[To accompany H. Res. \_\_]

The Committee on Rules, having had under consideration House Resolution \_\_\_\_, by a record vote of 9 to 4, report the same to the House with the recommendation that the resolution be adopted.

## SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 4553, the Energy and Water Development and Related Agencies Appropriations Act, 2026, under a structured rule. The resolution waives all points of order against consideration of the bill. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees. The resolution provides that the bill shall be considered as read. The resolution waives all points of order against provisions in the bill for failure to comply with clause 2 or clause 5(a) of rule XXI. The resolution makes in order only those amendments printed in the report, amendments en bloc described in section 3 and pro forma amendments described in section 4. Each amendment shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as provided by section 4 of the resolution, and shall not be subject to a demand for division of the question. All points of order against the amendments printed in the report or amendments en bloc described in section 3 of the resolution are waived. The resolution provides that the chair of the Committee on Appropriations or his designee may offer amendments en bloc consisting of amendments printed in the report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees, shall not be subject to amendment except as provided by section 4 of the resolution, and shall not be subject to a demand for division of the question. The resolution provides that the chair and ranking minority member of the Committee on Appropriations or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate. The resolution provides for one motion to recommit. The resolution further provides for consideration of H.J. Res. 104, H.J. Res. 105, and H.J. Res. 106 under closed rules. The resolution waives all points of order against consideration of each joint resolution. The resolution provides that each joint resolution shall be considered as read. The resolution waives all points of order against provisions in each joint resolution. The resolution provides one hour of general debate on each joint resolution equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources or their respective designees. The resolution provides for each joint resolution one motion to recommit. The resolution further provides that H. Res. 668 is hereby adopted. The resolution further provides that H. Res. 605 is hereby adopted. The resolution further provides that H. Res. 598 is laid on the table.

## EXPLANATION OF WAIVERS
