

H. Res. ____

H.R. 8800 - National Defense Authorization Act for Fiscal Year 2027

H.R. 8884 - Removing Barriers to Work for Disabled Americans Act

H. Con. Res. 113 - Establishing the congressional budget for the United States Government for fiscal year 2027 and setting forth the appropriate budgetary levels for fiscal years 2028 through 2036.

H.R. 7008 - Stop Insider Trading Act

H.R. 6955 - Main Street Capital Access Act

H.R. 9770 - Continuing Appropriations Act, 2027

1. Structured rule for H.R. 8800.
2. Waives all points of order against consideration of the bill.
3. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Armed Services or their respective designees.
4. Provides that in lieu of the amendment in the nature of a substitute recommended by the Committee on Armed Services now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119-33 shall be considered as adopted and the bill, as amended, shall be considered as read.
5. Waives all points of order against provisions in the bill, as amended.
6. Makes in order only those amendments printed in part A of the Rules Committee report, amendments en bloc described in section 3 and pro forma amendments described in section 4. Each amendment shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as provided by section 4 of the rule, and shall not be subject to a demand for division of the question.

7. Waives all points of order against the amendments printed in part A of the Rules Committee report or amendments en bloc described in section 3 of the rule.
8. Provides that the chair of the Committee on Armed Services or his designee may offer amendments en bloc consisting of further amendments printed in part A of the Rules Committee report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 40 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Armed Services or their respective designees, shall not be subject to amendment except as provided by section 4 of the rule, and shall not be subject to a demand for division of the question.
9. Provides that the chair and ranking minority member of the Committee on Armed Services or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate.
10. Provides one motion to recommit.
11. Closed rule for H.R. 8884.
12. Waives all points of order against consideration of the bill.
13. Provides that in lieu of the amendment in the nature of a substitute recommended by the Committee on Ways and Means now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119-34 shall be considered as adopted and the bill, as amended, shall be considered as read.
14. Waives all points of order against provisions in the bill, as amended.
15. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means or their respective designees.
16. Provides one motion to recommit.
17. Closed rule for H. Con. Res. 113.
18. Waives all points of order against consideration of the concurrent resolution.
19. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on the Budget or their respective designees.
20. Provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119-37 shall be considered as adopted, and the concurrent resolution, as amended, shall be considered as read.
21. Permits the chair of the Committee on the Budget to offer amendments in the House pursuant to section 305(a)(5) of the Congressional Budget Act of 1974 to achieve mathematical consistency.

22. Closed rule for H.R. 7008.
23. Waives all points of order against consideration of the bill.
24. Provides that, in lieu of the amendment in the nature of a substitute recommended by the Committee on House Administration now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119-38, modified by the amendment printed in part B of the Rules Committee report, shall be considered as adopted and the bill, as amended, shall be considered as read.
25. Waives all points of order against provisions in the bill, as amended.
26. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on House Administration or their respective designees.
27. Provides one motion to recommit.
28. Closed rule for H.R. 6955.
29. Waives all points of order against consideration of the bill.
30. Provides that in lieu of the amendment in the nature of a substitute recommended by the Committee on Financial Services now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119-35 shall be considered as adopted and the bill, as amended, shall be considered as read.
31. Waives all points of order against provisions in the bill, as amended.
32. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Financial Services or their respective designees.
33. Provides one motion to recommit.
34. Closed rule for H.R. 9770.
35. Waives all points of order against consideration of the bill.
36. Provides that the bill shall be considered as read.
37. Waives all points of order against provisions in the bill.
38. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees.
39. Provides one motion to recommit.
40. Provides that in the engrossment of H.R. 8800, the Clerk shall add the text of S. 1383, as passed by the House, as new matter at the end of H.R. 8800; assign appropriate designations to provisions within the engrossment; conform cross-references and provisions for short titles within the engrossment; and be authorized to make technical corrections,

to include corrections in spelling, punctuation, page and line numbering, section numbering, and insertion of appropriate headings.

RESOLUTION

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 8800) to authorize appropriations for fiscal year 2027 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and amendments specified in this section and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Armed Services or their respective designees. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment in the nature of a substitute recommended by the Committee on Armed Services now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119–33 shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule and shall be considered as read. All points of order against provisions in the bill, as amended, are waived.

Sec. 2. (a) No further amendment to H.R. 8800, as amended, shall be in order except those printed in part A of the report of the Committee on Rules accompanying this resolution, amendments en bloc described in section 3 of this resolution, and pro forma amendments described in section 4 of this resolution.

(b) Each further amendment printed in part A of the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as provided by section 4 of this resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

(c) All points of order against further amendments printed in part A of the report of the Committee on Rules or against amendments en bloc described in section 3 of this resolution are waived.

Sec. 3. It shall be in order at any time for the chair of the Committee on Armed Services or his designee to offer amendments en bloc consisting of further amendments printed in part A of the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 40 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Armed Services or their respective designees, shall not be subject to amendment except as provided by section 4 of this resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Sec. 4. During consideration of H.R. 8800 for amendment, the chair and ranking minority member of the Committee on Armed Services or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate.

Sec. 5. At the conclusion of consideration of H.R. 8800 for amendment the Committee shall rise and report the bill, as amended, to the House with such further amendments as may have been adopted. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto to final passage without intervening motion except one motion to recommit.

Sec. 6. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 8884) to amend title II of the Social Security Act to reauthorize demonstration authority for the disability insurance program. All points of order against consideration of the bill are waived. In lieu of the amendment in the nature of a substitute recommended by the Committee on Ways and Means now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119–34 shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means or their respective designees; and (2) one motion to recommit.

Sec. 7. At any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the concurrent resolution (H. Con. Res. 113) establishing the congressional budget

for the United States Government for fiscal year 2027 and setting forth the appropriate budgetary levels for fiscal years 2028 through 2036. The first reading of the concurrent resolution shall be dispensed with. All points of order against consideration of the concurrent resolution are waived. General debate shall be confined to the concurrent resolution and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on the Budget or their respective designees. An amendment in the nature of a substitute consisting of the text of Rules Committee Print 119–37 shall be considered as adopted in the House and in the Committee of the Whole. The concurrent resolution, as amended, shall be considered as read. After general debate the Committee shall rise and report the concurrent resolution, as amended, to the House. The previous question shall be considered as ordered on the concurrent resolution and amendments thereto to adoption without intervening motion except amendments offered by the chair of the Committee on the Budget pursuant to section 305(a)(5) of the Congressional Budget Act of 1974 to achieve mathematical consistency. The concurrent resolution shall not be subject to a demand for division of the question of its adoption.

Sec. 8. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 7008) to amend chapter 131 of title 5 to require certain restrictions on stocks for Members of Congress and their spouses and dependents, and for other purposes. All points of order against consideration of the bill are waived. In lieu of the amendment in the nature of a substitute recommended by the Committee on House Administration now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119–38, modified by the amendment printed in part B of the report of the Committee on Rules accompanying this resolution, shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on House Administration or their respective designees; and (2) one motion to recommit.

Sec. 9. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 6955) to make improvements to the Federal banking laws, and for other purposes. All points of order against consideration of the bill are waived. In lieu of the amendment in the nature of a substitute recommended by the Committee on Financial Services now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119–35 shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage

without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Financial Services or their respective designees; and (2) one motion to recommit.

Sec. 10. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 9770) making continuing appropriations for fiscal year 2027, and for other purposes. All points of order against consideration of the bill are waived. The bill shall be considered as read. All points of order against provisions in the bill are waived. The previous question shall be considered as ordered on the bill and on any amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees; and (2) one motion to recommit.

Sec. 11. In the engrossment of H.R. 8800, the Clerk shall—

- (a) add the text of S. 1383, as passed by the House, as new matter at the end of H.R. 8800;
- (b) assign appropriate designations to provisions within the engrossment;
- (c) conform cross-references and provisions for short titles within the engrossment; and
- (d) be authorized to make technical corrections, to include corrections in spelling, punctuation, page and line numbering, section numbering, and insertion of appropriate headings within the engrossment.

SUMMARY OF AMENDMENTS TO H.R. 8800 IN PART A PROPOSED TO BE MADE IN ORDER

(summaries derived from information provided by sponsors)

Sponsor	# Description	Debate Time
1. Roy (TX)	#1307 (LATE) Strikes section 1213 relating to the deadline for the Afghanistan War	(10 minutes)

		Commission's final report, and maintains the current statutory reporting deadline.	
2. Roy (TX)	#1304 (LATE)	Strikes section 521 and replaces it with a prohibition on foreign nationals attending the United States Military Academies.	(10 minutes)
3. Roy (TX)	#1300 (LATE)	Strikes section 524, which removes the existing statutory limit on the number of cadets who may receive alternative service obligations to pursue professional athletic careers, thereby preserving the current cap.	(10 minutes)
4. Roy (TX)	#1301 (LATE)	Strikes section 518, relating to the pilot program on modernization of drug testing using voice-based risk assessment technology to identify servicemembers for drug testing.	(10 minutes)
5. Roy (TX)	#1319 (LATE) (REVISED)	Prohibits funds authorized to be appropriated by this act from going to Mexico until they approve use of the NovoFly strain for use within their borders to combat New World Screwworm.	(10 minutes)
6. Hunt (TX), Bergman (MI), Mills (FL)	#818 (REVISED)	Amends the NDAA to ensure that no court may issue injunctions that impair military readiness, military fuel supply, or defense-related logistical support.	(10 minutes)
7. Hunt (TX), Mills (FL)	#1085 (REVISED)	Amends the NDAA to protect a critical component of California's defense fuel supply chain by ensuring the continued operation of the Santa Ynez Pipeline System, which transports domestically produced crude oil to refineries that supply Department of Defense installations.	(10 minutes)
8. Gallagher (CA)	#871 (REVISED)	Opens up a study to be conducted to explore mechanisms by which federal authority can preempt or otherwise mitigate state actions that effectively undermine domestic refining capacity critical to national defense. Improves transparency on how state fuel policies may impact national security, and how the Federal government may intervene.	(10 minutes)

9. Carter (GA)	#887 (REVISED) Preempts state and local laws that impose requirements different from federal standards on certain defense-related recycling, disposal, and materials recovery activities. Specifically, it targets the mechanical processing of scrap metal and the disposition or recycling of defense articles, including defense equipment, materials, and munitions subject to demilitarization or disposal, so long as state rules are not more stringent or different than the applicable federal framework.	(10 minutes)
10. Strong (AL), Moore (AL)	#755 Inserts the text of the TRUST Act, which bolsters national security by closing gaps in military vetting that have left the armed forces vulnerable to espionage, sabotage, and the compromise of sensitive technology, specifically by barring foreign nationals from adversary nations (China, Russia, Iran, and North Korea) from enlisting and tightening officer appointment criteria for those with prior ties to those countries. This amendment is identical to H.R 9079 (119th Congress).	(10 minutes)
11. Ogles (TN)	#464 (REVISED) Requires DOD to not enter contracts with providers that provide advance disclosure of cyber security vulnerabilities to entities based in countries of concern.	(10 minutes)
12. Mills (FL)	#935 Expands the DOW ESOP Pilot Program to all organizations recognized under the tax code's definition of ESOP.	(10 minutes)
13. Houchin (IN), Yakym (IN), Messmer (IN), Mrvan (IN), Carson (IN), Shreve (IN), Spartz (IN)	#1202 (LATE) Requires drivetrain systems for Army advanced combat tracked vehicles to be sourced from U.S. firms, unless U.S. drivetrain manufacturers receive substantially equal competitive access in the relevant foreign market.	(10 minutes)
14. Crane (AZ)	#566 Prohibits the Department of Defense from using taxpayer funds to cover the costs of foreign military personnel participating in bilateral or multilateral military exercises	(10 minutes)

conducted with the United States. The amendment allows the Secretary of Defense to waive the prohibition when necessary to support a U.S. national security interest, provided the Secretary submits a detailed justification and notification to the House and Senate Armed Services Committees at least 30 days in advance.

- | | | |
|--|---|--------------|
| 15. Crane (AZ) | #785 (REVISED) Prohibits funds for Ukraine Security Assistance except for U.S. embassy security in Ukraine. | (10 minutes) |
| 16. Wilson (SC) | #1288 (LATE) Establishes a Classroom Safe Haven Force Protection Pilot Program. | (10 minutes) |
| 17. Crank (CO), Crane (AZ), McGuire (VA), Tenney (NY) | #100 Establishes a presumption of approval for qualified DoD servicemembers and civilian employees seeking authorization from their facility commander to carry personal firearms on military installations. | (10 minutes) |
| 18. Boebert (CO), Tenney (NY) | #274 Codifies Executive Order 14183 implements a ban on transgender service members by requiring all personnel to serve in accordance with their biological sex, citing military readiness and discipline. | (10 minutes) |
| 19. Mace (SC), Tenney (NY) | #945 (REVISED) Prohibits gender related medical care under TRICARE. Prevents TRICARE from covering certain gender related medical procedures and treatments. | (10 minutes) |
| 20. Mace (SC), Tenney (NY) | #1113 (LATE) (REVISED) Prohibits male participation in female sports at DoDEA schools. | (10 minutes) |
| 21. Luna (FL) | #1239 (LATE) Requires the Secretary of Defense to designate Department of Defense activities, support, and operations at the southwest land border as a named operation within 180 days of enactment. Directs the Secretary to include a dedicated budget line item, budgetary authority display, narrative justification, support summary, and performance metrics for the named operation in annual budget requests submitted to Congress. | (10 minutes) |

- | | | | |
|----------------------------------|-------|---|--------------|
| 22. Luna (FL) | #893 | Repeals the limitation on the appointment of the Assistant Secretary of Defense for Special Operations and Low Intensity Conflict by striking the requirement under section 138(b)(2)(A) of title 10, United States Code, that a person may not be appointed within seven years after relief from active duty as a commissioned officer of a regular component of an armed force. | (10 minutes) |
| 23. Luna (FL) | #1314 | (LATE) Requires the Secretary of Defense to ensure that no political appointee of the Department of Defense is subordinate to any career civilian employee of the Department. Exempts employees within the Office of the Secretary of Defense from this requirement. | (10 minutes) |
| 24. Ogles (TN) | #1099 | Expresses the sense of Congress that DOW participation in international defense exhibitions should be conditioned on the full participation of Israeli companies and the absence of discriminatory restrictions targeting Israel. | (10 minutes) |
| 25. Gottheimer (NJ), Tenney (NY) | #1255 | (LATE) Requires the Secretary of Defense and Secretary of State to use every opportunity at NATO forums/ forums with Major Non-NATO Allies to ensure that member countries do not enforce ICC warrants against one another's militaries. | (10 minutes) |
| 26. McDowell (NC), Tenney (NY) | #905 | (REVISED) Authorizes the Secretary of Defense to establish a school choice pilot program for members of the Armed Forces. | (10 minutes) |
| 27. Onder (MO) | #41 | (REVISED) Strikes Section 1115, which would prohibit DoD from implementing President Trump's Executive Order 14251, issued on March 27, 2025. The Executive Order exempts certain agencies from collective bargaining agreement protections, including the DoD. | (10 minutes) |
| 28. Self (TX) | #237 | Codifies protections and responsibilities for chaplains and subjects such protections to prosecution under the Uniform Code of Military Justice. This amendment is identical to H.R.8769, introduced by Rep. Keith Self in the 119th Congress. | (10 minutes) |

29. Luttrell (TX), McCaul (TX), Correa (CA), Rulli (OH)	#714 (REVISED) Codifying Executive Order No. 14401, titled "Accelerating Medical Treatments for Serious Mental Illness", into law.	(10 minutes)
30. Issa (CA)	#1068 (REVISED) Authorizes the Secretary to approve any eligible investor and cleared investment professional who meets the program's statutory and regulatory requirements to assess potential investment opportunities that match with the Department of War's requirements or potential requirements. It also makes clear that the program is not capped, allowing an unlimited number of qualified investors, cleared personnel, and covered companies to participate at the discretion of the Secretary of War.	(10 minutes)
31. Norman (SC)	#824 (REVISED) Terminates any pilot program authorized by the Act no later than two years after enactment, unless the provision authorizing the program specifies an earlier termination date.	(10 minutes)
32. Norman (SC)	#807 (REVISED) Requires the cost of any project funded with financial support from the Department of Defense to disclose the cost to taxpayers	(10 minutes)
33. Scott, Austin (GA)	#450 Authorizes Federal grants and cooperative agreements to support the operation and maintenance of National Guard facilities necessary for organizing, training, and equipping the National Guard for both State and Federal missions.	(10 minutes)
34. Scott, Austin (GA)	#1207 (LATE) Prohibits certain foreign nationals from designated countries of concern to access non-public areas of any National Laboratory. The restriction applies to visitors seeking access to laboratory facilities, information, or technology, while exempting lawful permanent residents and authorized laboratory personnel.	(10 minutes)
35. Scott, Austin (GA)	#352 Establishes a United States–Poland Military Space Cooperation Program to strengthen	(10 minutes)

bilateral cooperation in support of military space operations, resilience, and preparedness.

- 36. Scott, Austin (GA), Case (HI)** #1188 **(LATE) (REVISED)** Extends and modernizes the Indo-Pacific Maritime Security Initiative by authorizing unmanned systems experimentation, improving funding flexibility, and extending the program through 2031. (10 minutes)
- 37. Scott, Austin (GA)** #1166 **(LATE)** Raises the funding limit for the Regional Defense Fellowship Program from \$35 million to \$50 million to expand defense education, regional expertise, and partner-nation engagement opportunities. (10 minutes)
- 38. Arrington (TX), Tenney (NY), Pappas (NH)** #1265 **(LATE)** Requires the Department of War to submit a report that identifies, assesses, and mitigates risks arising from acquisitions of land near U.S. military installations from China, Russia, Iran, North Korea, and foreign terrorist organizations. (10 minutes)
- 39. Mace (SC)** #1214 **(LATE) (REVISED)** Increases line 9 (PE 0602204F) of the Research, Development, Test, and Evaluation, Air Force account for aerospace sensors by \$4.3 million for compact semiconductor based fast neutron detectors. Offset by decreasing the same amount allocated to Aircraft Procurement Navy, Line 28, F-18 Series. (10 minutes)
- 40. Mace (SC)** #1215 **(LATE) (REVISED)** Increases line 9 (PE 0602204F) of the Research, Development, Test, and Evaluation, Air Force account for aerospace sensors by \$8.5 million for ultra-high temperature thermal coatings for hypersonic vehicles. Offset by decreasing the same amount allocated to Aircraft Procurement Navy, Line 28, F-18 Series (10 minutes)
- 41. Griffith (VA)** #209 Amends Section 1021(b) of the FY12 NDAA to limit the authority of the U.S. military to indefinitely detain individuals pursuant to the 2001 AUMF, to exclude American citizens from being subject to detention. (10 minutes)

42. Evans (CO)	#1264 (LATE) Increases funding amount for Rotary Wing Aviation Lift Upgrade Enhancement and offsets from Aviation Assets (O&M), Army by \$12M.	(10 minutes)
43. Patronis (FL)	#456 (REVISED) Exempts military housing from National Historic Preservation Act requirements to expedite necessary repairs that protect families and to reduce project maintenance costs, which by the Army's own estimates are three times as expensive for historic homes. This language authorizes the Secretary of War to maintain truly historic homes, while also ensuring needed repairs on track-built homes are not delayed by months and years while permission is sought.	(10 minutes)
44. Harrigan (NC)	#195 (REVISED) Prohibits use of automated speed enforcement cameras on military installations.	(10 minutes)
45. Cloud (TX), Fallon (TX), Vindman (VA)	#1342 (LATE) To require the Secretary of Defense to carry out an operational pilot program under the Hybrid Space Architecture initiative to evaluate the use of commercially available orbital data center services and space-based cloud computing capabilities relevant to national security space and joint mission requirements, and for other purposes.	(10 minutes)
46. Amo (RI), Magaziner (RI), Tenney (NY), Pappas (NH)	#263 Authorizes APEX Accelerators to assist small businesses in acquiring procurement contracts for defense articles for AUKUS.	(10 minutes)
47. Arrington (TX), Cuellar (TX), McCaul (TX)	#757 Requires U.S. Special Operations Command to carry out a pilot program to provide anonymous nonmedical counseling services to members of the special operations forces and families of such members using a novel anonymous telehealth platform.	(10 minutes)
48. Barragán (CA), Fulcher (ID)	#705 Directs the Department of Defense to assess geothermal energy potential at military installations and identify locations where geothermal resources could enhance energy resilience.	(10 minutes)

49. Barrett (MI)	#1130 (LATE) Requires the Secretary of Defense to submit an action plan to Congress for advancing the deployment of the Airborne Collision Avoidance System–X.	(10 minutes)
50. Baumgartner (WA)	#169 (REVISED) Increases funding by \$5 million for Defense-wide RDTE to accelerate the manufacturing of advanced reactive materials used to enhance the lethality of munitions.	(10 minutes)
51. Begich (AK)	#598 (REVISED) Authorizes the Secretary of the Air Force to convey approximately 50 acres of land at Joint Base Elmendorf-Richardson to the Municipality of Anchorage, contingent on an independent appraisal and a determination that the parcel is excess to base needs, in accordance with the North Anchorage Land Agreement among the State of Alaska, the Municipality, and Eklutna, Incorporated. The Municipality must cover all conveyance costs and may not use federal funds to do so, and all existing environmental law obligations are preserved.	(10 minutes)
52. Begich (AK)	#647 (REVISED) Strengthens cyber incident reporting requirements for operationally critical DoD contractors by adding a mandatory 72-hour reporting deadline for the discovery of any hardware, software, or firmware manufactured by or linked to Chinese entities within covered networks, in addition to existing requirements to report cyber incidents.	(10 minutes)
53. Begich (AK)	#666 (REVISED) Adds a three-year annual reporting requirement to the Berry Amendment seafood provision, directing the Secretary of Defense to report on the volume and origin of seafood procured by commissaries and exchanges, disaggregated by domestic and foreign source, and the steps taken to maximize domestic sourcing.	(10 minutes)
54. Begich (AK)	#297 Requires the Under Secretary of Defense for Acquisition and Sustainment to brief Congress within 90 days on the feasibility of letting original equipment manufacturers (OEMs) fast-track their existing suppliers into	(10 minutes)

DoD procurement systems, with a focus on improving readiness, reducing red tape, and preventing counterfeit parts in military aircraft ground support equipment.

- | | | | |
|-----------------------------------|-------|--|--------------|
| 55. Begich (AK) | #556 | Directs the Assistant Secretary of Defense for Industrial Base Policy, in coordination with the Secretary of the Navy, to submit a report within 180 days assessing the feasibility of establishing common certification standards across NAVAIR and NAVSEA supply chains. | (10 minutes) |
| 56. Begich (AK), Case (HI) | #693 | (REVISED) Directs the Secretary of Defense, acting through the MDA, to report on DoD's strategy for developing resilient and distributed missile defense sensing architectures, covering current infrastructure vulnerabilities, modular and transportable sensing capabilities, open systems approaches, scalable radar integration, and acquisition barriers, and authorizes the use of appropriated funds to initiate pilot efforts implementing the report's recommendations. | (10 minutes) |
| 57. Bergman (MI) | #1280 | (LATE) Amend Rest and Recuperation Absence to provide Service members stationed at designated overseas locations greater flexibility in how they utilize authorized rest and recuperation (R&R) leave earned through tour extensions. | (10 minutes) |
| 58. Bergman (MI) | #82 | Increases funding amount for Next Generation Combat Vehicle Technology and offsets from Ship Depot Operations Support (O&M), Navy by \$7M. | (10 minutes) |
| 59. Bergman (MI) | #83 | Increases funding amount for Ground Technology and offsets from Ship Depot Operations Support (O&M), Navy by \$10M. | (10 minutes) |
| 60. Bergman (MI) | #276 | (REVISED) Increases funding amount for Rapid Prototyping Program and offsets from Ship Depot Operations Support (O&M), Navy by \$4.9M. | (10 minutes) |
| 61. Bergman (MI) | #419 | Allows for tuition assistance to be used to pay for institution fees and allows the SECDEF to increase the per-semester- hour cap to \$350. | (10 minutes) |

62. Biggs (AZ)	#1089 Modifies the Mining Schools Act to tighten the definition of mining schools.	(10 minutes)
63. Biggs (AZ), Pocan (WI), Crane (AZ)	#138 Requires the Department of Defense to perform an audit. If it fails to, the discretionary budget authority available for the Department of Defense, the military department, or the Defense Agency shall be reduced by .5 percent.	(10 minutes)
64. Biggs (SC)	#587 (REVISED) Calls for a study exploring the feasibility of allowing departments and agencies to have critical mineral purchasing and reselling capabilities for the purpose of reducing the bureaucratic burden and increasing the speed of purchasing minerals for projects within those departments and agencies.	(10 minutes)
65. Biggs (SC), Bacon (NE), Fulcher (ID), Johnson (SD), Stauber (MN), Wilson (SC)	#86 Specifies phased inventory benchmarks for combat coded fighter aircraft.	(10 minutes)
66. Biggs (SC), Mast (FL)	#577 (REVISED) Requires the Secretary of War to establish a pilot program evaluating the use of secure, commercially available digital faith-based platforms to enhance the spiritual fitness, mental health, and operational readiness of servicemembers and their families.	(10 minutes)
67. Boebert (CO)	#236 (REVISED) Prohibits the acquisition, procurement, or lease of non-tactical electric vehicles containing any component produced by child and slave labor.	(10 minutes)
68. Boebert (CO)	#516 Requires the Secretary of Defense, within 90 days of passage of the NDAA, to present a comprehensive plan for securing all United States military bases against drone-based threats.	(10 minutes)
69. Boebert (CO)	#1131 (LATE) Requires the DoD to report on institutions of higher education that have	(10 minutes)

received DoD funding and hosted a Confucius Institute.

- | | | | |
|--------------------------|-------|---|--------------|
| 70. Boebert (CO) | #1154 | (LATE) Requires the Secretary of the Air Force, within 60 days of passage of the NDAA, to present a comprehensive plan for F-16 fighter recapitalization for the 140th Wing of the Colorado Air National Guard. | (10 minutes) |
| 71. Buchanan (FL) | #114 | Requires the Secretary of Defense to report to Congress on the threat of artificial intelligence-powered attacks, scams, and fraud to U.S. military installations, operations, and personnel. This report should evaluate the use of artificial intelligence by foreign adversaries for surveillance and targeting. | (10 minutes) |
| 72. Buchanan (FL) | #78 | Requires the Department of the Navy and the Marine Corps to strengthen tactical vehicle risk management by establishing clearly defined responsibilities for vehicle commanders and implementing standardized procedures that enable first-line supervisors to identify, assess and mitigate operational risks during training and mission execution. | (10 minutes) |
| 73. Buchanan (FL) | #80 | Directs the Secretary of Defense to carry out a pilot program to provide certain members of the Armed Forces with continuous glucose monitoring technology. | (10 minutes) |
| 74. Buchanan (FL) | #111 | Requires the Secretary of Defense to provide a report on the implementation of the Go for Green (G4G) nutrition program at military dining facilities. | (10 minutes) |
| 75. Buchanan (FL) | #204 | Requires the Department of the Army to submit a report on whether operational units have sufficient personnel, resources and organizational capacity to effectively implement ground-safety programs related to tactical vehicle operations. | (10 minutes) |
| 76. Buchanan (FL) | #273 | Directs the Department of Defense to inventory legacy semiconductor dependencies in major weapon programs and submit a plan to eliminate reliance on foreign single-source suppliers. | (10 minutes) |

77. Buchanan (FL)	#280 Directs the Secretary of the Army and the Secretary of the Navy to begin and complete an assessment of their installation-wide food programs according to the recommendation of GAO-24-106155 within 180 days of the enactment of this act.	(10 minutes)
78. Buchanan (FL)	#411 Requires the Secretary of Defense to submit a report within one year of enactment to the congressional defense committees on progress made by each military department, to reduce training-related accidents, fatalities, and serious injuries. The report shall include trend data and year-over-year comparisons for each military service; an assessment of the effectiveness of actions taken in response to prior congressional concerns regarding training safety; and a description of ongoing and planned efforts by each military department to further reduce training incidents, improve risk management practices, and enhance service member safety during training operations.	(10 minutes)
79. Buchanan (FL)	#560 Require the Department of Defense to identify best practices for nutrition, fitness, and chronic disease prevention programs across the services and share successful models department-wide.	(10 minutes)
80. Buchanan (FL)	#1237 (LATE) Requires the Secretary of Defense to submit a report to Congress assessing how military personnel use wearable devices for health, fitness, readiness, training, recovery, and operational purposes, including during deployments and combat. The report must evaluate the effectiveness of these devices and determine whether their use should be expanded across the Armed Forces.	(10 minutes)
81. Burlison (MO)	#6 (REVISED) A sense of Congress regarding award of the Medal of Honor to Gregory McManus for acts of valor.	(10 minutes)
82. Calvert (CA)	#322 Requires the Under Secretary of Defense (Comptroller), in coordination with the Under Secretary of Defense for Acquisition and Sustainment, to commission an independent	(10 minutes)

review of Department of Defense financial management execution benchmarks, including their origin, methodology, authoritative basis, and traceability to Department-wide policy or guidance. Directs the review to assess whether current benchmarks remain relevant to modern acquisition practices to better reflect obligation and expenditure performance across appropriations and program types.

- | | | | |
|-------------------------|------|--|--------------|
| 83. Cammack (FL) | #484 | Requires the Department of Defense to expand coordination with the Department of Health and Human Services and the Department of Justice regarding efforts to target fentanyl and precursor chemicals. Directs the Department to report to Congress on interagency coordination efforts and identify gaps in detection, monitoring, and interdiction activities. | (10 minutes) |
| 84. Cammack (FL) | #474 | (REVISED) Requires the Department of Defense to develop and submit a strategy for identifying, assessing, and countering foreign malign influence activities conducted in the cognitive domain by foreign adversaries. Directs the strategy to include threat assessments, existing capabilities, capability gaps, resource requirements, and recommendations for improving Department efforts to counter disinformation, propaganda, psychological operations, and other influence activities. | (10 minutes) |
| 85. Cammack (FL) | #493 | Requires the Comptroller General of the United States to conduct a component-level assessment of the Department of Defense's reliance on Chinese-sourced materials in munitions, microelectronics, and energy storage systems. Directs the Comptroller General to include recommendations for alternative sourcing strategies to reduce reliance on materials from China. | (10 minutes) |
| 86. Cammack (FL) | #496 | Requires the Secretary of Defense to prioritize partnerships with institutions of higher education conducting research in hypersonics, | (10 minutes) |

biotechnology, and artificial intelligence when carrying out research, development, test, and evaluation activities. Directs the Secretary to report to Congress on existing partnerships with institutions conducting research in those priority areas.

- 87. Cammack (FL)** #498 Requires the Secretary of Defense to assess vulnerabilities in military medical supply chains, including the Department's reliance on sources located in China for active pharmaceutical ingredients and medical devices. Directs the Secretary to report the findings of the assessment to Congress within 180 days of enactment. (10 minutes)
- 88. Cammack (FL)** #700 **(REVISED)** Requires the Secretary of Defense to conduct an assessment of the risks posed by foreign adversary-controlled digital platforms to operational security, force protection, military personnel, and military installations, and directs the Secretary to submit a report to Congress identifying those risks, including threats related to data collection, foreign influence operations, and propaganda activities, along with recommendations to mitigate them. (10 minutes)
- 89. Cammack (FL)** #704 **(REVISED)** Requires the Secretary of Defense, in coordination with the Secretary of Commerce, to develop a strategy for the adoption, fielding, integration, and scaling of artificial intelligence technologies across the Department of Defense and the defense industrial base, and directs the Secretary to submit that strategy to Congress, including barriers to adoption, workforce and infrastructure requirements, opportunities for collaboration with industry and academia, and recommendations to improve deployment of artificial intelligence technologies. (10 minutes)
- 90. Cammack (FL)** #719 **(REVISED)** Requires the Secretary of Defense to establish procedures to ensure continuity of care for pregnant and postpartum servicemembers and military spouses during a permanent change of station, (10 minutes)

including coordination between military treatment facilities, timely transfer of medical records, assignment of a receiving provider, and measures to prevent interruptions in prenatal, obstetric, postpartum, and behavioral health services, and directs the Secretary to report to Congress on implementation of those procedures.

- | | | | | |
|--|--------------|-------------------------|--|---------------------|
| <p>91. Cammack (FL)</p> | <p>#721</p> | <p>(REVISED)</p> | <p>Requires the Comptroller General to conduct an audit of the extent to which entities owned, controlled by, affiliated with, or subject to the influence of the Chinese Communist Party participate in Department of Defense contracts and supply chains, and directs the Comptroller General to submit a report to Congress identifying areas of exposure, associated risks to military readiness and national security, known ties to the People's Liberation Army or Chinese state-owned enterprises, and recommendations to reduce identified risks.</p> | <p>(10 minutes)</p> |
| <p>92. Cammack (FL)</p> | <p>#1231</p> | <p>(LATE)</p> | <p>Requires the Secretary of Defense, in consultation with FEMA, to submit an annual report identifying National Guard equipment shortfalls in each state and assessing how those gaps affect disaster response capabilities, including hurricane response. Directs the report to include recommendations to address identified shortfalls through equipment modernization and strategic prepositioning in disaster-prone states.</p> | <p>(10 minutes)</p> |
| <p>93. Carbajal (CA), Van Orden (WI), Pingree (ME), Hurd (CO)</p> | <p>#567</p> | <p></p> | <p>Requires any cut flowers or greens purchased by the Department of Defense for display be grown domestically.</p> | <p>(10 minutes)</p> |
| <p>94. 95. Carson (IN)	#514 (REVISED) Requires DoD to report on the impact and transition of research funded through the Congressionally Directed Medical Research Programs, including research with potential for use in the Military Health System, operational medicine, or clinical practice. Requires the report to identify key barriers to medical research transition.	(10 minutes)
96. Carson (IN)	#521 (REVISED) Amends Sec. 1524(g) to require DoD to make publicly available an unclassified summary of each semiannual report on its policy for autonomous and AI-enabled systems, to the maximum extent practicable.	(10 minutes)
97. Carter (GA), Pettersen (CO)	#589 (REVISED) Prohibits the Secretary of Defense awarding an eligible telecommunications contract to an entity if the Secretary determines that the entity is subject to foreign ownership, control, jurisdiction, or legal obligations that could require disclosure of Department of Defense information or Department of Defense network operational data to a foreign government.	(10 minutes)
98. Carter (LA), Ezell (MS), Nehls (TX), Letlow (LA), Weber (TX), Davis (NC), Murphy (NC), Guest (MS), Bilirakis (FL), Gonzalez,V (TX)	#580 Prohibits DoD/DoW procurement and commissary sales of seafood originating or processed in China.	(10 minutes)
99. Casar (TX)	#310 Requires a GAO study assessing the child care programs that exist across the Department of Defense including: Child Development Centers, Family Child Care, Military Child Care in Your Neighborhood, and Child Care in	(10 minutes)

Your Home. Metrics must be disaggregated by service branch.

100. Case (HI)	#45 Require the Space Force to assess the security, physical, cyber, and geopolitical vulnerabilities of commercially owned and operated satellite ground-based nodes located within the Indo-Pacific.	(10 minutes)
101. Case (HI), King-Hinds (MP), Scott, Austin (GA), Moylan (GU)	#255 Counters People's Republic of China influence and activities in the Freely Associated States.	(10 minutes)
102. Case (HI), Tokuda (HI), Moylan (GU), Begich (AK), Bacon (NE), King-Hinds (MP)	#522 Requires a study on the potential benefits of establishing a Strategic Infrastructure Partnership Initiative to assist INDOPACOM in identifying, developing and implementing dual-use infrastructure projects.	(10 minutes)
103. Cisneros (CA)	#271 Requires the Department of Defense to establish a early release notification system for victims of sexual assault through the UCMJ.	(10 minutes)
104. Cleaver (MO), Van Drew (NJ)	#867 Increases funding to the Combat and Operational Medicine Program, R&D research by \$5 million for alpha-gal syndrome research. Offsets \$5 million from Combat and Operational Medicine Program, R&D Advanced Development.	(10 minutes)
105. Cline (VA), Moolenaar (MI), Harrigan (NC), Crane (AZ), Cloud (TX), Fitzgerald (WI), Davidson (OH)	#129 Requires the Pentagon to review and prohibit the use of covered payment processing equipment, systems, or services tied to foreign adversaries, including China, in contracts with retailers serving the Department. The amendment establishes a phased implementation process, culminating in a prohibition on DoW contracts with retailers that continue to rely on covered foreign-adversary payment processing technology and is identical to H.R. 8787 of the 119th Congress.	(10 minutes)

106. Cloud (TX), Moore (UT)	#1150 (LATE) Adds Recovery of Outlays to Sec. 1862.	(10 minutes)
107. Courtney (CT), McCaul (TX), Magaziner (RI), Bell (MO), Amo (RI), Moore (UT), Costa (CA)	#50 Amends the AUKUS Submarine Transfer Authorization Act to allow for transfer of three in-service Virginia-class submarines, instead of two.	(10 minutes)
108. Craig (MN)	#1054 (REVISED) Ensures access for military families to cranial remolding orthosis treatment for babies with deformational plagiocephaly.	(10 minutes)
109. Crane (AZ)	#502 Requires annual coordination between the Department of Defense and Department of Homeland Security to assess counter-subterranean technologies applicable to illicit cross-border tunnel operations, and directs an annual report and briefing to Congress on findings and recommendations.	(10 minutes)
110. Crane (AZ)	#538 Requires the Secretary of Defense, in consultation with the Secretary of Education, to submit a report and briefing to Congress on opportunities to strengthen military recruitment, readiness, and end strength through educational partnerships, including JROTC and ROTC programs. The report will assess recruiting challenges and provide recommendations to expand the pipeline of qualified military applicants and increase the attractiveness of military service.	(10 minutes)
111. Crane (AZ), Harrigan (NC), Perry (PA), Biggs (SC)	#776 (REVISED) Directs the Department of Defense to establish a pilot program to evaluate and rapidly field technologies that identify and control mobile application data transmissions that could expose servicemembers and other defense personnel to commercial surveillance and operational security risks. It also requires ongoing	(10 minutes)

assessments and annual reporting to Congress on the effectiveness of these technologies in reducing threats from commercial mobile tracking and pattern-of-life analysis.

	Federal Law Enforcement Training Centers (FLETC) as they transition out of the military.	
116. Davidson (OH)	#1176 (LATE) Requires a report to Congress on unconventional threat networks that operate in the Western Hemisphere.	(10 minutes)
117. Davidson (OH), Harrigan (NC), Khanna (CA), Lawler (NY)	#156 Directs the Secretary of Defense to publish a list of dietary supplement ingredients prohibited for use by members of the Armed Forces. Identical to H.R. 8962 (119th Congress).	(10 minutes)
118. Davis (NC)	#215 (REVISED) Requires the Secretary of War to report on opportunities to accelerate development and acquisition of low-cost, platform-agnostic autonomy modules for small unmanned aerial systems (sUAS). The AI-enabled autopilot framing currently in H.R. 8800 is a start. Still, this amendment expands on it to ensure language is also specifically focused on the targeting layer and enabling effects on low-cost, platform-agnostic hardware.	(10 minutes)
119. Davis (NC), Harrigan (NC)	#216 (REVISED) Requires SECARMY to report on resilient tactical power and battery safety systems to highlight the critical role of battery separators in stabilizing the battery supply chain and ensuring its security.	(10 minutes)
120. Dunn (FL), Moolenaar (MI)	#311 Amends Section 152 of the FY24 NDAA by giving consideration to critical minerals derived from recycled and reused minerals and metals to the maximum extent practicable.	(10 minutes)
121. Dunn (FL), Moolenaar (MI), Moylan (GU)	#531 Authorizes the Secretary of Defense to develop and implement a methodology to identify and assess dependencies on the People's Republic of China for the processing, refining, separation, alloying, magnet manufacturing, or other midstream production stages of materials critical to the defense industrial base.	(10 minutes)

122. Dunn (FL), Moolenaar (MI)	#541 Requires the Secretary of Defense to conduct a department-wide medical supply chain risk assessment and develop a classified, prioritized list of high-risk critical medical products dependent on PRC-origin inputs.	(10 minutes)
123. Dunn (FL), Moolenaar (MI)	#991 Supports the Secretary of Defense in recovering critical minerals relevant to the defense industrial base from unconventional feedstocks.	(10 minutes)
124. Elfreth (MD), Bacon (NE)	#631 Directs a study on Reserve Child Care programs offered by the services.	(10 minutes)
125. Elfreth (MD), Wittman (VA)	#439 Revises critical minerals reporting and briefing requirements. Requires briefings to be held annually for 8 years.	(10 minutes)
126. Escobar (TX)	#844 Requires the Department of Defense to submit a report assessing the potential use of intergovernmental support agreements for unspecified minor military construction projects.	(10 minutes)
127. Escobar (TX)	#982 Requires the Department of Defense to produce a report evaluating opportunities to strengthen the military childcare workforce while expanding employment pathways for military spouses, including assessing staffing shortages, licensing portability, innovative childcare models, and potential recruitment and retention incentives.	(10 minutes)
128. Escobar (TX), Alford (MO)	#375 Requires DoD to update and standardize pay scales, recruitment metrics, and retention evaluation processes for JROTC instructors as well as collect consistent service-wide data and assess whether the new standardized pay system is improving instructor recruitment and retention.	(10 minutes)
129. Evans (CO)	#899 Amends the FY22 NDAA to allow for the expedited implementation of special incentive pay parity between active duty and reserve components of the armed forces.	(10 minutes)
130. Ezell (MS), Guest	#1114 (LATE) (REVISED) Increases Research, Development, Test, and Evaluation, Defense-	(10 minutes)

(MS), Kelly (MS), Thompson (MS)	Wide by \$10,000,000 for ultra-light Group 1 small unmanned aircraft systems for United States Special Operations Command (Program Element 1160405BB, Intelligence Systems Development).	
131. Figures (AL), Sewell (AL), Aderholt (AL)	#1072 (REVISED) Expresses the sense of Congress that the Secretary of the Air Force should prioritize the design and development of a Combined All-Domain Wargaming Center at Maxwell Air Force Base to enhance the Department of Defense's strategic training, education, and simulation capabilities.	(10 minutes)
132. Fine (FL)	#190 Requires the disclosure of foreign gifts over \$50,000 made to military colleges and establishes enforcement mechanisms for non-compliance.	(10 minutes)
133. Fischbach (MN)	#1078 (REVISED) Requires the Secretary of War, to conduct an assessment of supply chain vulnerabilities related to MicroLED displays used in Department of War weapon systems and platforms.	(10 minutes)
134. Fitzgerald (WI)	#759 (REVISED) Requires the Secretary of Defense to seek to enter into an agreement with a multi-university research center focused on physics-based neutralization of threats to human tissues and organs to conduct research on understanding and preventing traumatic brain injuries in the US warfighter within 90 days of enactment.	(10 minutes)
135. Fong (CA), Whitesides (CA)	#952 Directs the Secretary of Defense to conduct a study relating to establishing a supersonic airspace corridor between the airspace of the R-2508 Complex and the broad ocean area.	(10 minutes)
136. Fong (CA), Oberholte (CA), Whitesides (CA)	#809 (REVISED) Honors those who died during an Air Force test mission on June 15, 2026, at Edwards AFB, and directs the Secretary of Defense to provide a briefing to the congressional defense committees on the crash once the investigation is complete.	(10 minutes)
137. Fong (CA), Oberholte	#848 (REVISED) Directs the Secretary of Defense to brief the congressional defense committees on the status and availability of medical and	(10 minutes)

(CA), Whitesides (CA)		safety resources at Edwards Air Force Base for Armed Forces members, Department of Defense civilian employees, and contractor personnel.	
138. Foster (IL), Morelle (NY), DesJarlais (TN)	#830	(REVISED) Designates the National Nuclear Security Administration as the technical nuclear forensics lead.	(10 minutes)
139. Fry (SC)	#1245	(LATE) Requires the Under Secretary of Defense for Acquisition and Sustainment to report on the national security implications of restricting exports of rare earth-containing scrap and assess the impact on domestic recycling, defense supply chains, and foreign dependence. Directs the Department of Defense to identify data gaps and recommend legislative or administrative actions to strengthen domestic rare-earth recovery and reduce reliance on foreign adversaries, such as China.	(10 minutes)
140. Gonzalez,V (TX)	#550	Requires the Secretary of Defense to submit a report to Congress within 60 days on the status of funds set aside for powertrain facility completion and facility modernization at Corpus Christi Army Depot (CCAD), Corpus Christi, Texas.	(10 minutes)
141. Gooden (TX)	#346	Revises Section 1541 to include existing platforms and capabilities that will accelerate innovation while reducing delays.	(10 minutes)
142. Gosar (AZ)	#909	Establishes a sense of Congress regarding naming a warship the USS Phoenix in memory of the 85th Anniversary of the attack on Pearl Harbor.	(10 minutes)
143. Gosar (AZ)	#918	Requires a report on supply of rare earth materials and elements.	(10 minutes)
144. Gosar (AZ)	#923	Requires a report on the use of copper by U.S. Armed Forces.	(10 minutes)
145. Gosar (AZ)	#1129	(LATE) Directs the Secretary and Administrator of the National Nuclear Security Administration to give preference to	(10 minutes)

domestic uranium and other critical minerals before seeking foreign sources.

146. Gosar (AZ), Hamadeh (AZ)	#36 Inserts land withdrawal for U.S. Army Yuma Proving Ground. Identical to H.R. 8686, reported (119th Congress).	(10 minutes)
147. Gottheimer (NJ)	#1256 (LATE) Authorizes a Report Authored by the Secretary of Defense to study steps Israel, the US, and Egypt can take to enhance international security measures on the Gaza-Egypt border to ensure Hamas and other actors cannot use tunnels or methods via the Mediterranean Sea to smuggle weapons and illicit goods. Additionally, the report will outline/ map existing tunnel networks.	(10 minutes)
148. Gottheimer (NJ), Lawler (NY), Fitzpatrick (PA)	#359 Requires an assessment of Antisemitism in the Defense Organizational Climate Survey. The Secretary of Defense shall ensure that the Defense Organizational Climate Survey (DEOCS) includes specific questions to assess the prevalence, nature, and impact of antisemitism within the military service academies.	(10 minutes)
149. Gottheimer (NJ), Moylan (GU)	#525 Increases funding for the National Defense Education Program by \$5 million for STEM education and workforce initiatives targeting military students.	(10 minutes)
150. Gottheimer (NJ), Yakym (IN)	#363 Increases funding for the DoD SkillBridge program by \$5 million.	(10 minutes)
151. Graves (MO)	#1132 (LATE) (REVISED) Establishes a pilot program to adequately and accurately test, identify, and analyze drug use among servicemembers.	(10 minutes)
152. Graves (MO), Larsen (WA)	#863 (REVISED) Updates Coast Guard authorities to improve the Service's organization and strengthen mission performance.	(10 minutes)
153. Harrigan (NC)	#586 Amends the Chief Digital and Artificial Intelligence Officer (CDAO) authorization to prioritize tracking PRC AI capabilities, and	(10 minutes)

		have a strategy for preparedness to counter adversarial AI.	
154. Harris (MD)	#653	Allows anesthesia to be covered by TRICARE for in-office dental procedures for pediatric dentistry.	(10 minutes)
155. Hern (OK)	#911	(REVISED) Requires the Secretary of the Navy to submit a report to Congress on the plans of the Department of the Navy to transition to light-emitting diode (LED) lighting on naval vessels.	(10 minutes)
156. Hill (AR)	#625	Directs the GAO to do a review of the health of the Department of Defense's cyber-related intelligence sharing with State, local, Tribal, territorial, and private sector partners.	(10 minutes)
157. Hill (AR), Lucas (OK)	#588	(REVISED) Reauthorizes the Defense Production Act of 1950, a set of authorities that allows the President to strengthen the industrial base by providing financial support and allocating resources to meet national defense requirements.	(10 minutes)
158. Hill (AR), Womack (AR), Crawford (AR)	#638	(REVISED) Authorizes the Secretary of the Army to conduct a no-cost land exchange between the Arkansas National Guard (AR NG) and the U.S. Army Reserve (USAR) on Camp Robinson in North Little Rock.	(10 minutes)
159. Houchin (IN)	#1310	(LATE) (REVISED) Provides for a two-year program piloting a subscription-based funding model for cyber-physical test and training ranges under the Test Resource Management Center.	(10 minutes)
160. Houchin (IN)	#458	Provides for a land swap and land use permissions change between the State of Indiana and Indiana Army Ammunition Reuse Authority	(10 minutes)
161. Houchin (IN), Golden (ME), Carson (IN), Schweikert (AZ), Messmer	#753	Directs the Department of Defense to assess existing AI data center security frameworks and tools for risks posed by espionage from nation-state adversaries.	(10 minutes)

167. Jack (GA)	#442 (REVISED) Revises the pilot program preemption language by applying preemption to insurance contracts issued to individual policyholders under the pilot program and aligns the bill with the existing regulations section that provides the necessary preemption authority.	(10 minutes)
168. Jackson (TX), Schweikert (AZ), Whitesides (CA), Messmer (IN)	#172 (REVISED) Directs the Secretary of War to issue voluntary guidance for AI contractors developing, maintaining, or operating AI systems for the Department of War to reduce insider threat, espionage, and other personnel-related security risks to sensitive AI systems and infrastructure.	(10 minutes)
169. Jacobs (CA)	#383 Establishes a quarterly reporting requirement of the National Security Capital Forum.	(10 minutes)
170. Johnson (SD)	#1135 (LATE) Directs the Secretary of Defense to conduct an assessment of supply chain vulnerabilities related to displays used in Department of War weapon systems and platforms.	(10 minutes)
171. Joyce (OH)	#851 Requires the Department of Defense to carry out a two-year pilot program to insert suicide prevention resources onto smart devices issued to members of the Armed Forces and to provide training on these resources.	(10 minutes)
172. Kean (NJ), Scott, Austin (GA), Tenney (NY)	#628 (REVISED) Funds research and development for counter-drone technology for the Army.	(10 minutes)
173. King-Hinds (MP)	#861 Directs the Secretary of Defense to conduct a geothermal resource confirmation study on the island of Saipan, as part of the Energy Resilience and Conservation Investment Program.	(10 minutes)
174. King-Hinds (MP), Case (HI)	#866 (REVISED) Directs the Department of Defense to conduct internal base hardening assessments focused on logistics nodes and commercial interfaces at major defense installations.	(10 minutes)
175. LaHood (IL),	#931 Prohibits the procurement of certain semiconductors that are manufactured on	(10 minutes)

silicon carbide wafers in the People's Republic of China (PRC).

**176.
Langworthy
(NY)**

#91 Requires the Department of War to provide educational information on newborn screening, state newborn screening panel variations, and available supplemental screening options to TRICARE beneficiaries receiving prenatal care. Requires the Department of War to submit a report to Congress on the feasibility, costs, and logistical considerations of ensuring newborns of TRICARE beneficiaries receive screening for all federally recommended newborn screening conditions.

(10
minutes)

177. Lee (NV)

#148 Directs the Department of Defense to brief Congress on their efforts to create and implement incentive programs that would encourage Family Child Care providers to expand their services, support military spouses, and provide after-hours childcare, which would support troops and their families, who often work outside of normal business hours due to the global operations they support.

(10
minutes)

**178. Levin
(CA)**

#884 Mandates tenants be notified of the Department of Defense Housing Feedback System (DHFS) upon signing a new lease or renewing an existing lease.

(10
minutes)

**179. Levin
(CA)**

#894 Requires a report to Congress on whether the Department met the 5% FSRM spending on barracks requirement (under Section 2814 of the FY22 NDAA) from FY22 through FY26.

(10
minutes)

**180. Liccardo
(CA), Min
(CA)**

#269 Expresses the sense of Congress that the Secretary of Defense should continue to support the development, integration, and operational use of distributed commercial radar satellite constellations, including MMTI and AMTI capabilities.

(10
minutes)

181. Lucas (OK), Min (CA)	#649 (REVISED) Expresses that it is sense of Congress that the Secretary of War should prioritize funding towards the acquisition of combat collaborative aircraft (CCA) to ensure there is a minimal, viable, fielded, and operational CCA capability by the end of FY28.	(10 minutes)
182. Luna (FL)	#1063 Requires the Secretary of Defense, not later than 180 days after enactment, to develop and submit to the congressional defense committees a plan for the Department of Defense to contribute to a common operating picture to improve domain awareness at the southern land border, and to transmit that plan to appropriate interagency partners within 60 days after its development. Specifies the required elements of the plan, including the proposed architecture and data sources, data-sharing procedures and authorities, a concept of operations, a phased implementation schedule, resource and cost requirements, training and sustainment plans, and effectiveness metrics, and requires submission in unclassified form with an optional classified annex.	(10 minutes)
183. Luttrell (TX)	#485 Makes clarifying correction to Sec. 1706.	(10 minutes)
184. Luttrell (TX), Bergman (MI), Van Orden (WI), Ezell (MS), Carter (LA), McGarvey (KY), Correa (CA), Moulton (MA), Elfreth (MD), Rulli (OH)	#81 Extends the period of performance of the current DoD trial to treat certain conditions using psychedelic substances to September 30, 2033.	(10 minutes)
185. Lynch (MA)	#885 Requires the Secretary of Defense to produce and submit to the congressional defense	(10 minutes)

committees a report examining barriers that have impeded small and medium-sized business' ability to compete for classified contracts. The report will include recommendations on ways to lower such barriers to entry.

McDonald Rivet (MI), Harrigan (NC), Davis (NC), Lawler (NY), Barragán (CA), Begich (AK), Neguse (CO), Dingell (MI) | #143 Expands credentialed, personalized financial and housing counseling to members of the Armed Forces serving on active duty or transitioning from service, and for other purposes. Identical to H.R. 8056 (119th Congress). | (10 minutes) |
| 192. McDowell (NC) | #142 Requires the Secretary of Defense to submit to Congress a strategy to support the cyber defense of Taiwan through coordination with the Five Eyes partners, including a description of resources, authorities, and personnel required to implement the strategy. | (10 minutes) |
| 193. McDowell (NC) | #92 Requires the Secretary of Defense to submit a report to Congress on the military power and illicit activities of certain drug cartels, including recommendations for additional authorities or resources to enhance efforts of the U.S. to disrupt and dismantle the military capabilities of the cartels. | (10 minutes) |
| 194. Mejia (NJ), Kean (NJ) | #1145 (LATE) Directs the Navy to assess the feasibility and operational utility of gun-launched electromagnetic obscuration capabilities for naval systems. | (10 minutes) |
| 195. Meuser (PA), Bresnahan (PA) | #1139 (LATE) (REVISED) Expresses the Sense of Congress that the President should award the Medal of Honor to Robert J. Graham who displayed extraordinary heroism during the Vietnam War on May 1, 1966, by repeatedly attacking enemy forces in a severely damaged aircraft under intense fire, saving hundreds of American lives. | (10 minutes) |
| 196. Miller-Meeks (IA) | #299 Requires a report from the Secretary of the Army to the Committees on Armed Services that includes an explanation of the status of | (10 minutes) |

	efforts to produce 155mm artillery ammunition for the Department of Defense.	
197. Miller-Meeks (IA)	#300 Expresses a sense of Congress on the importance of maintaining robust domestic production of M795 155mm artillery projectiles.	(10 minutes)
198. Miller-Meeks (IA)	#507 Expresses a sense of Congress that encourages the Department of the Army to prioritize the Rock Island Arsenal Defense Alliance request for the Rock Island Arsenal Child Care Development Center, supporting the readiness of the workforce.	(10 minutes)
199. Miller-Meeks (IA)	#983 (REVISED) Directs the Secretary of the Army to conduct a study, using existing funds, on the feasibility and cost-effectiveness of converting the energy fuel sources at the Iowa Army Ammunition Plant to natural gas.	(10 minutes)
200. Min (CA), Joyce (OH), Horsford (NV), Correa (CA), Houlahan (PA)	#210 Directs the Secretary of the Air Force, in coordination with the Commander of the U.S. Transportation Command, to produce a strategy and report for the Collaborative Combat Aircraft program, including storage, mobility, maintenance, cost, and deployment requirements, to ensure that the service can field CCA at scale in contested environments.	(10 minutes)
201. Moolenaar (MI), Case (HI)	#798 Directs the Department of War to inventory, assess, and prioritize all military construction and logistics infrastructure projects across the Pacific Islands aligned to 2030, 2035, and 2040 operational requirements.	(10 minutes)
202. Moolenaar (MI), Gottheimer (NJ)	#829 Prohibits sensitive monitoring technology manufactured by a prohibited foreign entity on DoW-owned or -leased rail cars.	(10 minutes)
203. Moore (AL)	#784 (REVISED) Expands a requirement for the Pentagon to report expenditures on the USAspending.gov website to include other transaction agreement expenditures.	(10 minutes)
204. Moore (NC),	#1175 (LATE) Amends Title 10 of the US Code to require the Secretary of the Army to establish the Army Quantum Readiness and Advanced	(10 minutes)

Harrigan (NC)	Computing Initiative. The initiative aims to integrate quantum technologies and advanced computing into future military missions through research, pilot programs, workforce development, and an initial readiness report to Congress.		
205. Moore (UT)	#803	Codifies direct hiring authority to support the Department of War Domestic Defense Industrial Base Facilities and expands the authority to support agencies located on the same installation or base.	(10 minutes)
206. Moore (UT), Khanna (CA)	#1209	(LATE) Requires the designation of Department-wide and military department service delivery leaders to oversee implementation of the Government Service Delivery Improvement Act and improve servicemember-facing services.	(10 minutes)
207. Moran (TX), Tenney (NY)	#413	(REVISED) Prohibits any FY27 DoD funds from going to any K-12 schools with a Confucius Institute or classroom.	(10 minutes)
208. Morrison (MN)	#1329	(LATE) Requires the Department of Defense to report to Congress within 180 days on the average response time to: 1) provide a replacement Certificate of Release or Discharge from Active Duty (DD Form 214); and 2) notify the recipient that their request cannot be granted due to a lack of required documentation.	(10 minutes)
209. Mullin (CA)	#660	(REVISED) Requires the Department of Defense to submit to Congress a report on the use of operation and maintenance funding for the purchase of small unmanned aircraft systems.	(10 minutes)
210. Neguse (CO)	#67	(REVISED) Directs the Department of Defense to report the average military medical treatment facility patient referral and consult wait times for active-duty servicemembers and veterans.	(10 minutes)
211. Neguse (CO)	#87	(REVISED) Requires the Department of Defense, in coordination with Federal labs, to establish a comprehensive shared database to	(10 minutes)

	help improve public and private cooperation to benefit national security.	
212. Neguse (CO), Bergman (MI), Dingell (MI)	#26 (REVISED) Requires the Department of Defense to report to Congress on the timeliness of providing electronic health records to members of the Armed Forces who are separating from active duty. Directs the Secretary of Defense to establish standards to ensure that separating servicemembers receive such records within a reasonable period.	(10 minutes)
213. Nehls (TX)	#1333 (LATE) (REVISED) Supports the development and procurement of blast overpressure mitigation devices for small and medium caliber weapons.	(10 minutes)
214. Nehls (TX), Issa (CA), Miller-Meeks (IA), Begich (AK)	#93 (REVISED) Requires the Department of Defense to review existing programs and, where feasible, implement software-based cryptographic protections that strengthen data security without requiring new hardware. It advances the Department's transition to post-quantum cybersecurity standards, promotes data ownership and key sovereignty, prevents vendor lock-in, and ensures future defense programs incorporate these protections from the outset.	(10 minutes)
215. Newhouse (WA), Moolenaar (MI)	#515 Prioritizes support and procurement of domestically manufactured silicon anode materials for battery cells and battery systems.	(10 minutes)
216. Norman (SC)	#782 (REVISED) Requires the Department of the Army to provide a briefing to the House and Senate Armed Services Committees within 180 days on currently validated insect repellents available to the Army. Directs the briefing to include ongoing evaluations of insect-repellent fabric treatments for combat uniforms, performance analyses of such treatments, and current research and development efforts to improve uniform insect repellency.	(10 minutes)

217. Norman (SC)	#1086 (REVISED) Prohibits use of CCP-linked financial services providers on Department of Defense devices.	(10 minutes)
218. Nunn (IA), Davis (NC)	#313 Prohibits the Department of Defense from procuring, acquiring or utilizing any blockchain network infrastructure originating from a company or individual stemming from an entity or country of concern. Specifically, this bill aims to tackle the CCP's continued investment in distributed ledger technology.	(10 minutes)
219. Nunn (IA), Horsford (NV)	#595 (REVISED) Directs the Undersecretary of Defense, Acquisitions and Sustainment to develop a plan for the Services' towards a comprehensive set of advanced manufacturing practices including AI-optimized robotic forming, additive and subtractive manufacturing, and advanced materials and processing practices for hypersonic research and development.	(10 minutes)
220. Nunn (IA), Magaziner (RI)	#336 Requires the Comptroller General to conduct a study on the effectiveness of the Transition Assistance Program of the Department of Defense and the Solid Start program of the Department of Veterans Affairs in identifying, counseling, and supporting members of the Armed Forces and veterans regarding mental health risks and transition-related stressors during their separation from the Armed Forces.	(10 minutes)
221. Nunn (IA), Miller-Meeks (IA), Feenstra (IA), Hinson (IA), Bacon (NE)	#930 Requires the Secretary of the Air Force to report on the feasibility, infrastructure readiness, and cost-benefits of basing permanent, manned flying missions at Air National Guard installations that have runways but lack manned active aircraft. It emphasizes utilizing underutilized joint-use commercial airfields for strategic, distributed operations and assessing alternative basing for long-range strike systems.	(10 minutes)
222. Nunn (IA), Moolenaar (MI)	#1028 Requires the Department of War, in coordination with the Small Business Administration, to submit a report within 180 days, and annually thereafter for five years,	(10 minutes)

detailing how its engagement with SBIC funds and portfolio companies aligns with capital-intensive defense production and manufacturing requirements, including munitions, shipbuilding suppliers, energetics, propulsion components, industrial equipment, tooling, and other critical defense industrial-base sectors. The report shall identify priority sectors, summarize engagement activities with relevant funds, assess the extent to which SBIC capital is supporting production scale-up and surge capacity, and provide recommendations to better align private investment with national security needs without modifying existing SBA authorities or investment decision-making.

| 228. Ogles (TN), Tenney (NY) | #590 | (REVISED) Requires the Secretary of Defense to create a plan to include Taiwan in RIMPAC 2028. | (10 minutes) |
| 229. Owens (UT) | #1365 | (LATE) Directs the Secretary of the Army to report on the efforts of the Army to field Link tactical data link networking capabilities on UH-60M and CH-47F aircraft. | (10 minutes) |
| 230. Pappas (NH) | #423 | Requires the Department of Defense to submit a comprehensive report on its strategy for the research, development, and deployment of Friction Stir Additive Manufacturing (FSAM) technologies. | (10 minutes) |
| 231. Patronis (FL) | #1111 | (LATE) (REVISED) Authorizes the President to award the Medal of Honor to six individuals who at great risk to themselves and disregard for their own personal safety attacked and helped to sink three aircraft carriers at the Battle of Midway on June 4, 1942. This decisive victory is considered the turning point of the Pacific War with momentous strategic consequences. | (10 minutes) |
| 232. Pettersen (CO) | #928 | Directs the DoD to issue a report regarding the Space Development Agency's (SDA) optical communications and networking standards as the SDA is distributed to other DoD / IC components. | (10 minutes) |
| 233. Pfluger (TX) | #1252 | (LATE) Establishes a pilot program for integrated cognitive performance and readiness to modernize existing military resilience programs in support of Warfighter Performance Optimization priorities. | (10 minutes) |
| 234. Pfluger (TX) | #524 | (REVISED) Closes a loophole in retired rank retention in Title 10, allowing for service members who qualify for active duty | (10 minutes) |

		retirement to retain their highest rank upon retirement.	
235. Pfluger (TX)	#549	Requires the Secretary of Defense to establish a process for a member to enroll in a transitional health care plan no later than 2 business days following the date of their separation.	(10 minutes)
236. Pfluger (TX)	#695	Establishes pilot program to evaluate hardware and software to counter the impact of foreign actors influencing critical equipment in our supply chain.	(10 minutes)
237. Pfluger (TX), Bacon (NE)	#548	Requires the Superintendent of the United States Air Force Academy to submit a report containing a strategy to improve academic outcomes at the Academy.	(10 minutes)
238. Pfluger (TX), Bacon (NE)	#553	Redesignates the position of Dean of the Faculty of the United States Air Force Academy as Provost and Dean of the Faculty.	(10 minutes)
239. Pfluger (TX), Tenney (NY)	#726 (REVISED)	Requires the Secretary of Defense to suspend or revoke a security clearance or eligibility for access to classified information for any retired or separated member of the Armed Forces or civilian employee of the Department of Defense who engages in lobbying for Chinese military companies.	(10 minutes)
240. Plaskett (VI)	#536	Directs the Secretary of Defense to assess the feasibility of utilizing appropriate facilities on the island of St. Croix as an Army, Air Force, and Marine Corps forward operating base.	(10 minutes)
241. Plaskett (VI)	#539	Directs the Secretary of Defense to assess the feasibility of utilizing appropriate facilities on the island of St. Thomas as a Navy forward operating base.	(10 minutes)
242. Randall (WA), Fedorchak (ND)	#1017	Extends the annual cyber resiliency assessment requirement for the nuclear command and control system to December 31, 2035.	(10 minutes)
243. Raskin (MD), Bacon (NE), Davis (NC), LaLota	#46	Moves the pension funds for the U.S. Public Health Service Commissioned Corps and the National Oceanic and Atmospheric Administration Commissioned Officer Corps	(10 minutes)

(NY), Pfluger (TX), Dexter (OR)		to the Military Retirement Fund to ensure all retired uniformed servicemembers receive pension payments during a government shutdown. Identical to H.R. 8732 (119th Congress).	
244. Rogers (AL)	#1305	(LATE) Requires Secretary of Army to maintain minimum inventory of DVH A1 combat vehicles in its Stryker Brigade Combat Teams.	(10 minutes)
245. Rose (TN)	#135	Requires the Secretary of War to submit a report to the House and Senate Committees on Armed Services on the fraud scheme perpetrated by Janet Mello, a civilian employee of the Department of the Army who was indicted and pleaded guilty to stealing over \$100 million in 4-H Military Partnership Grant program funds.	(10 minutes)
246. Ruiz (CA), Ezell (MS)	#33	Strengthens accountability and oversight of the Department of Defense's compliance with domestic food procurement requirements by directing the DoD Inspector General to conduct quarterly audits ensuring taxpayer dollars are supporting American farmers and domestic supply chains, not foreign competitors.	(10 minutes)
247. Salazar (FL), Moskowitz (FL), Bilirakis (FL)	#326	(REVISED) Conveys certain retired naval vessels to the State of Florida to be used as artificial reefs.	(10 minutes)
248. Salinas (OR), Harrigan (NC), Begich (AK), Auchincloss (MA)	#278	Requires the Secretary of Defense to evaluate the potential and feasibility of next-generation geothermal technologies to meet the power needs of the Department of Defense and strengthen national security.	(10 minutes)
249. Scholten (MI)	#623	Directs the DoD to assess applications of noninvasive focused ultrasound technologies, including histotripsy, within the Military Health System. The assessment will examine opportunities to improve outcomes, reduce	(10 minutes)

recovery times, and assess the impact on military readiness.

- | | | | |
|--------------------------------|-------|--|--------------|
| 250. Scholten (MI) | #470 | Requires a study evaluating the use of alternative vessel materials and emerging hull technologies to improve durability, fuel efficiency, operational readiness, and resilience against extreme weather conditions. | (10 minutes) |
| 251. Scholten (MI) | #473 | (REVISED) The Secretary of Defense shall assess workforce shortages among aviation maintenance technicians supporting military aircraft maintenance. | (10 minutes) |
| 252. Scholten (MI) | #479 | (REVISED) Requires the Secretary of Defense to study the state of the domestic tool and die industry, the economic impact of the domestic industry, tool and die workforce shortages, and opportunities to increase U.S. tool and die casting capabilities. | (10 minutes) |
| 253. Scholten (MI) | #627 | Directs the Secretary of Defense to conduct a study on the feasibility and effectiveness of the use of routine neuroimaging modalities in the diagnosis, treatment, and prevention of brain injury among members of the Armed Forces due to one or more blast pressure exposures during combat and training. | (10 minutes) |
| 254. Scholten (MI) | #916 | (REVISED) Directs the Secretary of Defense to submit recommendations for a strategy to construct a sufficient number of child development centers to eliminate wait lists for members of the Armed Forces seeking child care services. | (10 minutes) |
| 255. Schweikert (AZ) | #1281 | (LATE) Directs the Department of Defense to utilize artificial intelligence in the audit of its financial statements with the goal of achieving a clean audit opinion for the first time. | (10 minutes) |
| 256. Scott, Austin (GA) | #1204 | (LATE) Establishes a comprehensive Department of Defense effort to identify, assess, and disrupt the defense-industrial supply chains of peer adversaries through enhanced intelligence integration, interagency coordination, and recurring assessments of foreign weapons production capabilities. | (10 minutes) |

257. Scott, Austin (GA)	#314 Protects the identities of special operators and other personnel involved in sensitive military activities by making the unauthorized disclosure of their identities subject to the same criminal penalties that currently apply to covert intelligence personnel.	(10 minutes)
258. Scott, Austin (GA)	#452 Require the Department of Defense to establish a standardized "Schedule V" reporting requirement for major defense contractors and grant recipients to disclose veteran hiring and retention data.	(10 minutes)
259. Scott, Austin (GA)	#318 Grants the 54 separate National Guard organizations (which comprise the 50 U.S. states, Puerto Rico, Guam, the U.S. Virgin Islands, and the District of Columbia) greater flexibility to employ national guard personnel for counterdrug missions.	(10 minutes)
260. Scott, Austin (GA)	#324 Ensures leadership continuity within the National Guard Bureau by allowing the Vice Chief of the National Guard Bureau to remain in office beyond the expiration of the normal term when the position of Chief is vacant and a successor Vice Chief has not yet been confirmed by the Senate. The amendment also strengthens National Guard representation in joint force capability development by adding the Vice Chief of the National Guard Bureau as a statutory member of the Joint Requirements Oversight Council (JROC).	(10 minutes)
261. Scott, Austin (GA)	#331 Ensures that the Joint Requirements Oversight Council (JROC) seeks and strongly considers input from the Commandant of the Coast Guard regarding Coast Guard capabilities that support national defense.	(10 minutes)
262. Scott, Austin (GA)	#333 Authorizes the Secretary of the Navy to maintain a Department of the Navy Library as a centralized institution for preserving, curating, and providing access to historical, technical, operational, and educational resources. The library would support research, training, institutional knowledge, operational readiness, and public understanding of the	(10 minutes)

	history, heritage, and contributions of the Navy and Marine Corps.	
263. Scott, Austin (GA)	#335 Expresses the sense of Congress that the Secretary of the Navy should name a future aircraft carrier USS United States in recognition of the historic legacy of ships that have borne, or were intended to bear, the name, including one of the original six frigates authorized by the Naval Act of 1794 and the canceled aircraft carrier USS United States (CVA-58).	(10 minutes)
264. Scott, Austin (GA)	#342 Expands eligibility for appointment as Chairman of the Joint Chiefs of Staff by adding the Chief of the National Guard Bureau to the list of senior military leaders who may be selected for the position.	(10 minutes)
265. Scott, Austin (GA)	#344 Prohibits the Department of Defense from charging members of the Armed Forces for meals provided while serving aboard U.S. naval vessels that are underway or deployed away from their homeport.	(10 minutes)
266. Scott, Austin (GA)	#345 Requires the Army Installation Management Command to assess and report on the biological readiness of Army installations, including their ability to detect, respond to, mitigate, and sustain operations during biological threat conditions.	(10 minutes)
267. Scott, Austin (GA)	#348 Requires the Department of Defense to report on the integration of commercial cyber capabilities into the Joint Cyber Warfighting Architecture (JCWA).	(10 minutes)
268. Scott, Austin (GA)	#349 Requires the Commander of United States European Command to report on options for modernizing the Aegis Ashore missile defense site at Deveselu, Romania.	(10 minutes)
269. Scott, Austin (GA)	#354 Codifies the Joint Special Operations University (JSOU) in title 10, United States Code, as the Department of Defense's principal institution for special operations education, research, and professional development.	(10 minutes)

270. Scott, Austin (GA)	#822 Establishes new reporting and readiness requirements for the Naval Construction Force (Seabees) to support contested logistics, expeditionary infrastructure, and theater sustainment operations.	(10 minutes)
271. Scott, Austin (GA)	#840 Expresses the sense of Congress that a future Navy vessel should be named USS Shangri-La to honor the April 1942 Doolittle Raiders and the legacy of USS Shangri-La (CV-38).	(10 minutes)
272. Scott, Austin (GA)	#1167 (LATE) Establishes a formal U.S.–Poland Special Operations Cooperation Program to enhance interoperability, share operational lessons, and improve joint capabilities for special operations and irregular warfare missions.	(10 minutes)
273. Scott, Austin (GA)	#1168 (LATE) Requires a report on options to improve Moldova’s airspace awareness and defensive capabilities through existing U.S. security cooperation programs and partnerships.	(10 minutes)
274. Scott, Austin (GA)	#1191 (LATE) Authorizes multiyear procurement and advance procurement for Armored Multi-Purpose Vehicles.	(10 minutes)
275. Scott, Austin (GA)	#1195 (LATE) Authorizes the increase beyond the total planned procurement of the P-8A Poseidon aircraft beyond 136.	(10 minutes)
276. Scott, Austin (GA)	#1197 (LATE) Extends special emergency procurement authorities under section 1903 of title 41, United States Code, to acquisitions supporting Special Operations Forces.	(10 minutes)
277. Scott, Austin (GA)	#1205 (LATE) Prohibits the retirement or divestment of E-11 BACN aircraft during fiscal year 2027.	(10 minutes)
278. Self (TX)	#433 Requests a detailed study of China’s space capabilities.	(10 minutes)
279. Sessions (TX)	#1349 (LATE) Requires the Department of Defense to achieve an unmodified financial statement audit opinion for the three consecutive years after 2028.	(10 minutes)

|--|--|--------------|
| 296. Thompson (PA) | #1254 (LATE) Requires the Secretary of War to submit a report to Congress on the threat of cyber-attacks and AI assisted cyber-attacks targeting University Affiliated Research Centers (UARC)s. The report should include a plan for the Department of War to provide assistance to UARC)s against the threat of these attacks. | (10 minutes) |
| 297. Thompson (PA), Bishop (GA) | #1249 (LATE) (REVISED) Directs the Secretary of War to maintain a partnership between the Department of War and Scouting America in the manner in which such partnership has historically maintained. | (10 minutes) |
| 298. Turner (OH) | #746 Directs an extension of the TRICARE Competitive Plans Demonstration Project program. | (10 minutes) |
| 299. Turner (OH) | #912 (REVISED) Increases the development, prototyping, and demonstration of HALE and HAPS by \$5M. | (10 minutes) |
| 300. Van Duyne (TX), Schneider (IL) | #1222 (LATE) Adds long-term care pharmacies to the categories of pharmacies included in the Comptroller General study of the TRICARE pharmacy benefit program. Expands the required review of pharmacy reimbursement, price concessions, prior authorizations, dispensing timeliness, and retail network adequacy to include long-term care pharmacies. | (10 minutes) |
| 301. Van Duyne (TX), Wasserman Schultz (FL) | #768 Extends the U.S. Postal Service's authority to issue the Breast Cancer Research semipostal stamp for an additional 10 years. Identical to H.R.8358 - Breast Cancer Research Stamp Reauthorization Act of 2026. | (10 minutes) |
| 302. Van Epps (TN) | #645 Requires the Department of War to submit annual reports to Congress on how effectively successful prototype projects transition into procurement, production, and operational use, including data on transition rates, delays, and barriers facing innovative and nontraditional defense contractors. | (10 minutes) |

303. Van Epps (TN)	#641 Requires the Department of War to report to Congress on how quickly and at what cost key munitions and weapons systems could expand production capacity, including the investments, supply chain dependencies, and bottlenecks that would affect surge production. The report would assess the feasibility of increasing production to 150, 200, and 500 percent of current levels for systems covered by multiyear procurement authorities and other systems designated by the Secretary of War.	(10 minutes)
304. Van Epps (TN), Comer (KY), Barr (KY)	#639 (REVISED) Directs the Department of War to identify water and wastewater infrastructure systems at military installations that are more than 60 years old, require significant maintenance or replacement, and pose substantial risks to readiness, force health protection, mission execution, or public health if they fail. The report would assess each system's condition, replacement costs, contingency operating costs, and impacts on servicemembers, military families, installation operations, and quality of life. Additionally, it would rank the most critical systems across the military and provide recommendations for prioritizing maintenance, modernization, and replacement efforts.	(10 minutes)
305. Van Orden (WI)	#968 Authorizes the Department of War to procure emergency response maps for Defense Dependent Schools to ensure compatibility with public safety systems in the event of an emergency.	(10 minutes)
306. Vasquez (NM)	#765 Directs the Secretary of Defense to invite the first 90 schools on the 2018 Public Schools on Military Installations (PSMI) Priority List to be eligible to submit requests for competitive grants awarded under the program for renovations, repairs or expansions of their facilities.	(10 minutes)

307. Vindman (VA)	#736 Adopts language added to the Senate NDAA text which requires an assessment of emergency medical services capabilities at military installations, including the number and distribution of EMS units, staffing levels of EMS personnel, and an evaluation of the systems used to track naloxone distribution.	(10 minutes)
308. Wagner (MO)	#943 Directs the Under Secretary of Defense for Intelligence and Security, in coordination with the Director of National Intelligence, to establish department-wide definitions for the terms: Open-Source Intelligence, Commercially Available Information, and Publicly Available Information.	(10 minutes)
309. Walkinshaw (VA)	#800 Establishes a pilot program for reciprocal compliance between FedRAMP High certification and DoD's cloud security requirements for DoD networks and national security systems.	(10 minutes)
310. Webster (FL)	#110 Requires a report on the military camping and recreational park program.	(10 minutes)
311. Womack (AR), Hill (AR), Crawford (AR)	#760 (REVISED) Directs the Department of Defense to conduct and publish an analysis to evaluate the full life-cycle costs associated with proposed or potential basing locations for F-35 aircraft expected to be delivered between FY30 and FY35.	(10 minutes)
312. Zinke (MT), Messmer (IN)	#197 (REVISED) Amends 10 U.S.C. § 4124 to clarify that both DOD Centers and DOD Laboratories may use partnership intermediaries to support technology transfer and transition into or out of those entities. Authorizes Federal Laboratories to pay partnership intermediary costs using funds available for technology transfer and transition, research and development, or operations and maintenance.	(10 minutes)
313. Kelly (MS), Garamendi (CA), Moolenaar (MI), Davis	#133 (REVISED) Amends the existing SHIPS for America provisions in the National Defense Authorization Act to strengthen U.S. maritime security by expanding strategic sealift, supporting domestic shipbuilding and the maritime workforce, improving Federal	(10 minutes)
