113th Congress
1st Session

H. Res. __

H.R. 2728 - Protecting States' Rights to Promote American Energy Security Act

2. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources.
3. Waives all points of order against consideration of the bill.
4. Provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113-26 shall be considered as adopted and the bill, as amended, shall be considered as read.
5. Waives all points of order against provisions in the bill, as amended.
6. Makes in order only those further amendments printed in part A of the Rules Committee report. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question.
7. Waives all points of order against the amendments printed in part A of the report.
8. Provides one motion to recommit with or without instructions.
10. Provides one hour of general debate, with 40 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources and 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Science, Space, and Technology.
11. Waives all points of order against consideration of the bill.
12. Provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113-27 shall be considered as adopted and the bill, as amended, shall be considered as read.

13. Waives all points of order against provisions in the bill, as amended.

14. Makes in order only those further amendments printed in part B of the Rules Committee report. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question.

15. Waives all points of order against the amendments printed in part B of the report.

16. Provides one motion to recommit with or without instructions.

RESOLUTION

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1965) to streamline and ensure onshore energy permitting, provide for onshore leasing certainty, and give certainty to oil shale development for American energy security, economic development, and job creation, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and amendments specified in this section and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment in the nature of a substitute recommended by the Committee on Natural Resources now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113-26 shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule and shall be considered as read. All points of order against provisions in the bill, as amended, are waived. No further amendment to the bill, as amended, shall be in order except those printed in part A of the report of the Committee on Rules accompanying this resolution. Each such further amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and
an opponent, shall not be subject to amendment, and shall not be subject to a
demand for division of the question in the House or in the Committee of the Whole.
All points of order against such further amendments are waived. At the conclusion of
consideration of the bill for amendment the Committee shall rise and report the bill,
as amended, to the House with such further amendments as may have been adopted.
The previous question shall be considered as ordered on the bill, as amended, and
any further amendment thereto to final passage without intervening motion except
one motion to recommit with or without instructions.

Sec. 2. At any time after adoption of this resolution the Speaker may,
pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee
of the Whole House on the state of the Union for consideration of the bill (H.R. 2728)
to recognize States' authority to regulate oil and gas operations and promote
American energy security, development, and job creation. The first reading of the bill
shall be dispensed with. All points of order against consideration of the bill are
waived. General debate shall be confined to the bill and amendments specified in
this section and shall not exceed one hour, with 40 minutes equally divided and
controlled by the chair and ranking minority member of the Committee on Natural
Resources and 20 minutes equally divided and controlled by the chair and ranking
minority member of the Committee on Science, Space, and Technology. After general
debate the bill shall be considered for amendment under the five-minute rule. In lieu
of the amendment in the nature of a substitute recommended by the Committee on
Natural Resources now printed in the bill, an amendment in the nature of a
substitute consisting of the text of Rules Committee Print 113-27 shall be considered
as adopted in the House and in the Committee of the Whole. The bill, as amended,
shall be considered as the original bill for the purpose of further amendment under
the five-minute rule and shall be considered as read. All points of order against
provisions in the bill, as amended, are waived. No further amendment to the bill, as
amended, shall be in order except those printed in part B of the report of the
Committee on Rules accompanying this resolution. Each such further amendment
may be offered only in the order printed in the report, may be offered only by a
Member designated in the report, shall be considered as read, shall be debatable for
the time specified in the report equally divided and controlled by the proponent and
an opponent, shall not be subject to amendment, and shall not be subject to a
demand for division of the question in the House or in the Committee of the Whole.
All points of order against such further amendments are waived. At the conclusion of
consideration of the bill for amendment the Committee shall rise and report the bill,
as amended, to the House with such further amendments as may have been adopted.
The previous question shall be considered as ordered on the bill, as amended, and
any further amendment thereto to final passage without intervening motion except
one motion to recommit with or without instructions.
