27. Provides that proceedings may be postponed through July 15, 2022, on measures that were the object of motions to suspend the rules on the legislative days of June 21, 2022, June 22, 2022, June 23, 2022, or June 24, 2022, and on which the yeas and nays were ordered.

RESOLUTION

Resolved, That upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 4176) to improve Federal population surveys by requiring the collection of voluntary, self-disclosed information on sexual orientation and gender identity in certain surveys, and for other purposes. All points of order against consideration of the bill are waived. In lieu of the amendment in the nature of a substitute recommended by the Committee on Oversight and Reform now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 117–52, modified by the amendment printed in part A of the report of the Committee on Rules accompanying this resolution, shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Oversight and Reform or their respective designees; (2) the further amendments described in section 2 of this resolution; and (3) one motion to recommit.

Sec. 2. After debate pursuant to the first section of this resolution, each further amendment printed in part B of the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before the question is put thereon, shall not be subject to amendment, and
shall not be subject to a demand for division of the question. All points of order against the further amendments printed in part B of the report of the Committee on Rules are waived.

Sec. 3. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 5585) to establish the Advanced Research Projects Agency-Health, and for other purposes. All points of order against consideration of the bill are waived. The amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees; (2) the further amendment printed in part C of the report of the Committee on Rules accompanying this resolution, if offered by the Member designated in the report, which shall be in order without intervention of any point of order, shall be considered as read, shall be separately debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, and shall not be subject to a demand for division of the question; and (3) one motion to recommit.

Sec. 4. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 7666) to amend the Public Health Service Act to reauthorize certain programs relating to mental health and substance use disorders, and for other purposes. All points of order against consideration of the bill are waived. In lieu of the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 117–51, modified by the amendment printed in part D of the report of the Committee on Rules accompanying this resolution, shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees; (2) the further amendments described in section 5 of this resolution; (3) the amendments en bloc described in section 6 of this resolution; and (4) one motion to recommit.

Sec. 5. After debate pursuant to section 4 of this resolution, each further amendment printed in part E of the report of the Committee on Rules not earlier considered as part of amendments en bloc pursuant to section 6 of this
resolution shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before the question is put thereon, shall not be subject to amendment, and shall not be subject to a demand for division of the question.

Sec. 6. It shall be in order at any time after debate pursuant to section 4 of this resolution for the chair of the Committee on Energy and Commerce or his designee to offer amendments en bloc consisting of further amendments printed in part E of the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question.

Sec. 7. All points of order against the further amendments printed in part E of the report of the Committee on Rules or amendments en bloc described in section 6 of this resolution are waived.

Sec. 8. House Resolution 188, agreed to March 8, 2021 (as most recently amended by House Resolution 1170, agreed to June 14, 2022), is amended by striking “June 22, 2022” each place it appears and inserting (in each instance) “July 13, 2022”.

Sec. 9. Notwithstanding clause 8 of rule XX, further proceedings on a vote by the yeas and nays on the question of adoption of a motion that the House suspend the rules offered on the legislative day of June 21, 2022, June 22, 2022, June 23, 2022, or June 24, 2022, may be postponed through the legislative day of July 15, 2022.
