RESOLUTION

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1644) to restore the open internet order of the Federal Communications Commission. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of Rules Committee Print 116-
10. That amendment in the nature of a substitute shall be considered as read. All points of order against that amendment in the nature of a substitute are waived. No amendment to that amendment in the nature of a substitute shall be in order except those printed in part A of the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

Sec. 2. At any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2021) to amend the Balanced Budget and Emergency Deficit Control Act of 1985 and to establish a congressional budget for fiscal year 2020. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on the Budget. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of Rules Committee Print 116-11. That amendment in the nature of a substitute shall be considered as read. All points of order against that amendment in the nature of a substitute are waived. No amendment to that amendment in the nature of a substitute shall be in order except those printed in part B of the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House
on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

Sec. 3. House Resolution 293 is hereby adopted.

Sec. 4. On any legislative day during the period from April 11, 2019, through April 26, 2019 --

(a) the Journal of the proceedings of the previous day shall be considered as approved; and

(b) the Chair may at any time declare the House adjourned to meet at a date and time, within the limits of clause 4, section 5, article I of the Constitution, to be announced by the Chair in declaring the adjournment.

Sec. 5. The Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 4 of this resolution as though under clause 8(a) of rule I.

Sec. 6. Each day during the period addressed by section 4 of this resolution shall not constitute a calendar day for purposes of section 7 of the War Powers Resolution (50 U.S.C. 1546).

Sec. 7. Each day during the period addressed by section 4 of this resolution shall not constitute a legislative day for purposes of clause 7 of rule XIII.

3. Waters (CA)  #8 Directs the Comptroller General of the United States to submit a report to Congress examining the importance of 2015 Open Internet Order to ethnic and racial minorities, socioeconomically disadvantaged groups, rural populations, individuals with disabilities, and the elderly. (10 minutes)

4. Delgado (NY)  #1 Requires GAO to produce a report, within 1 year, reviewing the benefits to consumers of broadband internet access providers offering broadband internet access service on a standalone basis and what steps Congress can take to increase the availability of standalone broadband internet access service to consumers, particularly those living in rural areas. (10 minutes)

5. Porter (CA)  #4 Requires the FCC to submit a report, within 1 year of enactment, to the Committees of Jurisdiction that describes all enforcement actions taken since enactment by the FCC with respect to persons engaged in the provision of broadband Internet access service, including the amount of each fine imposed or settlement agreed to, the actions taken by the FCC to collect such fines and settlements, and the amounts collected for such fines and settlements. (10 minutes)

6. Wexton (VA)  #5 Requires the Federal Communications Commission to submit to Congress within 30 days a plan for how the Commission will evaluate and address problems with the collection on Form 477 of data regarding the deployment of broadband Internet access service. Form 477 is used by the FCC to determine which providers are servicing which areas and it is the government’s main source of data used for identifying underserved areas of opportunity. (10 minutes)

7. Davids (KS)  #6 Requires that within 1 year of enactment, the GAO shall produce a report examining the FCC’s efforts to assess competition in the wireline and wireless broadband internet access markets, and how the FCC can better assess competition, and what steps, if any the FCC can take to better increase competition in the wireless and wireline broadband internet access
markets.

8. Stanton (AZ) #10 Directs the Chairman of the Federal Communications Commission to engage tribal stakeholders and providers to ensure accessible and affordable broadband on tribal lands.

9. Trone (MD) #16 (LATE) (REVISED) Finds that annual FCC reports on the state of broadband deployment are important to fostering further deployment and that Congress relies on the accuracy of these reports. Requires that 1) the FCC may not release such a report based on information it knows to be inaccurate and 2) the Commission use its best efforts to ensure all future reports are accurate and to correct past inaccuracies prior to the report’s release.

10. Brindisi (NY) #3 (REVISED) Requires the GAO to produce a report about the ways in which the U.S. government can promote the deployment of broadband Internet access service, especially to rural areas and areas currently unserved by high-speed broadband access.

11. Spanberger (VA) #12 (REVISED) Requires the GAO to determine the accuracy and granularity of broadband maps produced by the FCC, and to submit to Congress a report that identifies programs and actions restored under 2(b) that rely on these maps and that makes recommendations for how the FCC can produce more accurate maps.

12. McAdams (UT) #18 (LATE) Affirms that ISPs can still block unlawful content, such as child pornography or copyright-infringing materials.
