SECTION 1. SHORT TITLE.

This Act may be cited as the “Cyber Intelligence Sharing and Protection Act”.

SEC. 2. CYBER THREAT INTELLIGENCE AND INFORMATION SHARING.

(a) IN GENERAL.—Title XI of the National Security Act of 1947 (50 U.S.C. 442 et seq.) is amended by adding at the end the following new section:

“CYBER THREAT INTELLIGENCE AND INFORMATION SHARING

“Sec. 1104. (a) INTELLIGENCE COMMUNITY SHARING OF CYBER THREAT INTELLIGENCE WITH PRIVATE SECTOR AND UTILITIES.—

“(1) IN GENERAL.—The Director of National Intelligence shall establish procedures to allow elements of the intelligence community to share cyber threat intelligence with private-sector entities and
utilities and to encourage the sharing of such intelligence.

“(2) SHARING AND USE OF CLASSIFIED INTELLIGENCE.—The procedures established under paragraph (1) shall provide that classified cyber threat intelligence may only be—

“(A) shared by an element of the intelligence community with—

“(i) certified entities; or

“(ii) a person with an appropriate security clearance to receive such cyber threat intelligence;

“(B) shared consistent with the need to protect the national security of the United States; and

“(C) used by a certified entity in a manner which protects such cyber threat intelligence from unauthorized disclosure.

“(3) SECURITY CLEARANCE APPROVALS.—The Director of National Intelligence shall issue guidelines providing that the head of an element of the intelligence community may, as the head of such element considers necessary to carry out this subsection—
“(A) grant a security clearance on a temporary or permanent basis to an employee or officer of a certified entity;

“(B) grant a security clearance on a temporary or permanent basis to a certified entity and approval to use appropriate facilities; and

“(C) expedite the security clearance process for a person or entity as the head of such element considers necessary, consistent with the need to protect the national security of the United States.

“(4) NO RIGHT OR BENEFIT.—The provision of information to a private-sector entity or a utility under this subsection shall not create a right or benefit to similar information by such entity or such utility or any other private-sector entity or utility.

“(5) RESTRICTION ON DISCLOSURE OF CYBER THREAT INTELLIGENCE.—Notwithstanding any other provision of law, a certified entity receiving cyber threat intelligence pursuant to this subsection shall not further disclose such cyber threat intelligence to another entity, other than to a certified entity or other appropriate agency or department of the Federal Government authorized to receive such cyber threat intelligence.
“(b) USE OF CYBERSECURITY SYSTEMS AND SHARING OF CYBER THREAT INFORMATION.—

“(1) IN GENERAL.—

“(A) CYBERSECURITY PROVIDERS.—Notwithstanding any other provision of law, a cybersecurity provider, with the express consent of a protected entity for which such cybersecurity provider is providing goods or services for cybersecurity purposes, may, for cybersecurity purposes—

“(i) use cybersecurity systems to identify and obtain cyber threat information to protect the rights and property of such protected entity; and

“(ii) share such cyber threat information with any other entity designated by such protected entity, including, if specifically designated, the Federal Government.

“(B) SELF-PROTECTED ENTITIES.—Notwithstanding any other provision of law, a self-protected entity may, for cybersecurity purposes—

“(i) use cybersecurity systems to identify and obtain cyber threat information to
protect the rights and property of such
self-protected entity; and

“(ii) share such cyber threat informa-
tion with any other entity, including the
Federal Government.

“(2) SHARING WITH THE FEDERAL GOVERN-
MENT.—

“(A) INFORMATION SHARED WITH THE
NATIONAL CYBERSECURITY AND COMMUNICA-
TIONS INTEGRATION CENTER OF THE DEPART-
MENT OF HOMELAND SECURITY.—Subject to
the use and protection of information require-
ments under paragraph (3), the head of a de-
partment or agency of the Federal Government
receiving cyber threat information in accordance
with paragraph (1) shall provide such cyber
threat information to the National Cybersecu-
rity and Communications Integration Center of
the Department of Homeland Security.

“(B) REQUEST TO SHARE WITH ANOTHER
DEPARTMENT OR AGENCY OF THE FEDERAL
GOVERNMENT.—An entity sharing cyber threat
information that is provided to the National Cy-
bersecurity and Communications Integration
Center of the Department of Homeland Secu-
rity under subparagraph (A) or paragraph (1) may request the head of such Center to, and the head of such Center may, provide such information to another department or agency of the Federal Government.

“(3) USE AND PROTECTION OF INFORMATION.—Cyber threat information shared in accordance with paragraph (1)—

“(A) shall only be shared in accordance with any restrictions placed on the sharing of such information by the protected entity or self-protected entity authorizing such sharing, including appropriate anonymization or minimization of such information;

“(B) may not be used by an entity to gain an unfair competitive advantage to the detriment of the protected entity or the self-protected entity authorizing the sharing of information;

“(C) if shared with the Federal Government—

“(i) shall be exempt from disclosure under section 552 of title 5, United States Code;
“(ii) shall be considered proprietary information and shall not be disclosed to an entity outside of the Federal Government except as authorized by the entity sharing such information;

“(iii) shall not be used by the Federal Government for regulatory purposes;

“(iv) shall not be provided by the department or agency of the Federal Government receiving such cyber threat information to another department or agency of the Federal Government under paragraph (2)(A) if—

“(I) the entity providing such information determines that the provision of such information will undermine the purpose for which such information is shared; or

“(II) unless otherwise directed by the President, the head of the department or agency of the Federal Government receiving such cyber threat information determines that the provision of such information will under-
mine the purpose for which such in-
formation is shared; and

“(v) shall be handled by the Federal
Government consistent with the need to
protect sources and methods and the na-
tional security of the United States; and

“(D) shall be exempt from disclosure
under a State, local, or tribal law or regulation
that requires public disclosure of information by
a public or quasi-public entity.

“(4) EXEMPTION FROM LIABILITY.—No civil or
criminal cause of action shall lie or be maintained in
Federal or State court against a protected entity,
self-protected entity, cybersecurity provider, or an
officer, employee, or agent of a protected entity, self-
protected entity, or cybersecurity provider, acting in
good faith—

“(A) for using cybersecurity systems or
sharing information in accordance with this sec-
tion; or

“(B) for decisions made based on cyber
threat information identified, obtained, or
shared under this section.

“(5) RELATIONSHIP TO OTHER LAWS REQUIR-
ing the disclosure of information.—The sub-
mission of information under this subsection to the
Federal Government shall not satisfy or affect any
requirement under any other provision of law for a
person or entity to provide information to the Fed-
eral Government.

“(c) FEDERAL GOVERNMENT USE OF INFORMA-
TION.—

“(1) LIMITATION.—The Federal Government
may use cyber threat information shared with the
Federal Government in accordance with subsection
(b) for any lawful purpose only if—

“(A) the use of such information is not for
a regulatory purpose; and

“(B) at least one significant purpose of the
use of such information is—

“(i) a cybersecurity purpose; or

“(ii) the protection of the national se-
curity of the United States.

“(2) AFFIRMATIVE SEARCH RESTRICTION.—
The Federal Government may not affirmatively
search cyber threat information shared with the
Federal Government under subsection (b) for a pur-
pose other than a purpose referred to in paragraph
(1)(B).
“(3) ANTI-TASKING RESTRICTION.—Nothing in this section shall be construed to permit the Federal Government to—

“(A) require a private-sector entity to share information with the Federal Government; or

“(B) condition the sharing of cyber threat intelligence with a private-sector entity on the provision of cyber threat information to the Federal Government.

“(d) FEDERAL GOVERNMENT LIABILITY FOR VIOLATIONS OF RESTRICTIONS ON THE DISCLOSURE, USE, AND PROTECTION OF VOLUNTARILY SHARED INFORMATION.—

“(1) IN GENERAL.—If a department or agency of the Federal Government intentionally or willfully violates subsection (b)(3)(C) or subsection (c) with respect to the disclosure, use, or protection of voluntarily shared cyber threat information shared under this section, the United States shall be liable to a person adversely affected by such violation in an amount equal to the sum of—

“(A) the actual damages sustained by the person as a result of the violation or $1,000, whichever is greater; and
“(B) the costs of the action together with reasonable attorney fees as determined by the court.

“(2) VENUE.—An action to enforce liability created under this subsection may be brought in the district court of the United States in—

“(A) the district in which the complainant resides;

“(B) the district in which the principal place of business of the complainant is located;

“(C) the district in which the department or agency of the Federal Government that disclosed the information is located; or

“(D) the District of Columbia.

“(3) STATUTE OF LIMITATIONS.—No action shall lie under this subsection unless such action is commenced not later than two years after the date of the violation of subsection (b)(3)(C) or subsection (c) that is the basis for the action.

“(4) EXCLUSIVE CAUSE OF ACTION.—A cause of action under this subsection shall be the exclusive means available to a complainant seeking a remedy for a violation of subsection (b)(3)(C) or subsection (c).

“(e) REPORT ON INFORMATION SHARING.—
“(1) REPORT.—The Inspector General of the Intelligence Community shall annually submit to the congressional intelligence committees a report containing a review of the use of information shared with the Federal Government under this section, including—

“(A) a review of the use by the Federal Government of such information for a purpose other than a cybersecurity purpose;

“(B) a review of the type of information shared with the Federal Government under this section;

“(C) a review of the actions taken by the Federal Government based on such information;

“(D) appropriate metrics to determine the impact of the sharing of such information with the Federal Government on privacy and civil liberties, if any;

“(E) a review of the sharing of such information within the Federal Government to identify inappropriate stovepiping of shared information; and

“(F) any recommendations of the Inspector General for improvements or modifications to the authorities under this section.
“(2) Form.—Each report required under paragraph (1) shall be submitted in unclassified form, but may include a classified annex.

“(f) Federal Preemption.—This section supersedes any statute of a State or political subdivision of a State that restricts or otherwise expressly regulates an activity authorized under subsection (b).

“(g) Savings Clauses.—

“(1) Existing Authorities.—Nothing in this section shall be construed to limit any other authority to use a cybersecurity system or to identify, obtain, or share cyber threat intelligence or cyber threat information.

“(2) Limitation on Military and Intelligence Community Involvement in Private and Public Sector Cybersecurity Efforts.—Nothing in this section shall be construed to provide additional authority to, or modify an existing authority of, the Department of Defense or the National Security Agency or any other element of the intelligence community to control, modify, require, or otherwise direct the cybersecurity efforts of a private-sector entity or a component of the Federal Government or a State, local, or tribal government.
“(3) INFORMATION SHARING RELATIONSHIPS.—Nothing in this section shall be construed to—

“(A) limit or modify an existing information sharing relationship;

“(B) prohibit a new information sharing relationship;

“(C) require a new information sharing relationship between the Federal Government and a private-sector entity; or

“(D) modify the authority of a department or agency of the Federal Government to protect sources and methods and the national security of the United States.

“(h) DEFINITIONS.—In this section:

“(1) CERTIFIED ENTITY.—The term ‘certified entity’ means a protected entity, self-protected entity, or cybersecurity provider that—

“(A) possesses or is eligible to obtain a security clearance, as determined by the Director of National Intelligence; and

“(B) is able to demonstrate to the Director of National Intelligence that such provider or such entity can appropriately protect classified cyber threat intelligence.
‘cyber threat information’ means information directly pertaining to a vulnerability of, or threat to, a system or network of a government or private entity, including information pertaining to the protection of a system or network from—

‘(A) efforts to degrade, disrupt, or destroy such system or network; or

‘(B) efforts to gain unauthorized access to a system or network, including efforts to gain such unauthorized access to steal or misappropriate private or government information.

‘(3) Cyber threat intelligence.—The term ‘cyber threat intelligence’ means information in the possession of an element of the intelligence community directly pertaining to a vulnerability of, or threat to, a system or network of a government or private entity, including information pertaining to the protection of a system or network from—

‘(A) efforts to degrade, disrupt, or destroy such system or network; or

‘(B) efforts to gain unauthorized access to a system or network, including efforts to gain such unauthorized access to steal or misappropriate private or government information.
“(4) CYBERSECURITY PROVIDER.—The term ‘cybersecurity provider’ means a non-governmental entity that provides goods or services intended to be used for cybersecurity purposes.

“(5) CYBERSECURITY PURPOSE.—The term ‘cybersecurity purpose’ means the purpose of ensuring the integrity, confidentiality, or availability of, or safeguarding, a system or network, including protecting a system or network from—

“(A) efforts to degrade, disrupt, or destroy such system or network; or

“(B) efforts to gain unauthorized access to a system or network, including efforts to gain such unauthorized access to steal or misappropriate private or government information.

“(6) CYBERSECURITY SYSTEM.—The term ‘cybersecurity system’ means a system designed or employed to ensure the integrity, confidentiality, or availability of, or safeguard, a system or network, including protecting a system or network from—

“(A) efforts to degrade, disrupt, or destroy such system or network; or

“(B) efforts to gain unauthorized access to a system or network, including efforts to gain
such unauthorized access to steal or misappropriate private or government information.

“(7) PROTECTED ENTITY.—The term ‘protected entity’ means an entity, other than an individual, that contracts with a cybersecurity provider for goods or services to be used for cybersecurity purposes.

“(8) SELF-PROTECTED ENTITY.—The term ‘self-protected entity’ means an entity, other than an individual, that provides goods or services for cybersecurity purposes to itself.

“(9) UTILITY.—The term ‘utility’ means an entity providing essential services (other than law enforcement or regulatory services), including electricity, natural gas, propane, telecommunications, transportation, water, or wastewater services.’’.

(b) PROCEDURES AND GUIDELINES.—The Director of National Intelligence shall—

(1) not later than 60 days after the date of the enactment of this Act, establish procedures under paragraph (1) of section 1104(a) of the National Security Act of 1947, as added by subsection (a) of this section, and issue guidelines under paragraph (3) of such section 1104(a);
(2) in establishing such procedures and issuing such guidelines, consult with the Secretary of Homeland Security to ensure that such procedures and such guidelines permit the owners and operators of critical infrastructure to receive all appropriate cyber threat intelligence (as defined in section 1104(h)(3) of such Act, as added by subsection (a)) in the possession of the Federal Government; and

(3) following the establishment of such procedures and the issuance of such guidelines, expeditiously distribute such procedures and such guidelines to appropriate departments and agencies of the Federal Government, private-sector entities, and utilities (as defined in section 1104(h)(9) of such Act, as added by subsection (a)).

(c) INITIAL REPORT.—The first report required to be submitted under subsection (e) of section 1104 of the National Security Act of 1947, as added by subsection (a) of this section, shall be submitted not later than one year after the date of the enactment of this Act.

(d) TABLE OF CONTENTS AMENDMENT.—The table of contents in the first section of the National Security Act of 1947 is amended by adding at the end the following new item:

"Sec. 1104. Cyber threat intelligence and information sharing."
