

H. Res. __

H.R. 1937 - National Strategic and Critical Minerals Production Act of 2015

1. Structured rule.
2. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources.
3. Waives all points of order against consideration of the bill.
4. Provides that the bill shall be considered as read.
5. Waives all points of order against provisions in the bill.
6. Makes in order only those amendments printed in the Rules Committee report. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question.
7. Waives all points of order against the amendments printed the report.
8. Provides one motion to recommit with or without instructions.

RESOLUTION

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1937) to require the Secretary of the Interior and the Secretary of Agriculture to more efficiently develop domestic sources of the minerals and mineral materials of strategic and critical importance to United States economic and national security and manufacturing competitiveness. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour

equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources. After general debate the bill shall be considered for amendment under the five-minute rule. The bill shall be considered as read. All points of order against provisions in the bill are waived. No amendment to the bill shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SUMMARY OF AMENDMENTS PROPOSED TO BE MADE IN ORDER

(summaries derived from information provided by sponsors)

Sponsor	# Description	Debate Time
1. Lowenthal (CA)	#3 Replaces the bills definition of “strategic and critical minerals” with the accepted definition from the National Research Council.	(10 minutes)
2. Dingell (MI)	#4 Ensures that mining permits are fully reviewed under the National Environmental Policy Act.	(10 minutes)
3. Cartwright (PA)	#5 Strikes sections of the bill that would limit judicial review of agency actions and prevent the awarding of attorney’s fees under the Equal Access to Justice Act.	(10 minutes)
4. Pearce (NM)	#10 (LATE) Clarifies that the bill does not affect Secretarial Order 3324, issued by the Department of the Interior.	(10 minutes)
5. Hastings, Alcee (FL)	#1 (REVISED) Requires demonstration for proposed projects that domestic capacity to produce strategic and critical minerals is less than 80 percent of domestic requirements and requires publication of intent to transport or sell strategic and critical mineral intermediate and final products outside of the United States unless the domestic capacity exceeds 80 percent.	(10 minutes)
