RESOLUTION

Resolved, That upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 4690) to amend the Energy Conservation and Production Act to repeal certain Federal building energy efficiency performance standards, and for other purposes. All points of order against consideration of the bill are waived. The amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees; and (2) one motion to recommit.

Sec. 2. Upon adoption of this resolution it shall be in order without intervention of any point of order to consider in the House the resolution (H. Res. 1182) expressing support for rural communities across the United States as stewards of the environment, major suppliers of United States energy resources, critical providers of food production and manufacturing capacity, and drivers of national economic stability, and recognizing the work of the House of Representatives in the 119th Congress in support of those vital communities. The resolution shall be considered as read. The previous question shall be considered as ordered on the resolution and preamble to adoption without intervening motion or demand for division of the question except one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees.

Sec. 3. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 1897) to amend the Endangered Species Act of 1973 to optimize conservation through resource prioritization, incentivize wildlife conservation on private lands, provide for greater incentives to recover listed species, create greater transparency and accountability in recovering listed species, streamline the permitting process, eliminate barriers to conservation, and restore congressional intent. All points of order against consideration of the bill are waived. In lieu of the amendment in the nature of a substitute recommended by the Committee on Natural Resources now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119–23 shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources or their respective designees; and (2) one motion to recommit.

Sec. 4. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 5587) to amend the Geothermal Steam Act of 1970 to waive the requirement for a Federal drilling permit for certain activities, to exempt certain activities from the requirements of the National Environmental Policy Act of 1969, and for other purposes. All points of order against consideration of the bill are waived. The amendment in the nature of a substitute recommended by the Committee on Natural Resources now printed in the bill shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and

controlled by the chair and ranking minority member of the Committee on Natural Resources or their respective designees; and (2) one motion to recommit.
