Open meetings and hearings

(g)(1) Each meeting for the transaction of business, including the markup of legislation, by a standing committee or subcommittee thereof (other than the Committee on Ethics or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be in executive session because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, would tend to defame, degrade, or incriminate any person, or otherwise would violate a law or rule of the House. Persons, other than members of the committee and such noncommittee Members whose Committees, Committee on Homeland Security, and the Permanent Select Committee on Intelligence, and the subcommittees thereof, may vote by the same procedure to close up to five additional, consecutive days of hearings.

(ii) agree to close the hearing as provided in clause 2(k)(5).

A Member, Delegate, or Resident Commissioner may not be excluded from nonparticipatory attendance at a hearing of a committee or subcommittee (other than the Committee on Ethics or its subcommittees) unless (1) H), by majority vote authorizes a particular committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members, Delegates, and the Resident Commissioner by the same procedures specified in this subparagraph for closing hearings to the public.

(D) The committee or subcommittee may vote by the same procedure described in this subparagraph to close one subsequent day of hearing, except that the Committee on Appropriations, the Committee on Armed Services, the Committee on Homeland Security, and the Permanent Select Committee on Intelligence, and the subcommittees thereof, may vote by the same procedure to close up to five additional, consecutive days of hearings.

(5)(A) Each committee shall, to the greatest extent practicable, require witnesses who appear before it to submit in advance written statements of proposed testimony and to limit their initial presentations to the committee to brief summaries thereof.

(B) In the case of a witness appearing in a non-governmental capacity, a written statement of proposed testimony shall include—

(i) a curriculum vitae;

(B) A point of order on the ground described in subdivision (A) may be made by a member of the committee that reported the measure if such point of order was timely made and improperly disposed of in the committee.

(7) This paragraph does not apply to hearings of the Committee on Appropriations under clause 4(a)(1) of rule X.

(2) Each committee may fix the number of its members to constitute a quorum for taking testimony and receiving evidence, which may not be less than two.

(3) Each committee (other than the Committee on Appropriations, the Committee on the Budget, and the Committee on Rules and Administration) may fix the number of its members to constitute a quorum for taking any action other than one for which the presence of a majority of the committee is otherwise required, which may not be less than one-third of the members.

If a quorum does not appear, the Committee of the Whole shall rise, and the Chair shall read the names of absentees to the House.

(b) If the Chair refuses to enter a point of order that a quorum is not present during general debate.
(1) After a quorum has been established on a day, the Chair may enter a point of order that a quorum is not present only when the Committee of the Whole House on the state of the Union is operating under the five-minute rule and the Chair has put the pending proposition to a vote.
(2) Upon sustaining a point of order that a quorum is not present, the Chair may announce that, following a regular quorum call under paragraph (a), the minimum time for electronic voting on the pending question shall be not less than two minutes.
(c) When ordering a quorum call in the Committee of the Whole House on the state of the Union, the Chair may announce an intention to declare that a quorum is constituted at any time during the quorum call when the Chair determines that a quorum has appeared. of the page on which it will be offered,
and the point in the bill or
resolution or amendment thereto
where the amendment is intended to be

**Striking the enacting clause**

9. A motion that the Committee of
the Whole House on the state of the
Union rise and report a bill or reso-
lution to the House with the recom-

solving clause be stricken shall have
precedence of a motion to amend, and, if
offered, shall constitute a rejection of the bill or resolution.
Whenever a bill or resolution is re-
ported from the Committee of the Whole
with such adverse recommenda-
tion and the recommendation is re-
jected by the House, the bill or resolu-
tion shall stand recommitted to the
Committee of the Whole without fur-
ther action by the House. Before the
question of concurrence is submitted,
it shall be in order to move that
the House refer the bill or resolution to a
committee, with or without instruc-
tions. If a bill or resolution is so re-
ferred, then when it is again reported
to the House it shall be referred to the
Committee of the Whole without de-
bate.

**Concurrent resolution on the budget**

10. (a) At the conclusion of general
debate in the Committee of the Whole
House on the state of the Union on a
concurrent resolution on the budget
under section 305(a) of the Congress-
sional Budget Act of 1974, the concur-
rent resolution shall be considered as
read for amendment.

(b) It shall not be in order in the
House or in the Committee of the
Whole House on the state of the Union
to consider an amendment to a concur-
rent resolution on the budget, or an
amendment to the concurrent resolu-
tion, as amended by such amendment or amendments—

(1) could be mathematically con-
sistent except as limited by para-
graph (c); and

(2) would maintain all the matter set
forth in paragraphs (1) through (5) of
section 301(a) of the Congressional

(c)(1) Except as specified in subpara-
graph (2), it shall not be in order in the
House or in the Committee of the
Whole House on the state of the Union
to consider an amendment to a concur-
rent resolution on the budget, or an
amendment thereto, that proposes to
change the amount of the appropriate
level of the public debt set forth in the
concurrent resolution, as reported.

(2) Amendments to achieve mathe-
atical consistency under section
305(a)(5) of the Congressional Budget
Act of 1974, if offered by direction of
the Committee on the Budget, may
propose to adjust the amount of the ap-
propriate level of the public debt set
forth in the concurrent resolution, as
reported, to reflect changes made in
other figures contained in the concur-
rent resolution.

**Applicability of Rules of the House**

11. The Rules of the House are the
rules of the Committee of the Whole
House on the state of the Union so far
as applicable.

**RULE XIX**

**Motions Following the Amendment Stage**

**Previous question**

1. (a) There shall be a motion for the
previous question, which, being or-
dered, shall have the effect of cutting
off all debate and bringing the House
to a direct vote on the immediate ques-
tion or questions on which it has been
ordered. Whenever the previous ques-
tion has been ordered on an otherwise
debatable question on which there has
been no debate, it shall be in order to
other question for 40 minutes,
equally divided and controlled by a
proponent of the question and an oppo-
ent. The previous question may be
moved and ordered on a single ques-
tion, on a series of questions allowable
under the rules, or on an amendment
or amendments, or may embrace all
authorized motions or amendments and
include the bill or resolution to its pas-
sage, or amendments.

(b) Incidental questions of order aris-
ing during the pendency of a motion
for the previous question shall be de-
cided, whether on appeal or otherwise,
without debate.

(c) Notwithstanding paragraph (a),
when the previous question is oper-
at ing to adoption of passage or of a mea-
sure pursuant to a special order of busi-
ness, the Chair may postpone further
consideration of such measure in the
House to such time as may be des-
ignated by the Speaker.

**Recommit**

2. (a) After the previous question has
been ordered on passage or adoption of
a measure, or pending a motion to that
end, it shall be in order to move that
the House recommit (or commit, as the
case may be) the measure, without in-
side, to a standing or select com-
mmittee. For such a motion to recom-
mit, the Speaker shall give preference
in recognition to a Member, Delegate,
or Resident Commissioner who is op-
posed to the measure.

(b) The previous question shall be
considered as ordered on any motion to
recommit (or commit, as the case may
be).

**Reconsideration**

3. When a motion has been carried or
lost, it shall be in order on the same or
succeeding day for a Member on the
prevailing side of the question to enter
a motion for the reconsideration there-
of. The entry of such a motion shall
take precedence over all other ques-
tions except the consideration of a con-
fERENCE report or a motion to adjourn,
and may not be withdrawn after such
succeeding day without the consent of
the House. Once entered, a motion
can be called up for consideration by any
Member. During the last six days of a
session of Congress, such a motion shall
be disposed of when entered.

4. A bill, petition, memorial, or reso-
lution referred to a committee, or re-
ported therefrom for printing and re-
commitment, may not be brought back
to the House on a motion to reconsider.

**RULE XX**

**Voting and Quorum Calls**

1. (a) The House shall divide after the
Speaker has put a question to a vote by
voice as provided in clause 6 of rule I
if the Speaker is in doubt or division is
demanded. Those in favor of the ques-
tion shall first be called up for consid-
eration to a Member, Delegate,
or Resident Commissioner who is op-
posed to the question for 40 minutes,
equally divided and controlled by a
proponent of the question and an oppo-
ent. The previous question may be
moved and ordered on a single ques-
tion, on a series of questions allowable

33
Rule XX, clause 1

House under this paragraph shall be considered a vote by the yeas and nays.

(c) In case of a tie vote, a question shall be lost.

2. (a) Unless the Speaker directs otherwise, the Clerk shall conduct a record vote or quorum call by electronic device. In such a case the Clerk shall enter on the Journal and publish in the Congressional Record, in alphabetical order in each category, the names of Members recorded as voting in the affirmative, the names of Members recorded as voting in the negative, and the names of Members answering present as if they had been called in the manner provided in clause 3. Except as otherwise permitted under clause 8 or 9 of this rule or under clause 6 of rule XVIII, the minimum time for a record vote or quorum call by electronic device shall be 15 minutes.

(b) When the electronic voting system is inoperable or is not used, the Speaker or Chair may direct the Clerk to conduct a record vote or quorum call as provided in clause 3 or 4.

3. The Speaker may direct the Clerk to conduct a record vote or quorum call by call of the roll. In such a case the Clerk shall call the names of Members, alphabetically by surname. When two or more have the same surname, the name of the State (and, if necessary to distinguish among Members from the same State, the given names of the Member(s)) shall be added. After the roll has been called once, the Clerk shall call the names of those not recorded, alphabetically by surname. Members appearing after the second call, but before the result is announced, may vote or announce a pair.

4. (a) The Speaker may direct a record vote or quorum call to be conducted by tellers. In such a case the tellers named by the Speaker shall record the names of Members voting on each side of the question or record their presence, as the case may be, which the Clerk shall enter on the Journal and publish in the Congressional Record. Absentees shall be noted, but the doors may not be closed except when ordered by the Speaker. The minimum time for a record vote or quorum call by tellers shall be 15 minutes.

(b) On the demand of a Member, or at the suggestion of the Speaker, the names of Members sufficient to make a quorum in the Hall of the House who do not vote shall be noted by the Clerk, entered on the Journal, reported to the Speaker, and the names of Members voting, and be counted and announced in determining the presence of a quorum to do business.

5. (a) In the absence of a quorum, a majority comprising at least 15 Members, which may include the Speaker, may compel the attendance of absent Members.

(b) Subject to clause 7(b)(1), a majority described in paragraph (a) may order the Sergeant-at-Arms to send officers appointed by the Sergeant-at-Arms to arrest those Members for whom no sufficient excuse is made and shall secure and retain their attendance. The House shall determine on what condition they shall be discharged. Unless the House otherwise directs, the Members who voluntarily appear shall be admitted immediately to the Hall of the House and shall report their names to the Clerk to be entered on the Journal as present.

(c)(1) If the House should be without a quorum due to catastrophic circumstances, then—

(A) until there appear in the House a sufficient number of Representatives to constitute a quorum among the whole number of the House, a quorum in the House shall be determined based upon the provisional number of the House; and

(B) the provisional number of the House for the call of the House described in subparagraph (3)(C), shall be the number of Representatives responding to that call of the House.

(2) If a Representative counted in determining the provisional number of the House thereafter ceases to be a Representative, or if a Representative not counted in determining the provisional number of the House thereafter appears in the House, the provisional number of the House shall be adjusted accordingly.

(3) For the purposes of subparagraph (1), the House shall be considered to be without a quorum due to catastrophic circumstances if, after a motion under paragraph (a) has been disposed of and without intervening adjournment, each of the following occurs in the stated sequence:

(A) A call of the House (or a series of calls of the House) is closed after aggregating a period in excess of 72 hours (excluding time the House is in recess) without producing a quorum.

(B) The Speaker—

(i) with the Majority Leader and the Minority Leader (or their respective designees), receives from the Sergeant-at-Arms (or a designee) a catastrophic quorum failure report, as described in subparagraph (4);

(ii) consults with the Majority Leader and the Minority Leader (or their respective designees) on the content of that report; and

(iii) announces the content of that report to the House.

(C) A further call of the House (or a series of calls of the House) is closed after aggregating a period in excess of 24 hours (excluding time the House is in recess) without producing a quorum.

(4)(A) For purposes of subparagraph (3), a catastrophic quorum failure report is a report advising that the inability of the House to establish a quorum is attributable to catastrophic circumstances involving natural disaster, attack, contagion, or similar calamity rendering Representatives incapable of attending the proceedings of the House.

(B) Such report shall specify the following:

(i) The number of vacancies in the House and the names of former Representatives whose seats are vacant.

(ii) The names of Representatives considered incapacitated.

(iii) The names of Representatives not incapacitated but otherwise incapable of attending the proceedings of the House.

(iv) The names of Representatives unaccounted for.

(C) Such report shall be prepared on the basis of the most authoritative information available after consultation with the Attending Physician to the Congress and the Clerk (or their respective designees) and pertinent public health and law enforcement officials.

(D) Such report shall be updated every legislative day for the duration of any proceedings under or in reliance on this paragraph. The Speaker shall make such updates available to the House.

(5) An announcement by the Speaker under subparagraph (3)(B)(iii) shall not be subject to appeal.

(6) Subparagraph (1) does not apply to a proposal to create a vacancy in the representation from any State in respect of a Representative not incapacitated but otherwise incapable of attending the proceedings of the House.

(7) For purposes of this paragraph:

(A) The term “provisional number of the House” means the number of Representatives upon which a quorum will be computed in Congress until Representatives sufficient in number to constitute a quorum among the whole number of the House appear in the House.

(B) The term “whole number of the House” means the number of Representatives chosen, sworn, and living whose membership in the House has not been terminated by resignation or by the action of the House.

(C) Upon the death, resignation, expulsion, disqualification, removal, or swearing of a Member, the whole number of the House shall be adjusted accordingly. The Speaker shall announce the adjustment to the House. Such an announcement shall not be subject to appeal. In the case of a death, the Speaker may lay before the House such documentation from Federal, State, or local officials as the Speaker deems pertinent.

(D) When a quorum fails to vote on a question, a quorum is not present, and objection is made for that cause (unless the House shall adjourn)—

(1) there shall be a call of the House;

(2) the Sergeant-at-Arms shall proceed forthwith to bring in absent Members; and

(3) the yeas and nays on the pending question shall at the same time be considered as ordered.

Rule XX, clause 6
(b) The Clerk shall record Members by the yeas and nays on the pending question, using such procedure as the Speaker may invoke under clause 2, 3, or 4. A record of the votes under this clause shall be brought by the Sergeant-at-Arms before the House, whereupon the Member shall be noted as present, discharged from arrest, and given an opportunity to vote; and such vote shall be recorded. If those voting on the question and those who are present and decline to vote together make a majority of the House, the Speaker shall declare that a quorum is constituted, and the pending question shall be decided as the requisite majority of those voting shall have determined. Thereupon further proceedings under the call shall be considered as dispensed with.

(c) At any time after Members have had the requisite opportunity to respond by the yeas and nays ordered under this clause, but before a result has been announced, a motion that the House adjourn shall be in order if seconded by a majority of those present, to be ascertained by actual count by the Speaker. If the House adjourns on such a motion, all proceedings under this clause shall be considered as vacated.

7. (a) The Speaker may not entertain a point of order that a quorum is not present unless a question has been put to a vote.

(b) Subject to paragraph (c) the Speaker may recognize a Member, Delegate, or Resident Commissioner to move a call of the House at any time. When a quorum is established pursuant to a call of the House, further proceedings under the call shall be considered as dispensed with unless the Speaker recognizes for a motion to compel the attendance of Members under clause 5(b).

(c) A call of the House shall not be in order after the previous question is ordered unless the Speaker determines by actual count that a quorum is not present.

Postponement of proceedings

8. (a)(1) When a recorded vote is ordered, or the yeas and nays are ordered, or a vote is objected to under clause 6—

(A) on any of the questions specified in subparagraph (2), the Speaker may postpone further proceedings to a designated place in the legislative schedule within two additional legislative days; and

(B) on the question of agreeing to the Speaker’s approval of the Journal, the Speaker may postpone further proceedings to a designated place in the legislative schedule on that legislative day.

(2) The questions described in subparagraph (1) are as follows:

(A) The question of passing a bill or joint resolution.

(B) The question of adopting a resolution or concurrent resolution.

(C) The question of agreeing to a motion to instruct managers on the part of the House (except that proceedings may not resume on such a motion under clause 7(c) of rule XXII if the managers have filed a report in the House).

(D) The question of agreeing to a conference report.

(E) The question of adopting a motion to reconsider.

(F) The question of adopting a motion to concur in a Senate amendment, with or without amendment.

(G) The question of agreeing to an amendment.

(H) The question of ordering the previous question on a question described in subdivisions (A) through (G).

(I) The question of agreeing to a motion to suspend the rules.

(J) The question of agreeing to a motion to reconsider or the question of agreeing to a motion to lay on the table a motion to reconsider.

(b) At the time designated by the Speaker for further proceedings on questions postponed under paragraph (a), the Speaker shall resume proceedings on each postponed question.

(c) If the House adjourns on a legislative day designated for further proceedings on questions postponed under this clause without disposing of such questions, then on the next legislative day the unfinished business is the disposition of such questions.

Five-minute votes

9. (a) The Speaker may reduce to five minutes the minimum time for electronic voting on any question that follows another electronic vote or a report from the Committee of the Whole, unless the Speaker recognizes for a motion to compel the attendance of Members under clause 5(b).

(b) Subject to paragraph (c) the Speaker may recognize a Member, Delegate, or Resident Commissioner to move a call of the House at any time.

(c) A call of the House shall not be in order after the previous question is ordered unless the Speaker determines by actual count that a quorum is not present.

Automatic yeas and nays

10. (a) The Speaker shall determine whether the House has agreed to an extension of time permitted under this rule and shall, by a majority vote, determine whether the House shall be extended to vote or whether the Speaker shall be extended to vote.

(b) If the Speaker decides to extend the time permitted under this rule, the Speaker shall, by a majority vote, determine whether the Speaker shall be extended to vote.

(c) At any time after Members have had the requisite opportunity to respond by the yeas and nays ordered under this clause, but before a result has been announced, a motion that the House adjourn shall be in order if seconded by a majority of those present, to be ascertained by actual count by the Speaker.

(d) At the time designated by the Speaker for further proceedings on questions postponed under paragraph (a), the Speaker shall resume proceedings on each postponed question.

(e) If the House adjourns on a legislative day designated for further proceedings on questions postponed under this clause without disposing of such questions, then on the next legislative day the unfinished business is the disposition of such questions.

Balloons votes

11. In a case of ballot for election, a majority of the House shall vote. Unless otherwise provided by law, the Speaker shall, by a majority vote, determine whether the Speaker shall be extended to vote.

Resolutions of certain bills

Reservation of certain points of order

1. At the time a general appropriation bill is reported, all points of order against provisions therein shall be considered as reserved.

General appropriation bills and amendments

2. (a)(1) An appropriation may not be reported in a general appropriation bill and may not be ordered as an amendment thereto, for an expenditure not previously authorized by law, except to continue appropriations for public works and objects that are already in progress.

(2) A reapportionment of unexpended balances of appropriations may not be reported in a general appropriation bill, and may not be in order as an amendment thereto, except to continue appropriations for public works and objects that are already in progress. This subparagraph does not apply to transfers of unexpended balances within the department or agency for which they were originally appropriated that are reported by the Committee on Appropriations.

(b) A provision changing existing law may not be reported in a general appropriation bill, including a provision making the availability of funds contingent on the receipt or possession of information not required by existing law for the period of the appropriation, except germane provisions that trench expenditures by the reduction of amounts of money covered by the bill (which may include those recommended to the Committee on Appropriations by direction of a legislative committee having jurisdiction over the subject matter) and except rescissions of appropriations contained in appropriations acts.

(c) An amendment to a general appropriation bill shall not be in order if changing existing law, including an amendment making the availability of funds contingent on the receipt or possession of information not required by existing law for the period of the limitation shall not be in order during consideration of a general appropriation bill.

(d) After a general appropriation bill has been read for amendment, a motion that the Committee of the Whole House on the state of the Union rise and report the bill to the House with such amendments as may have been adopted shall, if offered by the Majority Leader or a designee, have precedence over motions to amend the bill. If such a motion and report is rejected or not offered, amendments proposing limitations not specifically contained or authorized in existing law for the period of the limitation shall not be in order during consideration of a general appropriation bill.
trench expenditures by reductions of amounts of money covered by the bill may be considered.

(c) A provision other than an appropriation raising an emergency under section 251(b)(2) or section 252(e) of the Balanced Budget and Emergency Deficit Control Act, a rescission of budget authority, or a reduction in direct spending or an amount for a designated emergency may not be reported in an appropriation bill or joint resolution containing an emergency designation under section 251(b)(2) or section 252(e) of such Act and may not be in order as an amendment thereto.

(f) During the reading of an appropriation bill for amendment in the Committee of the Whole House on the state of the Union, it shall be in order to consider en bloc amendments proposed only to transfer appropriations among objects in the bill without increasing the levels of budget authority or outlays in the bill. When considered en bloc under this paragraph, such amendments may amend portions of the bill not yet read for amendment (following disposition of any points of order against such portions) and are not subject to a demand for division of the question in the House or in the Committee of the Whole.

3. It shall not be in order to consider a general appropriation bill or joint resolution, or conference report thereon, that—

(a) provides spending authority derived from receipts deposited in the Highway Trust Fund (excluding any transfers from the General Fund of the Treasury); or

(b) reduces or otherwise limits the accruing balances of the Highway Trust Fund, for any purpose other than for those activities authorized for the highway or mass transit categories.

Appropriations on legislative bills

4. A bill or joint resolution carrying an appropriation may not be reported by a committee not having jurisdiction to report appropriations, and an amendment proposing an appropriation shall not be in order during the consideration of a bill or joint resolution reported by a committee not having that jurisdiction. A point of order against an appropriation in such a bill, joint resolution, or amendment thereto may be raised at any time during pendency of that measure for amendment.

For purposes of subparagraph (1), a tax or tariff measure includes an amendment proposing a limitation on funds in a general appropriation bill for the administration of a tax or tariff.

Consideration of retroactive tax rate increases

(b) It shall not be in order to consider a joint resolution, amendment, or conference report carrying a retroactive Federal income tax rate increase. In this paragraph—

(1) the term “Federal income tax rate increase” means any amendment to subsection (a), (b), (c), (d), or (e) of section 1, or to section 11(b) or 55(b), of the Internal Revenue Code of 1986, that imposes a new percentage as a rate of tax and thereby increases the amount of tax imposed by any such section; and

(2) a Federal income tax rate increase is retroactive if it applies to a period beginning before the enactment of the provision.

Designation of public works

6. It shall not be in order to consider a bill, joint resolution, amendment, or conference report that provides for the designation or redesignation of a public work in honor of an individual then serving as a Member, Delegate, Resident Commissioner, or Senator.

7. (Reserved.)

8. With respect to measures considered pursuant to a special order of business, points of order under title III of the Congressional Budget Act of 1974 shall operate without regard to whether the measure concerned has been reported from committee. Such points of order shall operate with respect to (as the case may be)—

(a) the form of a measure recommended by the reporting committee where the statute uses the term “as reported” (in the case of a measure that has been so reported);

(b) the form of the measure made in order as an original bill or joint resolution for the purpose of amendment; or

(c) the form of the measure on which the previous question is ordered directly to passage.

9. (a) It shall not be in order to consider—

(1) a bill or joint resolution reported by a committee unless the report includes a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the bill (and the name of any Member, Delegate, or Resident Commissioner who submitted a request to the committee for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits.

(b) A bill or joint resolution not reported by a committee unless the chair of each committee of initial referral has caused a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the bill and (the name of any Member, Delegate, or Resident Commissioner who submitted a request to the committee for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits to be printed in the Congressional Record prior to its consideration; or

(4) a conference report to accompany a bill or joint resolution unless the joint explanatory statement prepared by the managers on the part of the House and the managers on the part of the Senate includes a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the conference report or joint statement (and the name of any Member, Delegate, Resident Commissioner, or Senator who submitted a request to the House or Senate committees of jurisdiction for each respective item included in such list) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits.

(b) It shall not be in order to consider a conference report to accompany a regular general appropriation bill unless the joint explanatory statement prepared by the managers on the part of the House and the managers on the part of the Senate includes—

(1) a list of congressional earmarks, limited tax benefits, and limited tariff benefits in the conference report or joint statement (and the name of any Member, Delegate, Resident Commissioner, or Senator who submitted a request to the House or Senate committees of jurisdiction for each respective item included in such list) that were neither committed to the conference committee by either House nor in a report of a committee of conference or in a companion measure; or

(2) a statement that the proposition contains no such congressional earmarks, limited tax benefits, or limited tariff benefits.
(c) It shall not be in order to consider a rule or order that waives the application of paragraph (a) or (b). As disposition of a point of order under this paragraph (b), the Chair shall put the question of consideration with respect to the rule or order or conference report, as applicable. The question of consideration shall be debatable for 10 minutes by the Member initiating the point of order and for 10 minutes by an opponent, but shall otherwise be decided without intervening motion except one that the House adjourn.

(d) In order to be cognizable by the Chair in a point of order raised; or under paragraph (a) may be based only on the failure of a report, submission to the Congressional Record, or joint explanatory statement to include a list required by paragraph (a) or a statement that the provision contains no congressional earmarks, limited tax benefits, or limited tariff benefits.

(e) For the purpose of this clause, the term “congressional earmark” means a provision or report language included primarily at the request of a Member, Delegate, Resident Commissioner, or Senator providing, authorizing or recommending a specific amount of discretionary budget authority, credit authority, or other spending authority for a contract, loan, loan guarantee, grant, loan authority, or other expenditure with or to an entity, or targeted to a specific State, locality or Congressional district, other than through a statutory or administrative formula-driven or competitive award process.

(f) For the purpose of this clause, the term “limited tax benefit” means—

1. any revenue-losing provision that—

(A) provides a Federal tax deduction, exclusion, preference, or tax credit for a private or public activity; or

(B) affects direct spending and revenues or permanent transition relief from a tax provision modifying the Harmonized Tariff Schedule of the United States in a manner that benefits 10 or fewer beneficiaries under the Internal Revenue Code of 1986.

2. any Federal tax provision which provides one beneficiary temporary or permanent transition relief from a change to the Internal Revenue Code of 1986.

3. (A) except as provided in paragraphs (b) and (c), it shall not be in order to consider any bill, joint resolution, amendment, or conference report if the provisions of such measure affecting direct spending and revenues have the net effect of increasing the deficit or reducing the surplus for either the period comprising—

(a) the current fiscal year, the budget year, and the four fiscal years following that budget year.

(b) the current fiscal year, the budget year, and the nine fiscal years following that budget year.

(2) the effect of such measure on the deficit or surplus shall be determined on the basis of estimates made by the Committee on the Budget relative to baseline estimates supplied by the Congressional Budget Office consistent with section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985.

(b) If a bill, joint resolution, or amendment is considered pursuant to a special order of the House directing the Clerk to add as new matter at the end of (d) the measure the provisions of a separate measure as passed by the House, the provisions of such separate measure as passed by the House shall be included in the evaluation under paragraph (a) of the bill, joint resolution, or amendment.

(c)(1) Except as provided in subparagraph (2), the evaluation under paragraph (a) shall exclude a provision expressly designated as an emergency for purposes of pay-as-you-go principles in the case of a point of order under this clause against consideration of—

(A) a bill or joint resolution;

(B) an amendment made in order as original text by a special order of business;

(C) a conference report; or

(D) an amendment between the Houses.

(2) In the case of an amendment (other than one specified in subparagraph (1)) to a bill or joint resolution, the evaluation under paragraph (a) shall give no cognizance to any designation of emergency.

(3) If a bill, joint resolution, an amendment made in order as original text by a special order of business, a conference report, or an amendment between the Houses includes a provision expressly designated as an emergency for purposes of pay-as-you-go principles, the Chair shall put the question of consideration with respect thereto.

For the purpose of this clause, the terms “budget year” and “current year” have the meanings specified in section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985, and the term “direct spending” has the meaning specified in such section 250 except that such term shall also include provisions in appropriations Acts that make outpatient modifications to substantive law as described in section 3(4)(C) of the Statutory Pay-As-You-Go Act of 2010.

11. It shall not be in order to consider a bill or joint resolution which has not been reported by a committee until the text of such measure has been available to Members, Delegates, and the Resident Commissioner for 72 hours.

12. (a) It shall not be in order to consider a bill or joint resolution pursuant to a special order of business reported by the Committee on Rules that has not been reported by a committee.

(b) Paragraph (a) shall not apply to a bill or joint resolution—

1. continuing appropriations for a fiscal year;

2. containing an emergency designation under section 251(b)(2) or section 252(e) of the Balanced Budget and Emergency Deficit Control Act of 1985;

3. designated pursuant to clause 7(a) of rule XV; or

4. not referred to committee.

(c) Paragraph (a) does not apply before March 1 of an odd-numbered year.

RULE XXII

HOUSE AND SENATE RELATIONS

Senate amendments

1. A motion to disagree to Senate amendments to a House proposition and to request or agree to a conference with the Senate, or a motion to insist on Senate amendments to a Senate proposition and to request or agree to a conference with the Senate, shall be privileged in the discretion of the Speaker if offered by direction of the primary committee and of all reporting committees that had initial referral of the proposition.

2. A motion to dispose of House bills with Senate amendments not requiring consideration in the Committee of the Whole House on the state of the Union shall be privileged.

3. Except as permitted by clause 1, before the stage of disagreement, a Senate amendment to a House bill or resolution shall be subject to the point of order that it must first be considered in the Committee of the Whole House on the state of the Union if, originating in the House, it would be subject to such a point under clause 3 of rule XVIII.

4. When the stage of disagreement has been reached on a bill or resolution with House or Senate amendments, a motion to dispose of any amendment shall be privileged.

5.
