increased in 2020 with violent extremists citing misinformation and conspiracy theories about COVID–19 for their actions”;

Whereas on September 24, 2020, Director of the Federal Bureau of Investigation Christopher Wray testified before the Committee on Homeland Security of the House of Representatives that—

(1) “[T]he underlying drivers for domestic violent extremism – such as perceptions of government or law enforcement overreach, sociopolitical conditions, racism, anti-Semitism, Islamophobia, misogyny, and reactions to legislative actions – remain constant.”; and

(2) “[W]ithin the domestic terrorism bucket category as a whole, racially-motivated violent extremism is, I think, the biggest bucket within the larger group. And within the racially-motivated violent extremists bucket, people subscribing to some kind of white supremacist-type ideology is certainly the biggest chunk of that.”; and
(3) “More deaths were caused by DVEs than international terrorists in recent years. In fact, 2019 was the deadliest year for domestic extremist violence since the Oklahoma City bombing in 1995”;

Whereas on April 15, 2021, Michael Bolton, the Inspector General for the United States Capitol Police, testified to the Committee on House Administration of the House of Representatives that—

(1) “The Department lacked adequate guidance for operational planning. USCP did not have policy and procedures in place that communicated which personnel were responsible for operational planning, what type of operational planning documents its personnel should prepare, nor when its personnel should prepare operational planning documents.”; and

(2) “USCP failed to disseminate relevant information obtained from outside sources, lacked consensus on interpretation of threat analyses, and disseminated conflicting intelligence information regarding planned events for January 6, 2021.”; and

Whereas the security leadership of the Congress under-prepared for the events of January 6th, with United States Capitol Police Inspector General Michael Bolton testifying again on June 15, 2021, that—

(1) “USCP did not have adequate policies and procedures for FRU (First Responder Unit) defining its overall operations. Additionally, FRU lacked resources and training for properly completing its mission.”;

(2) “The Department did not have adequate policies and procedures for securing ballistic helmets and vests strategically stored around the Capitol Complex.”; and
(3) “FRU did not have the proper resources to complete its mission.”: Now, therefore, be it

Resolved,
