To Whom It May Concern:

My office has worked diligently since the start of the pandemic to provide real-time solutions and resources to our community and Queens Together has been a steadfast partner from the very beginning. It is with great pleasure that I am writing this letter of support.

Queens Together has consistently been a leader in the grassroots efforts to obtain the investments needed to grow the economy in Southeast Queens while not losing sight of the investment in human capital that is critical to making sustainable change in this community. As a community leader and partner Queens Together worked with my office to deliver approximately 2,000 hot meals; distribute over 3,500 boxes of fresh produce; sponsor over 60 PPE giveaways and host numerous appreciation distribution events for essential workers. QT was also instrumental in providing food and resources to a number of CBO's and faith-based institutions throughout Queens.

The vision, commitment and leadership at Queens Together has assisted many small businesses and community members in regaining forward progress as we overcame the height of the pandemic. I look forward to continuing to work with them as the recovery and healing of our small businesses, restaurants and neighborhoods continues.

It is without hesitation that I support Queens Together. I thank you in advance for any consideration you will give QT as they endeavor to do even more to assist our communities.

Yours in Service,
