The Chair shall put the question on any such motion without debate or intervening motion, and the ordering of the yeas and nays on postponed motions to suspend the rules with respect to such measures is vacated.

26. Provides that House Resolution 1230 is hereby adopted.

27. Provides that clause 7 of rule XIII shall not apply to any resolution introduced prior to the date of adoption of this resolution.

RESOLUTION

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 8294) making appropriations for the Departments of Transportation, and Housing and Urban Development, and related agencies for the fiscal year ending September 30, 2023, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees. After general debate the bill shall be considered for amendment under the five-minute rule. An amendment in the nature of a substitute consisting of the text of Rules Committee Print 117-55 shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule and shall be considered as read. Points of order against provisions in the bill, as amended, for failure to comply with clause 2 or clause 5(a) of rule XXI are waived.

Sec. 2. (a) No further amendment to the bill, as amended, shall be in order except those printed in part A of the report of the Committee on Rules accompanying this resolution considered pursuant to subsection (b), amendments en bloc described in section 3 of this resolution, and pro forma amendments described in section 4 of this resolution. (b) Each further amendment printed in part A of the report of the Committee on Rules not earlier considered as part of amendments en bloc pursuant to section 3 of this resolution shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read,
shall be debatable for the time specified in the report equally divided and
controlled by the proponent and an opponent, may be withdrawn by the
proponent at any time before action thereon, shall not be subject to amendment
except as provided by section 4 of this resolution, and shall not be subject to a
demand for division of the question in the House or in the Committee of the
Whole. (c) All points of order against further amendments printed in part A of
the report of the Committee on Rules or against amendments en bloc described
in section 3 of this resolution are waived.

Sec. 3. It shall be in order at any time for the chair of the Committee on
Appropriations or her designee to offer amendments en bloc consisting of
further amendments printed in part A of the report of the Committee on Rules
accompanying this resolution not earlier disposed of. Amendments en bloc
offered pursuant to this section shall be considered as read, shall be debatable
for 30 minutes equally divided and controlled by the chair and ranking minority
member of the Committee on Appropriations or their respective designees, shall
not be subject to amendment except as provided by section 4 of this resolution,
and shall not be subject to a demand for division of the question in the House or
in the Committee of the Whole.

Sec. 4. During consideration of the bill for amendment, the chair and
ranking minority member of the Committee on Appropriations or their
respective designees may offer up to 5 pro forma amendments each at any point
for the purpose of debate.

Sec. 5. At the conclusion of consideration of the bill for amendment the
Committee shall rise and report the bill, as amended, to the House with such
further amendments as may have been adopted. In the case of sundry further
amendments reported from the Committee, the question of their adoption shall
be put to the House en gros and without division of the question. The previous
question shall be considered as ordered on the bill and amendments thereto to
final passage without intervening motion except one motion to recommit.

Sec. 6. During consideration of H.R. 8294, the Chair may entertain a
motion that the Committee rise only if offered by the chair of the Committee on
Appropriations or her designee. The Chair may not entertain a motion to strike
out the enacting words of the bill (as described in clause 9 of rule XVIII).

Sec. 7. Upon adoption of this resolution it shall be in order to consider in
the House the bill (H.R. 8373) to protect a person’s ability to access
contraceptives and to engage in contraception, and to protect a health care
provider's ability to provide contraceptives, contraception, and information
related to contraception. All points of order against consideration of the bill are
waived. The amendment printed in part B of the report of the Committee on
Rules accompanying this resolution shall be considered as adopted. The bill, as
amended, shall be considered as read. All points of order against provisions in
the bill, as amended, are waived. The previous question shall be considered as
ordered on the bill, as amended, and on any further amendment thereto, to final
passage without intervening motion except: (1) one hour of debate equally
divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees; and (2) one motion to recommit.

Sec. 8. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 8404) to repeal the Defense of Marriage Act and ensure respect for State regulation of marriage, and for other purposes. All points of order against consideration of the bill are waived. The bill shall be considered as read. All points of order against provisions in the bill are waived. The previous question shall be considered as ordered on the bill and on any further amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary or their respective designees; and (2) one motion to recommit.

Sec. 9. (a) At any time through the legislative day of Thursday, July 21, 2022, the Speaker may entertain motions offered by the Majority Leader or a designee that the House suspend the rules as though under clause 1 of rule XV with respect to multiple measures described in subsection (b), and the Chair shall put the question on any such motion without debate or intervening motion. (b) A measure referred to in subsection (a) includes any measure that was the object of a motion to suspend the rules on the legislative day of July 18, 2022, in the form as so offered, on which the yeas and nays were ordered and further proceedings postponed pursuant to clause 8 of rule XX. (c) Upon the offering of a motion pursuant to subsection (a) concerning multiple measures, the ordering of the yeas and nays on postponed motions to suspend the rules with respect to such measures is vacated to the end that all such motions are considered as withdrawn.

Sec. 10. House Resolution 1230 is hereby adopted.

Sec. 11. Clause 7 of rule XIII shall not apply to any resolution introduced prior to the date of adoption of this resolution.
