R E P O R T

[To accompany H. Res. __]

The Committee on Rules, having had under consideration House Resolution
____, by a record vote of 8 to 4, report the same to the House with the
recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate amendments to H.R. 6172, the USA FREEDOM Reauthorization Act of 2020. The resolution makes in order a single motion offered by the chair of the Committee on the Judiciary or his designee that the House concur in the Senate amendments. The resolution waives all points of order against consideration of the motion and provides that it shall not be subject to a demand for division of the question. The resolution provides that the Senate amendments and the motion shall be considered as read. The resolution provides one hour of debate on the motion equally divided among and controlled by the chair and ranking minority member of the Committee on the Judiciary and the chair and ranking minority member of the Permanent Select Committee on Intelligence. The resolution provides that any motion pursuant to clause 4 of rule XXII relating to H.R. 6172 may be offered only by the Majority Leader or his designee. The resolution provides that if a veto message is laid before the House on H.J. Res. 76, then after the message is read, further consideration of the veto message and the joint resolution shall be postponed until the legislative day of Wednesday, July 1, 2020; and on that legislative day, the House shall proceed to reconsideration and dispose of such question without intervening motion.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the motion and the Senate amendments, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
